

An easy fit

Aetna Dental® DMO® plan

Easy-to-use coverage
that fits your budget

If you have a health savings account (HSA) or a flexible spending account (FSA), you can use those funds to help with costs.

A primary care dentist (PCD) helps guide your care with this DMO* benefits and insurance plan

What to do	How it works
<p>Choose a PCD from our network**</p> <p>Use our provider search tool on Aetna.com to find one.</p>	<ul style="list-style-type: none">• See your PCD for regular exams and to get referrals if you need specialty care.• Covered family members can choose their own PCDs.• You can change your PCD once a month on your member website. Switch by the 15th day of the current month. The change will start the first day of the next month.
<p>Visit your PCD</p> <p>If you see someone other than your selected PCD, you could end up paying more.</p>	<ul style="list-style-type: none">• Check your benefits summary, so you'll know what to pay.• Give your member information at your visit.• Pay your share of the cost. This may be a copay, which is a set dollar amount. Or it may be coinsurance, which is a percentage of the dentist's charge.• That's it. No deductible, no claims forms and no yearly dollar limits.

*In Illinois, the Aetna Dental DMO plan provides limited out-of-network benefits. In order to receive maximum benefits, members must select and have care coordinated by their PCD. In Illinois, the Aetna Dental DMO plan is not a health maintenance organization (HMO). In Virginia, the DMO plan is known as the Aetna Dental Network Only plan (DNO). DNO in Virginia is not an HMO. To receive maximum benefits, members must choose a participating PCD to coordinate their care with network providers.

**Your PCD keeps a list of eligible patients that is updated monthly. Your name will appear on this list when it is updated the month after your selection. Some dentists will only treat patients whose names appear on this printed monthly roster. Once you are a member, call Member Services if your dentist needs to verify your eligibility.

Referrals for specialty dentists

Your PCD can refer you to a specialist in the Aetna® network.*

- Give your member information at your visit.
- Pay your share of the cost to the dentist. Your benefits summary shows you how much.
- There's usually no paperwork involved.

No referrals for orthodontists

When you visit an orthodontist** who participates in our network, you won't need a referral.

You usually save when you visit in-network dentists. That's because they've agreed to offer some services at special member rates.

Enroll in the Aetna Dental DMO plan for simple, budget-friendly coverage.

*This plan does not cover out-of-network benefits except to the extent required by state law. In California, your PCD may refer you to out-of-network dentists in that state. Check your plan documents for details.

**Not all plans include orthodontic care. See your plan documents for coverage details. In California, referrals to specialty care are required.
