Humana Vision

It needs to be easy for your employees to get the vision care they need. At home or on the road, your employees will find a provider with convenient hours and locations. And they'll receive substantial savings on eye wear and exams when they visit network providers.

It's important your employees keep their eyes healthy and get routine care. Exams can help prevent vision loss, but also detect more serious diseases in the body such as diabetes, hypertension, multiple sclerosis, and brain tumors.

Humana Vision plans encourage prevention, early diagnosis, and treatment, helping employees stay healthy and possibly prevent permanent vision loss.

Humana group vision plans are offered by Humana Insurance Company, Humana Insurance Company of New York, CompBenefits Insurance Company, CompBenefits Company, or The Dental Concern, Inc.
