Preferred Dentist Program (Dental PPO) Frequently Asked Questions

MetLife®

Who is a participating Preferred Dentist Program (PDP) dentist?

A participating dentist is a general dentist or specialist who has agreed to accept MetLife's negotiated fees as payment in-full for services provided to plan participants. PDP fees typically range from 15-45%[‡] below the average fees charged in a dentist's community for the same or substantially similar services. ‡ Based on internal analysis by MetLife.

How do I find a participating PDP dentist?

There are more than 120,000 participating PDP dentist locations nationwide, including over 26,000 specialist locations. You can receive a list of these participating PDP dentists online at www.metlife.com/mybenefits or call 1-800-942-0854 to have a list faxed or mailed to you.

What services are covered by my plan?

All services defined under your group dental benefits plan are covered. Please review the enclosed plan benefits to learn more.

Does the Preferred Dentist Program (PDP) offer any discounts on non-covered services?

Yes. MetLife's negotiated fees with PDP (in-network) dentists extend to services not covered under your plan and services received after your plan maximum has been met. If you receive services from a PDP dentist that are not covered under your plan, you are only responsible for the PDP (in-network) fee.

May I choose a non-participating dentist?

Yes. You are always free to select the dentist of your choice. However, if you choose a dentist who does not participate in the MetLife PDP, your out-of-pocket expenses may be more, since you will be responsible to pay for any difference between the dentist's fee and your plan's payment for the approved service. If you receive services from a participating PDP dentist, you are only responsible for the difference between the PDP in-network fee for the service provided and your plan's payment for the approved service. Please note: any plan deductibles must be met before benefits are paid.

Can my dentist apply for PDP participation?

Yes. If your current dentist does not participate in the PDP and you'd like to encourage him or her to apply, tell your dentist to visit www.metdental.com, or call 1-877-MET-DDS9 for an application. The website and phone number are designed for use by dental professionals only.

How are claims processed?

Dentists may submit your claims for you which means you have little or no paperwork. You can track your claims online and even receive e-mail alerts when a claim has been processed. If you need a claim form, visit www.metlife.com/mybenefits or request one by calling 1-800-942-0854.

Can I find out what my out-of-pocket expenses will be before receiving a service?

Yes. With pre-treatment estimates, you never have to wonder what your out-of-pocket expense will be. MetLife recommends that you request a pre-treatment estimate for services in excess of \$300. Simply have your dentist submit a request online at www.metdental.com or call 1-877-MET-DDS9. You and your dentist will receive a benefit estimate for most procedures while you're still in the office. Actual payments may vary depending upon plan maximums, deductibles, frequency limits and other conditions at time of payment.

How can I learn about what dentists in my area charge for different procedures?

If you have MyBenefits you can access the Dental Procedure Fee Tool provided by go2dental.com where you can learn more about approximate fees for services such as exams, cleanings, fillings, crowns and more. Simply visit www.metlife.com/mybenefits and use the Dental Procedure Fee Tool to help you estimate the in-network (PDP fees) and out-of-network fees¹ for dental services in your area.

Can MetLife help me find a dentist outside of the U.S. if I am traveling?

Yes. Through international dental travel assistance services² you can obtain a referral to a local dentist by calling +1-312-356-5970 (collect) when outside the U.S. to receive immediate care until you can see your dentist. Coverage will be considered under your out-of-network benefits.³ Please remember to hold on to all receipts to submit a dental claim.

How does MetLife coordinate benefits with other insurance plans?

Coordination of benefits provision in dental benefits plans are a set of rules that are followed when a patient is covered by more than one dental benefits plan. These rules determine the order in which the plans will pay benefits. If the MetLife dental benefit plan is primary, MetLife will pay the full amount of benefits that would normally be available under the plan. If the MetLife dental benefit plan is secondary, most coordination of benefits provisions require MetLife to determine benefits after benefits have been determined under the primary plan. The amount of benefits payable by MetLife may be reduced due to the benefits paid under the primary plan.

Like most group benefit programs, benefit programs offered by MetLife contain certain exclusions, exceptions, waiting periods, reductions, limitations and terms for keeping them in force. Ask your MetLife group representative for costs and complete details.
