## *Portable, Permanent, Individual Life Insurance for Employees and Their Families*

As an employee, you can apply for valuable life insurance protection on you and your family under eligibility guidelines established for your employer. Your employer has conveniently agreed to permit you to pay premiums through payroll deduction. This is a summary only. Policy provisions prevail. This brochure is not a contract or an offer to contract.

**Minimal Cash Values** Buy this policy for its life insurance protection, not its cash value. The primary benefit is life insurance. Payment of the Table Premium produces a small cash value (Benchmark Cash Value).

**Permanent Life Insurance Coverage** Unlike group term life insurance, PureLife-plus is a personally owned, permanent individual life insurance policy to age 121 that can never be canceled or reduced as long as you pay the necessary premiums, even if your health changes.

**Guaranteed Period** Continuous, timely, and uninterrupted payment of the Table Premium guarantees coverage for the Guaranteed Period shown. Texas Life (We) cannot legally predict the premium required to continue coverage after the Guaranteed Period. It may be lower, the same, or higher than the Table Premium. However, if the premium to continue coverage is ever higher, We guarantee a limited right to a partial refund of premium (described below).

**Guaranteed Limited Right to Partial Refund of Premium** If a premium higher than the Table Premium is ever required to continue coverage after the Guaranteed Period, you have the choice to:

- a. Pay the higher premium(s) required to continue coverage; or,
- b. Surrender the policy and receive a partial refund of premium equal to 120 times the minimum monthly premium due at issue (ten years worth of Table Premium). You are eligible for this refund if the actual cash value equals or exceeds the Benchmark Cash Value and you have taken no prior partial surrenders.

**Portable** Once issued, continued employment is not a condition to continue coverage. Coverage is guaranteed as long as required premiums are paid, even after you retire or terminate employment. When employment ends, you can pay equivalent monthly premiums directly or by bank draft (for monthly direct payments we add a monthly fee not to exceed \$2.00). Other modes are available.

**Accelerated Death Benefit Due to Terminal Illness Rider** This policy includes, at no additional premium, an Accelerated Death Benefit Due to Terminal Illness Rider (Form ICC07-ULABR-07). See details on next page.

**Individual and Family Coverage is Easy to Apply For** Subject to age and amount restrictions, you may apply for an individual policy on your life or your spouse's life (see chart next page for spouse's minimum/maximum amounts). An individual policy is

also available on each of your children ages 15 days — 26, and even on each of your grandchildren ages 15 days — 18. Proof of insurability is required. Most policies are issued based upon the answers to three work and health related application questions.

**Optional Benefits** According to the guidelines established for your employer, your application will include the following benefit for an additional cost depending upon your issue age.

**Accidental Death Benefit** This benefit to age 65 (Issue Ages 17-59) doubles the coverage when death occurs by accidental bodily injury within 180 days of an accident. Maximum in-force limits and exclusions apply. (Form ICC07-ULCL-ADB-07).

**Accelerated Death Benefit Rider For Chronic Illness For Employee and Spouse Only** This benefit provides an accelerated death benefit if an insured becomes chronically ill as defined in the rider. (Form ICC15-ULABR-CI-15). See details on next page.

**Interim Insurance:** Interim insurance will be in force on the application date if these conditions are met: (1) the insurance is purchased through payroll deduction; (2) the Salary Deduction Authorization is signed; and, (3) the proposed insured is insurable at standard rates under Our rules and usual practice. Interim insurance remains in effect until the earlier of: (a) the Policy Date; (b) the date We decline the application; (c) the date We notify the applicant that s/he is ineligible for interim insurance; or, (d) the 180th day after the application date.

**Policy Mechanics and Other Important Details** Premiums are flexible. However, we highly recommend payment of the Table Premium during the Guaranteed Period, and no partial surrenders or policy loans. Table Premium produces a small cash value (Benchmark Cash Value). Paying a lesser premium results in an actual cash value which is less than Benchmark Cash Value, causing the policy to lapse. Premiums less a premium load create cash value to pay monthly administrative loads and cost of insurance. Cash value is currently credited at the guaranteed interest rate of 2.00% per year. We may, at any time, credit higher than the guaranteed interest rate. Likewise, We may charge cost of insurance rates which are less than the policy's maximum rates, but only when actual cash value equals or exceeds Benchmark Cash Value. No surrender charges apply. Loads include 10.00% of premium, \$2.03 per month and monthly administrative loads. Two year suicide and contestable clauses apply. The policy loan rate is 7.40% in advance. Surrenders and loans may be deferred for up to six months.

## A Summary of the Accelerated Death Benefit Rider

### **Terminal Illness - included at no additional cost**

The policy includes an Accelerated Death Benefit Due to Terminal Illness Rider. If the Insured has a terminal illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Terminal Illness is an injury or sickness diagnosed and certified by a qualifying physician that, despite the appropriate medical care, is reasonably expected to result in death within 12 months. This benefit is intended to qualify for favorable income tax treatment and may not be subject to federal income tax. (See Important Notices below.)

### **Chronic Illness - included with an additional premium**

For an additional premium of 10% of the base policy premium, this policy may include an Accelerated Death Benefit Due to Chronic Illness Rider. If the Insured has a chronic illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Chronic Illness means the Insured permanently: (a) is unable to perform, without substantial assistance from another individual, at least two Activities of Daily Living due to a loss of functional capacity and will need services for the rest of his or her life; or (b) requires substantial supervision to protect the Insured from threats to health and safety due to severe cognitive impairment and will need services for the rest of his or her life. Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe cognitive impairment means deterioration or loss of intellectual capacity that: (1) places the Insured in jeopardy of harming himself or herself or others, and therefore, the Insured requires substantial supervision by another person; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.

This benefit will be calculated and paid as a lump sum only. This lump sum is intended to serve as a per diem accelerated death benefit as described under Section 101(g) of the Internal Revenue Code. You may be able to exclude certain portions of this accelerated death benefit (specifically, the greater of: (a) the lump sum equivalent of the per diem amount; or (b) the actual cost incurred for Services provided in the year the Accelerated Death Benefit is paid) from your taxable income. Your benefit for Chronic Illness will be calculated in accordance with the rider and you may, in some circumstances, be paid more than the excludable per diem amount.

### **Important Notices**

Tax laws related to the acceleration of life insurance benefits are complex. The information presented in this Summary is general in nature. You should consult a qualified tax or legal advisor to determine the effect of receiving this benefit. Texas Life Insurance Company and its agents do not provide tax or legal advice.

Receipt of any accelerated death benefit under your policy may affect your, your spouse's and your family's eligibility for medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), Supplemental Social Security Income (SSI), and drug assistance programs. You should consult with a qualified tax or legal advisor and the relevant social service agencies to determine how receiving the benefit may affect your, your spouse's, and your family's eligibility for public assistance.

An accelerated death benefit is not long term care insurance. This summary provides a general description of any accelerated death benefit under your policy. Your policy and riders contain certain exclusions, limitations, and exceptions. Please refer to your policy and rider for details. The right to accelerate benefits under any accelerated death benefit does not extend to any Child Term Life Insurance Rider. However, if the accelerated death benefit under any rider is paid, any coverage provided under the Child Term Life Insurance Rider attached to this policy becomes a paid up term insurance policy on each covered child.

This paid up coverage on each child will terminate on each covered child's 25th birthday. Payment under any accelerated death benefit rider terminates the policy and all other optional benefits/riders and reduces all insurance proceeds, cash values and loan values to zero.

### Representation of benefit payable - Terminal or Chronic Illness

The following chart shows the effect of exercising an accelerated benefit on the base policy. This example is using a \$50,000 policy with a \$2,000 policy loan balance and all premiums are current. This chart is for representation purposes only. Your benefits may be higher or lower, depending on your face amount of coverage, any unpaid policy loan balance, and any overdue premiums.
