### View/Add Dependents

Click next to view your dependents. It is very important to make sure the social security numbers and birth dates listed are correct. If you plan to add dependents, you will need to enter their legal name, social security numbers and birth dates.

### Begin Elections

Click next again to begin making your benefit elections. Remember, no changes to your elections can be made during the plan year unless you have either a qualified mid-year change under Section 125 or a special enrollment event.

### Enrollment Assistance Center Instructions

Call 855-765-4473 and follow the prompts to be connected to customer service. Hours of operation are 8 a.m. to 5 p.m. (local time) Monday through Friday. There is an option to leave a voice message for a representative to call you back. Phone calls will be returned as soon as possible or the next business day if it is after hours.

### Review and Verify Your Payroll Deductions

It is your responsibility to review your paycheck deductions on the Employee Access Center to make sure that they correctly reflect your benefit plan selections. The first premium deductions reflecting your plan enrollments should be deducted on the first paycheck of the month following your employment date, depending on the timing of payroll. If premiums are not deducted on the first paycheck of the month, double deductions will be taken on the last check of the month.

If you see that an error has been made on your check, contact the **CFISD Insurance Department immediately at 281-897-3882** so that corrections and adjustments can be made. Your delay in reporting errors beyond your paycheck issuance date can result in forfeiting your right to make corrections or recover any excess deductions.

## Employee Coverage

### Eligibility

All full-time employees, regardless of number of hours worked, and all substitute, temporary, seasonal and part-time Cypress-Fairbanks ISD employees working 10 or more hours per week are eligible to enroll in the 2025-2026 TRS-ActiveCare Health Insurance plans during the upcoming open enrollment period.

Substitutes and temporary employees should contact the Insurance Department for the enrollment form.

Before enrollment, take time to research the available benefits and determine which options would work best for you and your family by visiting the Employee Benefits Center.

### Mid-Year Benefit Changes

Employees enrolling or making changes to their elections during the annual open enrollment period should be aware that they cannot make changes during the benefit plan year, September 1, 2025 through August 31, 2026 unless they have a Qualifying Event per IRS Section 125 regulations. Some examples of qualifying events are below.

#### Qualifying Life Events Include:

- **Change in Marital Status:** Marriage or divorce
- **Newly Eligible Dependents:** Birth, adoption, foster care placement
- **Loss or Gain of Other Coverage:** Change in your spouse's employment status that results in a loss or gain of coverage or loss or gain of Medicaid coverage

***Special Note:** Any changes outlined above must be made within thirty-one (31) days of the change of status event date and must be evidenced at the time of the change with documented proof of the change. If in doubt as to whether an event qualifies for a change in elections or what is accepted as documentation of the status change, please call the Insurance Department for assistance well in advance of the thirty-one (31) day deadline. New coverage will be effective retroactively to the first day of the month following the qualifying event date or cancellation date of the former coverage, whichever is later. Any termination of your coverage will be effective the last day of the month in which you submit the cancellation request. To terminate a former spouse or stepchildren's coverage, please make sure it is documented in the divorce decree.*

# Health Savings Account

HSA Bank | <https://www.hsabank.com/> | 1-800-357-6246

A Health Savings Account (HSA) is a great way to help control healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows participants to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money saved in monthly insurance premiums is reserved for eligible medical expenses incurred in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

## Health Savings Account Highlights

- Balances roll over from year to year.
- Portable – Funds remain with employee even after leaving employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives immediate access to your funds at the time of purchase.
- Expenses also can be reimbursed through the online portal by online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

## Who Can Participate in an HSA?

- Must be enrolled in a qualified High Deductible Health Plan (HDHP)
- Cannot be enrolled in Tricare or Medicare or covered under your spouse’s traditional (non-HDHP) health care plan
- Cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only)
- Cannot participate if your spouse has a general purpose FSA or HRA at their place of employment
- Cannot participate if you are being claimed as a dependent on another person’s tax return

### **\*\*NEW PLANS\*\***

#### **Employer-Paid Term Life & AD&D Insurance**

Life insurance protects your loved ones. It pays a benefit so they can afford to pay for funeral expenses, pay off debt and maintain their current standard of living. CFISD provides all part-time and full-time employees working a minimum of 15 hours per week \$30,000 for the basic life policy and \$30,000 for the AD&D Benefit. An accidental death and dismemberment policy provides financial benefits to the insured or their beneficiaries in the event of accidental death, serious injury, or dismemberment resulting from an accident. Benefit reduces to \$19,500 at age 65 and \$15,000 at age 70.

# Disability Insurance

The Standard | <https://www.standard.com/> | 1-800-368-1135

## **\*\* NEW PLAN \*\***

### **Why Do I Need Disability Insurance?**

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of income to replace, and the waiting period for receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much paid leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

### **Highlights**

- **Option 1 - SSNRA/5 years** pays for Accident/5 year Sickness
- **Option 2: SSNRA** pays for Accidents and Sickness (SSNRA = Social Security Normal Retirement Age)
- Benefits available over age 65 – reduced benefit schedule applies
- Employees should re-evaluate their monthly disability benefit at least every two years to keep their benefit in pace with their salary
- Provides a maximum benefit of 66 2/3% of your monthly earnings. **Treats pregnancy as any other illness**
- You do NOT have to use your leave days prior to filing a claim
- Elimination period options for injury/sickness: 0 days for injury/7 days for sickness; 14 days/14 days; 30 days/30 days
- Elimination periods are waived on the first day of hospital confinement
- Rates vary depending on the elimination period and the benefit amount

### **Guaranteed Issue**

- NO health questions to answer
- A 3 month/12 month pre-existing condition exclusion limitation exists for the first 12 months after the effective date of coverage
- Pre-existing condition means a condition for which you received medical treatment, consultation, care, or services including diagnostic measures, or took prescribed drugs in the 3 months prior to your effective date of coverage, and the disability begins in the first 12 months of coverage
- **Current Enrollees** – NO health questions to change your benefit; pre-existing will apply only to the increased benefits

**Workers' Compensation Injuries are excluded**

# Hospital Indemnity Insurance

## **\*\* NEW PLAN \*\***

Maybe you're expecting to have a hospital stay — or maybe not. Either way, you can plan ahead to give yourself an extra financial cushion. A Hospital Indemnity plan pays benefits when you have a planned, or unplanned hospital stay for an illness, injury, surgery or delivering a baby. It also pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses. Routine, vaginal delivery of a child or children or delivery of a child or children by non-emergency Cesarean section are covered.

Medical plans help pay providers for services and treatment, but they don't cover unexpected costs that might come with a stay in the hospital. The MetLife Hospital Indemnity Plan pays benefits directly to you, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

# Identity Theft Protection

iLock360 | <https://www.ilock360.com> | 1-855-287-8888

Millions of Americans report having their identity stolen each year. While credit card fraud is one of the highest reported types of identity theft, it also includes bank, loan, phone and tax-related fraud.

Identity theft insurance won't prevent your identity from being stolen. But it will be there to alert you if any suspicious activity is noticed under your name. The plan includes credit bureau monitoring, social security number usage and lost wallet protection. Accounts are monitored daily so you can rest easy knowing your identity is being protected even while you sleep. The sooner you can take action to close your accounts, the quicker you can recover your identity.

It takes years to establish a good reputation with credit lenders and employers. Make sure it remains yours by taking advantage of the identity theft insurance offered through your employer.
