

Voluntary Long Term Disability (LTD) Insurance

Long Term Disability insurance is designed to pay a monthly benefit to you in the event you cannot work because of a covered illness or injury. This benefit replaces a portion of your income, thus helping you to meet your financial commitments in a time of need. Standard Insurance Company (The Standard) has developed this document to provide you with information about the optional coverage you may select through Millsap Independent School District.

Disability Needs Calculator

Your family has a unique set of circumstances and financial demands. To help you figure out the amount of Disability insurance you may need if you become unable to work, The Standard has created a Disability Needs Calculator found at: <http://www.standard.com/calculators/dineeds.html>

Employee Coverage Effective Date

To become insured, you must satisfy the eligibility requirements listed above, serve an eligibility waiting period, receive medical underwriting approval (if applicable), and be actively at work (able to perform all normal duties of your job) on the day before the scheduled effective date of insurance. If you are not actively at work on the day before the scheduled effective date of insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

Please contact your human resources representative for more information regarding the requirements that must be satisfied for your insurance to become effective.

Understanding Your Plan Design

Benefit Waiting Period The benefit waiting period is the period of time that you must be continuously disabled before benefits become payable. Benefits are not payable during the benefit waiting period. The benefit waiting period options associated with your plan include:

<u>Accidental Injury</u>	<u>Other Disabilities</u>
0 days	7 days
14 days	14 days
30 days	30 days
60 days	60 days
90 days	90 days
180 days	180 days

Own Occupation Definition of Disability For the benefit waiting period and the first 24 months for which LTD benefits are paid, you are considered disabled when you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of your own occupation **AND** are suffering a loss of at least 20 percent of your indexed predisability earnings when working in your own occupation. You are not disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

Any Occupation Definition of Disability After the own occupation period of disability, you will be considered disabled if you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of any occupation.

Deductible Income Deductible income is income you receive or are eligible to receive while LTD benefits are payable. Deductible income includes, but is not limited to:

- Sick pay, annual or personal leave pay, severance pay or other forms of salary continuation (including donated amounts) paid
- Benefits under any workers' compensation law or similar law
- Amounts under unemployment compensation law
- Social Security disability or retirement benefits, including benefits for your spouse and children
- Disability benefits from any other group insurance
- Disability or retirement benefits under your employer's retirement plan
- Benefits under any state disability income benefit law or similar law
- Earnings or compensation included in predisability earnings which you receive or are eligible to receive while LTD benefits are payable
- Earnings from work activity while you are disabled, plus the earnings you could receive if you worked as much as your disability allows
- Amounts due from or on behalf of a third party because of your disability, whether by judgment, settlement or other method
- Any amount you receive by compromise, settlement or other method as a result of a claim for any of the above

Understanding Your Plan Design (Continued)

Maximum Benefit Period

The maximum period for which benefits are payable is shown in the table below:

If you become disabled before age 62, LTD benefits may continue during disability until you reach age 65. If you become disabled at age 62 or older, the benefit duration is determined by your age when disability begins:

<u>Age</u>	<u>Maximum Benefit Period</u>
62	3 years 6 months
63	3 years
64	2 years 6 months
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69+	1 year

Benefit Calculation

Example

You select the amount of your LTD benefit when you enroll for coverage in the plan. The dollar amount selected must be a multiple of \$100, from a minimum of \$200 to a maximum of the lesser of \$8,000 or 66 2/3 percent of your predisability earnings. This amount is then reduced by deductible income you receive, or are eligible to receive, while LTD benefits are payable. As an example, if your monthly predisability earnings are \$4,500, you may select any dollar amount (in \$100 increments) between \$200 and \$2,700 (60 percent of predisability earnings). In the example below, assume you elected the maximum benefit amount of \$2,700, and you now receive a monthly Social Security disability benefit of \$1,200 and a monthly retirement benefit of \$900. Your monthly LTD benefit would be calculated as follows:

Insured predisability earnings	\$4,500
Maximum benefit percentage	X 66 2/3%
Maximum benefit amount	<u>\$3,000</u>
Less Social Security disability benefit	-\$1,200
Less retirement benefit	<u>-\$900</u>
Amount of LTD benefit	\$900

Rates

Employees can select a monthly LTD benefit ranging from a minimum of \$200 to a maximum amount based on how much they earn. Referencing the attached chart, follow these steps to find the monthly cost for your desired level of monthly LTD benefit and benefit waiting period:

- Find the maximum LTD benefit by locating the amount of your earnings in either the annual earnings or Monthly Earnings column. The LTD benefit amount shown associated with these earnings is the maximum amount you can receive. If your earnings fall between two amounts, you must select the lower amount.
- Select the desired monthly LTD benefit between the minimum of \$200 and the determined maximum amount, making sure not to exceed the maximum for your earnings.
- In the same row, select the desired benefit waiting period to see the monthly cost for that selection.

If you have questions regarding how to determine your monthly LTD benefit, the benefit waiting period, or the premium payment of your desired benefit, please contact your human resources representative.
