Aetna® Hospital Indemnity Plan

Be prepared for what lies ahead

Maybe you're expecting to have a hospital stay — or maybe not. Either way, it's good to plan ahead. And to give yourself an extra financial cushion.

What is the Aetna Hospital Indemnity Plan?

The plan pays benefits when you have a planned, or an unplanned hospital stay. It can be for an illness, injury, surgery or to deliver a baby. The Aetna Hospital Indemnity Plan pays a lump-sum benefit for admission and daily benefits for a covered hospital stay. You can use these benefits to help pay your part of medical costs or for ongoing bills.

How is this different from a major medical plan?

Medical plans help pay **doctors and hospitals** for services and treatment. But they don't cover everything, including unexpected costs that might result from a hospital stay.

The Aetna Hospital Indemnity Plan pays benefits directly to **you**. So, you'll have extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

How can you use the cash benefits?

It's completely up to you. You can put the money towards:

- Deductibles or co-pays
- Mortgage or rent
- Groceries or utility bills

And so much more! Use the benefits any way **you** choose.

Easy to use

Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered hospital stay. We will pay benefits directly to you by check or direct deposit.

Because it happens

\$1.24 trillion was spent on hospital services in 2020. 60%-65% of all bankruptcies are related to medical expenses¹.

Ready ... or not

Carter* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna® Hospital Indemnity Plan. He filed his claim online and, since he had signed up for direct deposit, his benefits went directly into his bank account.

He used the cash to help make up for the earnings he lost from the time he missed work while recovering and to help pay some of his deductible. Now, he can focus more on his health.
