# SECTION 125 PLANS

## SECTION 125 PLAN INFORMATION AND RULES

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

### HERE'S HOW IT WORKS

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

### IS IT RIGHT FOR ME?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

SECTION 125 PLAN SAMPLE PAYCHECK

## MEDICAL FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and reimburse yourself for out-of-pocket medical expenses not covered under your medical plan. Your employer has chosen the \$640 carryover option for your Medical FSA plan. This option allows you the opportunity to carry over up to \$640 of unclaimed Medical FSA funds into the following plan year. Keep in mind that balances more than \$640 will be forfeited under the use-it-or-lose-it rule.

**Your maximum contribution amount for 2024 is \$3,200.**

## HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

**NOTE: The IRS requires proof that all expenses are eligible.** Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

# FSA RESOURCES

If you fail to substantiate by providing a receipt to First Financial within 60 days of the purchase or date of service your card will be suspended until the necessary receipt or explanation of benefits from your insurance provider is received.*

# DISABILITY INSURANCE

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 1.800.654.8489

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

# AF™ Long-Term Disability Income Insurance

East Central ISD Core Plans

Marketed by:

EMPLOYER BENEFIT SOLUTIONS FOR YOUR INDUSTRY

## Focus on Recovery, Not Expenses

How would you cover your everyday expenses if you experienced an Injury or Sickness and couldn't work for a period of time? AF™ Long-Term Disability Income Insurance provides a steady benefit to cover everyday expenses while you are unable to work due to a covered Disability.

### Plan Highlights

#### Benefits are Payable Directly to You

You have the freedom to use the funds for your daily expenses such as: groceries, mortgage, daycare, etc.

#### Customized to Meet Your Individual Needs

You can select a benefit amount and elimination period that best meets your financial needs.

#### Return-to-Work Benefit

Employees may receive a partial benefit for going back to work part-time while still on Disability.

### Choose the Right Plan for You

**BENEFITS BEGIN** on the day of Disability due to a covered Injury or Sickness.

Plan I	On the 8th day	Plan IV	On the 61st day
Plan II	On the 15th day	Plan V	On the 91st day
Plan III	On the 31st day	Plan VI	On the 151st day

**Injury** means physical harm or damage to the body you sustained which results directly from an accidental bodily Injury, is independent of disease or bodily infirmity; and takes place while your coverage is active.

**Sickness** means a disease or illness (including pregnancy). Disability must begin while your coverage is active.

**Hospital** - the term "Hospital" shall not include an institution used by you as a place for rehabilitation; a place for rest or for the aged; a nursing or convalescent home; a long-term nursing unit or geriatrics ward; or an extended care facility for the care of convalescent, rehabilitative, or ambulatory patients.

**Disability** or disabled for the first 12 months of Disability means that you are unable to perform the material and substantial duties of your regular occupation. After that, Disability means you are unable to perform the material and substantial duties of any gainful occupation for wage or profit for which you are reasonably qualified by training, education, or experience.

# Aflac Group Critical Illness

INSURANCE – PLAN INCLUDES BENEFITS  
FOR CANCER AND HEALTH SCREENING

We help take care of your  
expenses while you take  
care of yourself.

Aflac®

## Aflac can help ease the financial stress of surviving a critical illness.

Chances are you may know someone who's been diagnosed with a critical illness. You can't help notice the difference in the person's life—both physically and emotionally. What's not so obvious is the impact a critical illness may have on someone's personal finances.

That's because while a major medical plan may pay for a good portion of the costs associated with a critical illness, there are a lot of expenses that may not be covered. And, during recovery, having to worry about out-of-pocket expenses is the last thing anyone needs.

### That's the benefit of an Aflac Group Critical Illness plan.

It can help with the treatment costs of covered critical illnesses, such as a heart attack or stroke.

More importantly, the plan helps you focus on recuperation instead of the distraction of out-of-pocket costs. With the Critical Illness plan, you receive cash benefits directly (unless otherwise assigned)—giving you the flexibility to help pay bills related to treatment or to help with everyday living expenses.

## What you need, when you need it.

Activities of Daily Living (ADLs) are activities used in measuring levels of personal functioning capacity. These activities are normally performed without assistance, allowing personal independence in everyday living. For the purposes of this plan, ADLs include the following:

Accident coverage is available to you through payroll deduction and may provide a benefit for costs associated with:

- Concussions
- Lacerations
- Broken teeth
- Emergency room visits

- Intensive care unit

# HOSPITAL INDEMNITY INSURANCE

Aflac | [www.aflac.com](http://www.aflac.com) | 1.800.992.3522

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

## TERMS YOU NEED TO KNOW

A Covered Accident is an accident that occurs on or after an insured's effective date while coverage is in force, and that is not specifically excluded by the plan.

Dependent means your spouse or dependent children, as defined in the applicable rider, who have been accepted for coverage. Spouse is your legal wife, husband, or partner in a legally recognized union. Refer to your certificate for details.

Dependent Children are your or your spouse's natural children, step-children, grandchildren who are in your legal custody and residing with you, foster children, children subject to legal guardianship, legally adopted children, (in Texas, adopted children), or children placed for adoption. (In Florida, coverage may be provided for the children of custodial and non-custodial parents.) Newborn children are automatically covered from the moment of birth for 60 days. Newly adopted children are automatically covered for 60 days also. See certificate for details. Dependent children must be younger than age 26 (and in Louisiana, unmarried), however this limit will not apply to any insured dependent child who is incapable of self-sustaining employment due to mental or physical handicap and is chiefly dependent on a parent for support and maintenance.

Doctor is a person who is duly qualified as a practitioner of the healing arts acting within the scope of his license, and: is licensed to practice medicine; prescribe and administer drugs; or to perform surgery, or is a duly qualified medical practitioner according to the laws and regulations in the state in which treatment is made.

In Montana: For purposes of treatment, the insured has full freedom of choice in the selection of any licensed physician, physician assistant, dentist, osteopath, chiropractor, optometrist, podiatrist, licensed social worker, psychologist, licensed professional counselor, acupuncturist, naturopathic physician, physical therapist, or advanced practice registered nurse.

A Doctor does not include you or any of your Family Members. For the purposes of this definition, Family Member includes your spouse as well as the following members of your immediate family: son, daughter, mother, father, sister, or brother. In Arizona, however, a doctor who is your family member may treat you. In South Dakota, however, a doctor who is your family member may treat you if that doctor is the only doctor in the area and acts within the scope of his or her practice.

A Hospital is not a nursing home; an extended care facility; a skilled nursing facility; a rest home or home for the aged; a rehabilitation facility; a facility for the treatment of alcoholism or drug addiction (except in Vermont); an assisted living facility; or any facility not meeting the definition of a Hospital as defined in the certificate.

A Hospital Intensive Care Unit is not any of the following step-down units: a progressive care unit; a sub-acute intensive care unit; an intermediate care unit; a private monitored room; a surgical recovery room; an observation unit; or any facility not meeting the definition of a Hospital Intensive Care Unit as defined in the certificate

Sickness means an illness, infection, disease, or any other abnormal physical condition or pregnancy that is not caused solely by, or the result of, any injury (In Maine, illness or disease of an insured). A Covered Sickness is one that is not excluded by name, specific description, or any other provision in this plan. For a benefit to be payable, loss arising from the covered sickness must occur while the applicable insured's coverage is in force (except in Montana).

Treatment is the consultation, care, or services provided by a doctor. This includes receiving any diagnostic measures and taking prescribed drugs and medicines.

Treatment does not include telemedicine services (except in Kansas).

You May Continue Your Coverage

Your coverage may be continued with certain stipulations. See certificate for details.

Termination of Coverage

Your insurance may terminate when the plan is terminated; the 31st day after the premium due date if the premium has not been paid; or the date you no longer belong to an eligible class. If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was in force. See certificate for details.
