Benefit payments go directly to
you. Use them how you'd like!

Accident Insurance doesn't replace your medical coverage; instead, it complements it. **The benefit payments don't go out to pay for medical bills or treatments you may need, instead they come in—directly to you—to be used however you'd like.** Choose this supplemental health insurance product to lessen the financial impact of a covered accident.

Accident Insurance is a limited benefit policy. It is not health insurance, and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.
