

# Are you helping to protect your paycheck?

If you had to miss work due to a covered injury or sickness, how long could you go without your paycheck? Could you afford everyday living expenses while maintaining your lifestyle?

*More than three-quarters of U.S. workers (78 percent) live paycheck to paycheck.<sup>1</sup>*

**Disability Income Insurance** can help protect your finances by providing a percentage of your gross monthly earnings to help pay for expenses if you are unable to work due to a covered disability.

**Salary Protection**  
Help protect your income for you and your loved ones

**Coverage Options**  
Benefit amount and elimination periods that meet your needs

**Return-to-Work Benefit**  
Partial benefit for part-time work

**Employee Assistance Program**  
Life coaching, legal assistance and more
