Aetna Critical Illness Plan

Be prepared for what happens next

Critical illness coverage can help you keep your focus on your health when it matters most. This extra coverage can help ease some financial worries during a difficult time.

What is the Critical Illness Plan?

The Aetna Critical Illness Plan pays benefits when a doctor diagnoses you with a covered serious illness or condition, like heart attack, stroke, cancer and more*. You can use the benefits to help pay out-of-pocket medical costs or towards personal expenses.

How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But, they don't cover unexpected costs that can come with a serious illness.

The Aetna Critical Illness Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

*Refer to your plan documents to see all covered illnesses under the plan.

How can you use the cash benefits?

It's completely up to you. You can use the money any way you want, like:

- deductibles or copays
- mortgage or rent
- groceries or utility bills

...or for anything else you choose.

Rest assured

Enrollment is guaranteed. We don't ask you any questions about your health. And, you get benefits paid directly to you by check or direct deposit.
