Listed below are the 403(b) vendors that have agreed to the terms of each employer's Written Plan, to provide data electronically and to sign the vendor agreement for your employer. Please check the website before you make a final decision about any vendor.

Note regarding "grandfathered status": Texas law exempts 403(b) contracts entered into prior to June 1, 2002 from the current TRS approved vendor/product rules. However, in order to be in the Employer's Plan after January 1, 2009 IRS rules require that the vendor be listed in the Written Plan. To be listed in the Written Plan we require the vendor to sign a vendor agreement. All of the vendors listed below have indicated they will sign this agreement. Most vendors with "grandfathered" contracts under Texas rules have not agreed to sign a vendor agreement.
