

e-Learning Courses

What Are e-Learning Courses?

Deer Oaks offers online e-learning courses as part of your Employee Assistance Program (EAP). These courses combine valuable training with the ease and flexibility of learning online. They provide training for success both on and off the job by giving you practical tips on managing your workplace and your world.

Each course may be completed in 15-20 minutes and is comprised of a visual presentation, brief online quizzes, and a printable certificate of completion.
