

Small Price. Big Savings.

AflacPass provides instant discounts on dental, vision, hearing and Rx services.

We need so much “care” for our health care. In addition to our overall health, we need to attend to dental, vision and hearing — not to mention medicine. All of those visits and treatments can add up. How can you pay for it all?

Aflac understands. We’re committed to helping find smart ways to help lessen your health care costs. That’s why we’ve introduced AflacPass — featuring Dental Pass, Hearing Pass and Vision Pass — with a complimentary prescription discount card included. These passes are simple, small purchases — but can provide sizable discounts.

HOW MUCH CAN \$12 SAVE YOU?

The Dental Pass, Hearing Pass and Vision Pass are just \$12 each. Buy one as you or any family member needs it. Each is good for 30 days, and you can use it immediately at providers across the country. Present the pass to the provider, and your discount will be applied at time of service.
