How to Enroll

Benefits Enrollment

On-Site Enrollment

When it's time to enroll in your benefits, your FFGA Account Representative will be on-site to assist you with making your elections. Visit your EBC for more information.

Open Enrollment Dates: April 22, 2025 - June 30, 2025

New Hires must meet with an FFGA Representative to enroll in benefits

Benefit Eligibility & Coverage

Employee Coverage

Eligibility

Eligible employees must be actively at work on the plan effective date for new benefits to be effective.

New Employees

You have 31 days from your actively-at-work date to make benefit elections. Insurance coverage becomes effective on the first day of the month that follows a waiting period of 30 calendar days.

Existing Employees

When it's time to enroll in your benefits, your FFGA Account Representative will be available to assist you with making your elections. Your elections can be made anytime during annual enrollment online from your work or home computer. Before enrollment, take time to educate yourself on the available benefits and what options would work best for you and your family by visiting the Employee Benefits Center.

Mid-year Benefit Changes

You may add or cancel coverage during the plan year if you have a change in family status. You must notify the benefits department within 31 days of the change.

Qualifying Life Events Include:

- Changes in household, including marriage, divorce, legal separation, annulment, death of a spouse, birth, adoption, placement for adoption or death of a dependent child
- Loss of health coverage, attributable to your spouse's employment, losing existing health coverage including job-based, individual and student plans, losing eligibility for Medicare, Medicaid, or CHIP, turning 26 and losing coverage through a parent's plan

Declining Coverage

If you are eligible for benefits, but wish to DECLINE coverage, please complete the online enrollment either on your work or home computer. Under each option, you will need to select "waive." **You must still complete the beneficiary information.**

Section 125 Plans

Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

Here's How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about $70 more each month if you participated in your employer's Section 125 Plan – that's a savings of $840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	$2,000	$2,000
Less Medical Deductions	-N/A	-$250
Tax Gross Income	$2,000	$1,750
Less Taxes (Fed/State at 20%)	-$400	-$350
Less Estimated FICA (7.65%)	-$153	-$133
Less Medical Deductions	-$250	-N/A
Take Home Pay	$1,197	$1,267

You could save $70 per month in taxes by paying for your benefits on a pre-tax basis!

Flexible Spending Accounts

First Financial Administrators, Inc. | www.ffga.com
1.866.853.3539 P.O. Box 161968 | Altamonte Springs, FL 32716

Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2025 is $3,300.

Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to $5,000 per tax year for reimbursement of dependent care services.

If you are married and file a separate tax return, the limit is $2,500.

Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

FSA Resources

Benefits Card

The FFGA Benefits Card is available to all employees that participate in a Medical FSA and/or a Dependent Care FSA. The Benefits Card gives you immediate access to your money at the point of purchase. Cards are available for participating employees, their spouse and any eligible dependents who are at least 18 years old.

The IRS requires validation of most transactions for FSAs. You must submit receipts for validation of expenses when requested. If you fail to substantiate by providing a receipt to FFGA within 60 days of the purchase or date of service your card will be suspended until the necessary receipt or explanation of benefits from your insurance provider is received.

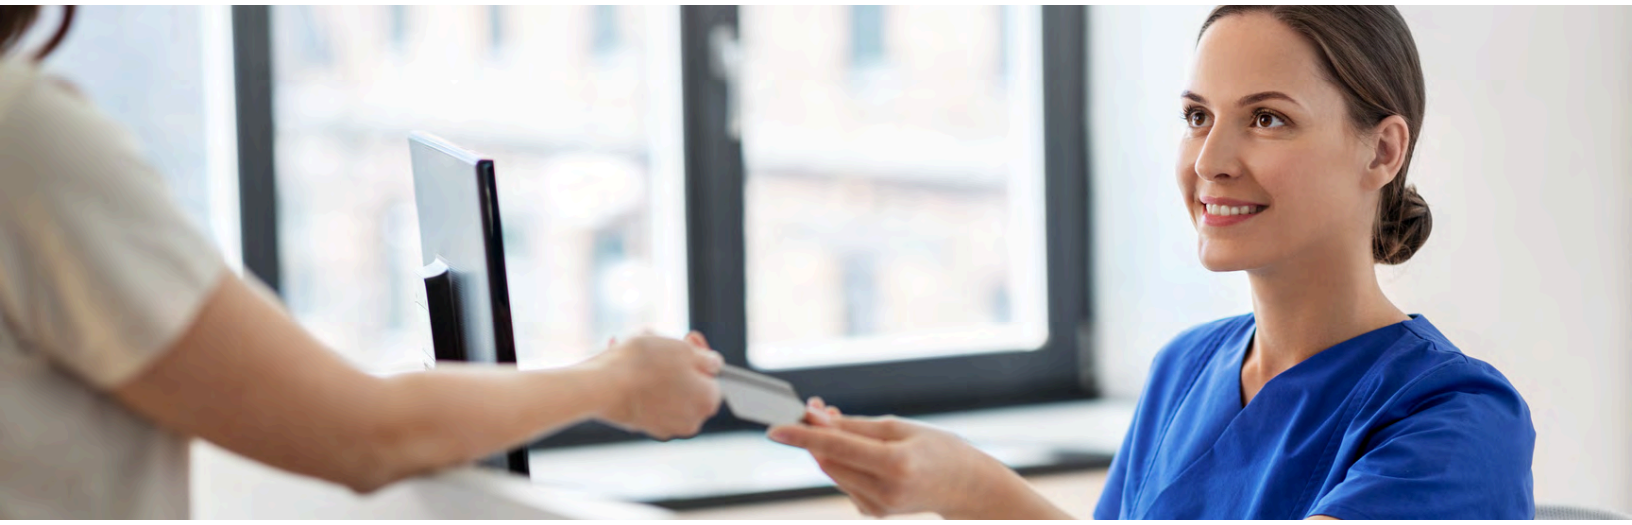
Limited Purpose FSA



First Financial Administrators, Inc. | www.ffga.com | 1.866.853.3539
P.O. Box 161968 | Altamonte Springs, FL 32716

A Limited Purpose Flexible Spending Account (LPFSA) works together with a Health Savings Account (HSA) for you to further optimize your tax savings. By establishing an LPFSA, you can save money on taxes by using the account for eligible dental and vision expenses while preserving your HSA funds for other purposes, including simply saving those funds for the future.

Your maximum contribution amount for 2025 is $3,300.

Limited Purpose FSA Highlights

- Only certain dental and vision expense are eligible such as eye exams, contact lenses and eyeglasses.
- Funds can be accessed by submitting a claim or paying for expenses upfront with a benefits debit card.
- Purchases may need to be verified during the claims process, so be sure to save your receipts.
- If the carryover provision is elected by your employer, balances may be carried over to the following plan year.

Health Savings Account

United Healthcare | www.optumbank.com | 866.234.8913

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

Who Can Participate in an HSA?

- You must be enrolled in a qualified High Deductible Health Plan (HDHP).
- You cannot be enrolled in Tricare or Medicare or covered under your spouse's traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only).
- You cannot participate if your spouse has a general purpose FSA or HRA at their place of employment.
- You cannot participate if you are being claimed as a dependent on another person's tax return.

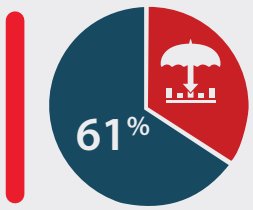
Strengthen Your Family's Financial Plan

Life insurance is an essential piece of a robust financial plan. While there is no replacement for losing a loved one, **Term Life Insurance** can help protect your family in your absence. It supplies short-term coverage at a competitive price. Term Life Insurance can help fill temporary needs for those on a limited budget.



61% of adults in the United States have no individual life insurance.[1]

Life insurance provided by your employer is a significant benefit. However, it may not be enough protection to provide for your loved ones.

A term life policy can help supplement your existing coverage. Plus, you own this policy, meaning you can take it to a different job or retirement.

Why You Need Life Insurance

Consider the following expenses when choosing the right life insurance plan for you.

Final Expenses
Funeral Costs • Unpaid Medical Bills

Income Replacement
Mortgage/Rent • Other Loans

Nest Egg
Estate Planning • Retirement Goals

[1]LIMRA: Study Finds COVID-19 Spurs Greater Interest in Life Insurance; March 23, 2021; [2]According to the 2023 Insurance Barometer Study by LIMRA and Life Happens LIMRA: 2023 Insurance Barometer Study; May 5, 2023; P7.

Term Life Insurance is a great option for your working and earning years when costs are usually at their highest.

Premiums will remain the same for the initial term period selected.[3] The death benefit will not change for the life of the policy, and death benefits are generally paid tax free.

Three Easy Steps to Get Covered

1 Select a Term Period
Choose from a 10, 20, or 30 year term.

2 Answer Three Health Questions[4]
Only three health questions are required to issue coverage. You do not have to take part in any invasive medical exams.

3 Get Death Benefit Coverage Immediately[5]
Your death benefit coverage starts when you sign the application.

[3]Rates will be adjusted on each renewed term period. [4]Issuance of the policy may depend on the answer to these questions. [5]Interim coverage for death will be in force from the date your application is signed if, on such date, the proposed insured is insurable per our underwriting guidelines for the requested coverage per the terms of the policy. This interim coverage for death will remain in force until the earlier of 1) the date a policy becomes effective, 2) the date we decline the application, or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy, Children's Term Rider and Spouse Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, or Accelerated Benefit Rider for Long Term Illness. [6]Example is based on a 20-year term, monthly, non-tobacco, base policy with no attached riders. See your American Fidelity account manager for specific ages, rates, term periods or face amounts. [7]Premiums remain level for the initial term period selected. If you choose the 10 or 20-Year Term Life Plan, the renewal date will be every 10 or 20 years until the policy anniversary following age 70 or 60, respectively. Thereafter, premiums are renewable annually. The 30-Year Term Life Plan is renewable annually after the initial term period. All term plans expire on the policy anniversary following age 90. Accelerated Benefit Summary and Disclosure Notice

THIS DOCUMENT SERVES ONLY AS A SUMMARY AND A DISCLOSURE NOTICE. PLEASE REFER TO YOUR POLICY OR RIDER FOR ACTUAL CONTRACT PROVISIONS.

THE POLICY/RIDER PROVIDES AN ACCELERATED BENEFIT OPTION. YOU SHOULD CONSULT WITH A PERSONAL TAX ADVISOR IF YOU ARE CONSIDERING ELECTING PAYMENT UNDER AN ACCELERATED BENEFIT PROVISION. BENEFITS AS SPECIFIED IN THE POLICY/RIDER WILL BE REDUCED UPON RECEIPT OF AN ACCELERATED BENEFIT PAYMENT. RECEIPT OF ACCELERATED BENEFIT PAYMENTS: 1) MAY BE TAXABLE; 2) MAY AFFECT YOUR ELIGIBILITY FOR BENEFITS UNDER STATE OR FEDERAL LAW; AND, 3) DO NOT AND ARE NOT INTENDED TO QUALIFY AS LONG-TERM CARE INSURANCE.

The policy and/or rider you are applying for has an Accelerated Benefit provision. The provision allows a portion of the death benefits to be advanced if certain conditions are met. Please see policy/rider for conditions and definitions, as applicable.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The maximums vary by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- Only one Accelerated Benefit election will be made under the policy and/or each rider even if the Owner does not elect the full acceleration amount.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
  1) Accelerated Benefit for Long Term Illness, if this optional rider is attached to the policy; and
  2) Accelerated Benefit for Terminal Condition.
- Additional limitations and exclusions may apply, please read your policy/rider carefully.

Upon request to accelerate the policy/rider proceeds, and upon the payment of the accelerated benefit, the Owner and any irrevocable beneficiary shall be given a statement demonstrating the effect of the acceleration on the payment of policy proceeds, cash value, death benefit, premium, and policy loans, as applicable.

Accelerated Benefit for Terminal Condition

Prior to the payment of any Accelerated Benefit, the Insured/Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or $100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the policy/rider will remain in force. Any premiums due to keep the policy/rider in force will be paid by us, and will be deducted from the policy proceeds upon death, unless you are currently exercising the Automatic Premium Loan option. If you are currently exercising the Automatic Premium Loan option, any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued.
- Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us on your behalf.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans.
- Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment.
- **This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.**

Accelerated Benefit for Long Term Illness (optional rider)

Prior to the payment of any Accelerated Benefit, the Insured must have a Long Term Illness, which means the Insured has been certified within the last 12 months by a Licensed Health Care Practitioner as permanently unable to perform, without Substantial Assistance from another individual, at least two out of five Activities of Daily Living for a period of at least 90 days due to a loss of functional capacity; or requiring Substantial Supervision due to permanent Severe Cognitive Impairment. The maximum payable is the lesser of 50% of the Eligible Proceeds available at the time of claim payable in two equal annual payments up to a maximum of 25% of the Eligible Proceeds per year for two consecutive years; or $100,000 payable in two equal annual payments up to a maximum of $50,000 per year for two consecutive years. Premium is required to keep this rider in force.

Payment of an Accelerated Benefit for Long Term Illness, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due.
- Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated.
- Any outstanding policy loan, including interest, will be proportionally reduced by the percent accelerated and will be deducted from the Accelerated Benefit payment.
- **The Accelerated Benefit will reduce the Benefit Amount and will be applied immediately upon acceleration.**

Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

Disability or disabled for the first 12 months of Disability means that you are unable to perform the material and substantial duties of your regular occupation. After that, Disability means you are unable to perform the material and substantial duties of any gainful occupation for wage or profit for which you are reasonably qualified by training, education, or experience.

This includes Cancer in situ and malignant melanoma. It does not include other conditions which may be considered precancerous or having malignant potential such as: leukoplakia; hyperplasia; polycythemia; actinic keratosis; myelodysplastic and non–malignant myeloproliferative disorders; aplastic anemia; atypia; non–malignant monoclonal gammopathy; carcinoid; or pre–malignant lesions, benign tumors or polyps.

Tests include but are not limited to mammogram, thinprep pap test, prostate-specific antigen blood test (PSA), colonoscopy and chest x-ray. Refer to the policy for more examples. Critical Illness Insurance

Aflac | www.aflacgroupinsurance.com | 800.433.3036

Prepare For the Unexpected

If you've heard of heart attacks, strokes, organ transplants or paralysis, then you're familiar with critical illness. It's likely you or someone you know has experienced one of these life-altering events. Often times, a critical illness has a powerful impact on people's lives, affecting their livelihood and finances.

A critical illness plan can help with the treatment costs of covered illnesses. Benefits are paid directly to you, unless otherwise assigned, giving you the choice of how to spend the money. Plus, there are plans available to provide coverage for you, your spouse and dependent children.

Prepare now for the unexpected with a critical illness insurance plan. The plan helps you focus on getting well rather than worrying about finances. Visit the Employee Benefits Center and view policy for more details.

Group Critical Illness Insurance

You can count on Aflac to help ease the financial impact of surviving a critical illness.

In Texas: This is not a policy of workers' compensation insurance. The employer does not become a subscriber to the workers' compensation system by purchasing this policy, and if the employer is non-subscriber, the employer loses those benefits which would otherwise accrue under the workers' compensation laws. The employer must comply with the workers' compensation law as it pertains to non-subscribers and the required notifications that must be filed and posted.

In Georgia, Group Critical Illness Limited Benefit Insurance Plan.

This plan does not contain comprehensive adult wellness benefits as defined by law.

AFLAC GROUP CRITICAL ILLNESS

Aflac can help ease the financial stress of surviving a critical illness.

Chances are you may know someone who's been diagnosed with a critical illness. You can't help notice the difference in the person's life—both physically and emotionally. What's not so obvious is the impact a critical illness may have on someone's personal finances.

That's because while a major medical plan may pay for a good portion of the costs associated with a critical illness, there are a lot of expenses that may not be covered. And, during recovery, having to worry about out-of-pocket expenses is the last thing anyone needs.

That's the benefit of an Aflac Group Critical Illness plan.

It can help with the treatment costs of covered critical illnesses, such as a heart attack or stroke.

More importantly, the plan helps you focus on recuperation instead of the distraction of out-of-pocket costs. With the Critical Illness plan, you receive cash benefits directly (unless otherwise assigned)—giving you the flexibility to help pay bills related to treatment or to help with everyday living expenses.

But it doesn't stop there. Having group critical illness insurance from Aflac means that you may have added financial resources to help with medical costs or ongoing living expenses.

Features:

- Benefits are paid directly to you, unless otherwise assigned.
- Coverage is available for you, your spouse, and dependent children.
- Coverage may be continued (with certain stipulations). That means you can take it with you if you change jobs or retire.

How It Works:

Aflac Group Critical Illness coverage is selected.	Aflac Group Critical Illness pays an Initial Diagnosis Benefit of: **$10,000**
You experience chest pains and numbness in the left arm.	
You visit the emergency room.	
A physician determines that you have suffered a heart attack.	

Amount payable based on $10,000 Initial Diagnosis Benefit.

DEFINITIONS

Accidental Injury means accidental bodily damage to an insured resulting from an unforeseen and unexpected traumatic event. This must be the direct result of an accident and not the result of disease or bodily infirmity. **A Covered Accidental Injury** is an accidental injury that occurs while coverage is in force. A **Covered Accident** is an accident that occurs on or after an insured's effective date while coverage is in force, and that is not specifically excluded by the plan.

In Montana, for purposes of treatment, the insured has full freedom of choice in the selection of any licensed physician, physician assistant, dentist, osteopath, chiropractor, optometrist, podiatrist, psychologist, licensed social worker, licensed professional counselor, acupuncturist, naturopathic physician, physical therapist, speech-language pathologist, audiologist, licensed addiction counselor, or advanced practice registered nurse.

A Doctor does not include the insured or an insured's family member. In South Dakota however, a doctor who is an employee's family member may treat the insured if that

doctor is the only doctor in the area and acts within the scope of his practice. For the purposes of this definition, family member includes the employee's spouse as well as the following members of the employee's immediate family son, daughter, mother, father, sister, and brother. This includes step-family members and family-members-in-law.

- Is under close observation by a specially trained nursing staff assigned exclusively to the hospital intensive care unit 24 hours a day; and
- Has a doctor assigned to the hospital intensive care unit on a full-time basis.

The term **Hospital Intensive Care Unit** specifically excludes any type of facility not meeting the definition of hospital intensive care unit as defined in this plan, including but not limited to private monitored rooms, surgical recovery rooms, observation units and the following step-down units:

- A progressive care unit;
- A sub-acute intensive care unit; or
- An intermediate care unit.

The doctor must be knowledgeable and experienced in rehabilitative medicine. Beds must be set up in a unit or facility specifically designated and staffed for this service. Medical Transport

MASA | www.masamts.com | 954.334.8261

Americans today suffer from a false sense of security that their medical coverage will pay for all costs associated with emergency or critical care transport. The reality is that a majority of Americans are only partially covered for these high costs.

Most medical plans will only pay a portion of costs leaving you with the remainder of the bill. There is also the possibility of your medical provider denying your claim altogether, which means you would be responsible for paying the entire bill.

With medical transport protection, you will have zero out-of-pocket expenses for any emergent air or ground transport from anywhere in the United States, regardless of who transports you. You will receive medical emergency transportation solutions to help cover your out-of-pocket medical transport costs when your insurance falls short.

Voluntary Retirement Plans

TCG Services | www.tcgservices.com | 800.943.9179

403(b) Retirement Plan

Research shows that Americans are living well past retirement years. Are you saving enough to be able to enjoy those years? A 403(b) plan can help you get there.

It's an IRS-approved retirement plan that allows you to set aside money on a pre-tax basis for your retirement. Contributions are conveniently made through payroll deduction, so money is moved from your paycheck into the account automatically. Plus, you employer may even match your contributions based on how much you put into the plan. Now is the time to take full advantage of this opportunity to maximize your retirement savings!

457(b) Retirement Plan

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred or ROTH basis. One significant way the 457(b) differs from the 403(b) is that distributions are never subject to the 10 percent tax for early withdrawal.

Contribution Limits	
2024	**2025**
$23,000	$23,500

Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional $7,500.

All investing involves risk. Past performance is not a guarantee of future returns.

403(b) Retirement Plans

First Financial Administrators, Inc. | www.ffga.com |
800-523-8422, option 2 | retirement@ffga.com

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

How a 403(b) Works

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee's taxable income. Contributions grow tax-deferred until the time of retirement when withdrawals are taxed as ordinary income.

Benefits

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan.
- Receive periodic account statements

Contribution Limits

A 457(b) plan is a Tax Deferred Retirement Plan available to employees of state and local governmental agencies, including public school employees. They are similar to 401(k) plans because they allow you to place a percentage of your salary into an employer-sponsored plan that helps you save for retirement. You will not have to pay taxes on what you contribute or your earnings made until you withdraw the money.

Benefits

- Investment options: fixed annuities, variable annuities, or mutual funds
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan
- Receive periodic account statements

Hospital Indemnity Insurance

Aetna | www.myaetnasupplemental.com | 800.607.3366

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

Hospital Indemnity Monthly Rates		
	Low Plan	High Plan
Employee Only	$12.39	$24.53
Employee + Spouse	$24.77	$49.05
Employee + Children	$22.29	$44.15
Employee + Family	$34.68	$68.68

Less stress

Aetna Hospital Indemnity Plan

Be prepared for what lies ahead
Maybe you're expecting to have a hospital stay — or maybe not. Either way, you can plan ahead to give yourself an extra financial cushion.

What is the Hospital Indemnity Plan?
The plan pays benefits when you have a planned, or unplanned hospital stay for an illness, injury, surgery or delivering a baby. It also pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

How is this different from a major medical plan?
Medical plans help pay providers for services and treatment. But, they don't cover unexpected costs that might come with a stay in the hospital.

The Aetna Hospital Indemnity Plan pays benefits directly to ***you***, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

How can you use the cash benefits?
It's completely up to you. You can use the money any way you want, like paying for:

- Deductibles or copays
- Mortgage or rent
- Groceries or utility bills

...or for anything else ***you*** choose.

Easy to use
Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered stay in a hospital. And, benefits get paid directly to you by check or direct deposit.

The Aetna Hospital Indemnity Plan is underwritten by Aetna Life Insurance Company (Aetna).

Ready...or not

Carter* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna Hospital Indemnity Plan. He filed his claim and the benefits were deposited right into his bank account.

That money helped make up for the time he missed while recovering, and paid some of his deductible. Now, he can focus more on his health.

Long Term Care Insurance

CHUBB | www.combinedinsurance.com | 855.241.9891

To fully equip yourself for the future, consider adding a long term care plan to your insurance portfolio. Most health insurance plans will not cover long term care services such as skilled in-home care, nursing home facilities, assisted living centers or adult day care. If you had a long term care insurance plan in place, you would have peace of mind knowing that these costs are covered.

A long term care insurance plan is there for you whenever you need it as long as the premiums are paid and the policy is still in force. And while we usually think of senior citizens being the ones who need a long term care plan, the truth is that any person at any age can claim benefits when it's necessary.

A long term care plan allows your loved ones to be there for you as a family member, not a caretaker. Plus, it helps preserve your assets so you can continue building your nest egg. Benefits are paid through payroll deduction, and the plan may be converted to an individual policy if you leave your employer.

Sit down with your FFGA Account Manager to discuss your group long-term care plan and choose the coverage the works best for you and your family.

COBRA

First Financial Administrators, Inc. | www.ffga.com | 800-523-8422, option 4

Life is full of unexpected events that may impact your health insurance coverage. Under the Consolidated Omnibus Budget Reconciliation Act, better known as COBRA, you have the right to continue your group health coverage such as medical, dental, vision insurance and flexible spending accounts for a limited period of time.

COBRA Highlights

- Temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work, divorce, death or a child no longer qualifying as a dependent. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.
- Either you or your family member are responsible for notifying your employer of a divorce, legal separation or child losing dependent status within 60 days of the event. In the case of termination, death or reduction in hours, your employer will be responsible for letting the provider know that you have the right to continue coverage under COBRA.
- Benefits will remain identical to what you had while employed. However, you will be responsible for paying the full premium, plus any applicable fees.

First Financial Administrators, Inc. provides COBRA administration services for the following plans:
