

The coverage you didn't know you needed.

Cigna Healthcare Supplemental Health insurance plans help you stay in control, no matter what life throws at you.

Life is full of surprises. By signing up for Cigna HealthcareSM Hospital Care insurance, you can supplement your health plan. It can provide you and your family with the coverage and additional financial protection you may need for expenses associated with an unplanned covered hospitalization. It can help you recover physically, emotionally and financially – so you can regain control, and remain in control.

Here's how it works

- **Get a cash benefit paid directly to you.**¹ No copays, deductibles or coinsurance requirements.
- **Use the money however you want.** Pay for costs, such as medical copays and deductibles, travel to see a specialist, child care, help around the house, alternative treatments and more. It's up to you.
- **Receive cost-effective coverage.** By signing up through your employer, you get coverage at a low group rate. Coverage is guaranteed-issue, regardless of medical history.
- **Get it and forget it.** Your premium can be easily deducted from your paycheck. Plus, through the Cigna Simple File[®] feature, Auto compare² carefully reviews Cigna Healthcare medical claims and automatically reminds you to submit your eligible Supplemental Health insurance claims.
- **Take it with you.** You may be able to take your coverage with you if you leave your employer; benefits won't change if you port your coverage.³

IMPORTANT: This is a fixed indemnity policy, NOT health insurance

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care. The payment you get isn't based on the size of your medical bill. There might be a limit on how much this policy will pay each year. This policy isn't a substitute for comprehensive health insurance. Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

Visit [HealthCare.gov](https://www.healthcare.gov) or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options. To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy?

For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments." If you have this policy through your job, or a family member's job, contact the employer.

The following is general information about the exclusions and limitations that may apply to the benefits described. This is not a complete list of policy terms and conditions. Your actual policy may vary by plan design and location. See your plan documents for more information, including state-mandated benefits.

Depending on your plan, benefits may not be paid for an illness or injury that existed prior to the effective date of coverage. Age-based reduction of benefits and benefit waiting periods may also apply.

Hospital Care Indemnity:

Benefits are only payable for covered injuries diagnosed and treated by a health care provider and resulting directly from a covered accident. Under most plans, treatment must begin within 90 days of the accident.

- **Hospital admission:** Benefits are payable once per day, limited to one day per admission and one benefit every 90 days. Covered person must be admitted as an inpatient to the hospital. Excludes treatment in an emergency room or provided on an outpatient basis, or for re-admission for the same covered injury or illness (including chronic conditions).
- **Hospital intensive care unit (ICU) stay and hospital stay:** Benefits are payable once per day, limited to 30 days and one benefit every 90 days. Stays within 90 days for the same/related injury or illness are considered one stay. Covered person must be admitted as an inpatient and confined to the hospital. If eligible for both benefits, only one benefit will be paid per day, whichever is greater.

Benefits may not be paid for any loss that is the result of: Intentionally self-inflicted injury, suicide or any attempt thereof while sane or insane; Commission or attempt to commit a felony or an assault; Declared or undeclared war or act of war; Active duty service in the military, naval or air force of any country or international organization (Reserve or National Guard active duty training extending beyond 31 days); Voluntary ingestion of any narcotic, drug, poison, gas or fumes, unless taken as prescribed by a physician; Operating any type of vehicle while under the influence of alcohol or any drug, narcotic or other intoxicant; Services deemed by the insurer as not being medically necessary; Elective or cosmetic surgery; Dental surgery, unless due to accidental injury; or Services or treatment rendered by a person employed or retained by the covered person, providing homeopathic, aromatherapeutic or herbal therapeutic services, living in covered person's household, or who is a parent, sibling, spouse or child of the covered person.

1. Benefits may be paid directly to anyone you designate, such as a hospital, upon assignment.
2. The Simple File process is based on a one-time assessment of the initial claim documentation for the primary claim. Any subsequent events would not be identified and the customer will need to submit a claim for any supplemental health benefits.
3. Under most plans, coverage is portable and ends at age 100. Review your plan documents for details.
4. **These programs are NOT insurance and do not provide reimbursement for financial losses.** Some restrictions may apply. Programs are provided through third-party vendors that are solely responsible for their products and services. Full terms, conditions and exclusions are contained in the applicable client program description and are subject to change. Program availability may vary by plan type and location, and programs are not available where prohibited by law.
