

Compare Costs and You May Earn Cash with Member Rewards

Did you know that prices for the same quality medical services can differ by thousands of dollars within the same region and health plan network? Blue Cross and Blue Shield of Texas (BCBSTX) provides **Member Rewards**, a program administered by Sapphire Digital that offers cash rewards when a lower-cost, quality option is selected.

- Compare it to where you park your car—the \$30 lot or the \$15 one just a few blocks away.
- Member Rewards allows you to shop for health care services in a similar way, and as the examples in the chart show, you can save money depending on the option you select.
- Best of all, shopping with Member Rewards could help lower your out-of-pocket costs and help get you a cash reward.

Reward-Eligible Procedure	Provider A Cost	Provider B Cost
MRI of the Brain	\$682	\$2,723
