What is Wondr?

No points, plans, or counting calories.

Forget eating kale salads 24/7; Wondr is a skills-based digital weight loss program that teaches you how to enjoy the foods you love to improve your overall health. Our behavioral science-based program was created by a team of doctors and clinicians (which is why we left out the “e” in Wondr) and is clinically-proven for lasting results.

“I love the whole idea of the psychology of things. I like to look in the why’s and how it works. You can eat whatever you want. You just need to retrain your brain into thinking about how you need to eat your food.”
