Thank you for requesting this printer-friendly view of your search results. This provider list reflects the search criteria you selected. Your search criteria is shown at the top of the first page, and includes the health plan, provider type and geographic location you selected.

Provider information contained in Aetna's online directory is updated 6 days a week. This excludes Sundays or interruptions due to system maintenance, upgrades or unplanned outages. Please check with the provider before scheduling your appointment to confirm he or she is participating in Aetna's network. The availability of any particular provider cannot be guaranteed.

Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna.

Your printout will show as one list. It doesn't distinguish whether a doctor is in a designated network or not. To see which network the doctor is in, refer to the online directory.
