CALCASIEU PARISH SCHOOL BOARD HIGH OPTION PPO BENEFIT PLAN

NOTICES

Healthcare services may be provided to You at a Network healthcare facility by facility-based physicians who are not in Your health plan's Network. You may be responsible for payment of all or part of the fees for those Non-Network services, in addition to applicable amounts due for Copayments, Coinsurance, Deductibles and non-covered services.

Specific information about Network and Non-Network facility-based Physicians can be found at www.bcbsla.com or by calling the customer service telephone number on the back of Your identification (ID) card.

Your share of the payment for healthcare services may be based on the agreement between Your health plan and Your Provider. Under certain circumstances, this agreement may allow the Non-Network Provider to bill You for amounts up to the Non-Network Provider's regular billed charges.

The Claims Administrator bases the payment of Benefits for the Plan Participant's covered services on an amount known as the Allowable Charge. The Allowable Charge depends on the specific Provider from whom you receive Covered Services.

Certain breast cancer survivors are eligible to receive annual preventive cancer screenings as part of the long-term survivorship care. Plan Participants eligible for screenings are those who:

- A. Were previously diagnosed with breast cancer;
- B. Completed treatment for breast cancer;
- C. Underwent bilateral mastectomy; and
- D. Were subsequently determined to be clear of cancer.

These covered screenings include but are not limited to magnetic resonance imaging, ultrasound, or some combination of tests, as determined in consultation with the attending Physician and the Plan Participant. Annual preventive cancer screenings under this Benefit will be subject to any Copayment Amount, Deductible Amount and Coinsurance Percentage.

Utilization Management decision-making is based only on appropriateness of care and service and existence of coverage. Claims Administrator does not specifically reward practitioners or other individuals for issuing denials of coverage. Financial incentives for Utilization Management decision makers do not encourage decisions that result in underutilization.

Important information regarding this Plan will be sent to the mailing address provided for a Plan Participant on their Employee Enrollment / Change Form.

NOTICE AND DISCLOSURE OF PRESCRIPTION DRUG FORMULARY

This Benefit Plan covers Prescription Drugs and uses a closed Prescription Drug Formulary. A Prescription Drug Formulary is a list of Prescription Drugs covered under this Benefit Plan. Within the prescription Drug Formulary, drugs are placed on different tiers which represent varying cost share amounts. In general, Prescription Drugs on lower tiers will cost the Plan Participant less than drugs on higher tiers.

Information about the formulary is available to Plan Participants in several ways. Most Plan Participants receive information accessing the pharmacy section of the Claims Administrator's website, www.bcbsla.com/pharmacy.

Plan Participants may also contact the Claims Administrator at the telephone number on their ID card to ask whether a specific drug is included in the formulary. If a Prescription Drug is on the Prescription Drug Formulary, this does not guarantee that the Plan Participant's prescribing healthcare Provider will prescribe the drug for a particular medical condition or Mental Illness.

A closed formulary means that selected Brand-Name Drugs, Generic Drugs, and Specialty Drugs when listed on the formulary are covered. Drugs that are not listed on the closed formulary, also called non-formulary drugs, are not covered.

For Prescription Drugs that are not included in the Prescription Drug Formulary, there is a drug review process. This process allows the Plan Participant's prescribing healthcare Provider to ask for a drug review from the Claims Administrator. This request must be based on Medical Necessity. If the request is approved, the Plan Participant will receive coverage for the drug that is not on the Prescription Drug Formulary. If the drug review request is not approved, the Plan Participant may file an internal or external drug review request to the Claims Administrator.

NOTICE OF CONTINUATION OF PRESCRIPTION DRUG COVERAGE

Plan Participants have the right to continue the coverage of any Prescription Drug that was approved or covered by the Claims Administrator for a medical condition or Mental Illness, at the contracted Benefit level until the renewal of the Plan Participant's current Plan regardless of whether the drug has been removed from their formulary. The Plan Participant's physician or other authorized prescriber may prescribe a drug that is an alternative to a drug for which continuation of coverage is required if the alternative drug is covered under the Plan and is medically appropriate for the Plan Participant.

UNDERSTANDING THE BASICS OF YOUR COVERAGE

The Group is the Plan Sponsor of this Benefit Plan. Blue Cross and Blue Shield of Louisiana provides administrative Claims services only and does not assume any financial risk or obligation with respect to Claims liability.

The Group agrees to provide the Benefits specified herein for Plan Participants of the Group and their enrolled Dependents. This Benefit Plan replaces any others previously issued to Plan Participants on the Benefit Plan Date or the amended Benefit Plan Date. This Benefit Plan describes Your Benefits, as well as Your rights and responsibilities under the Plan. You are encouraged to read this Benefit Plan carefully.

You should call the Claim's Administrator's customer service number on the back of Your ID card if You have questions about Your coverage, or any limits to the coverage available to You. Many of the sections of this Benefit Plan are related to other sections of this Plan. You may not have all of the information You need by reading just one section. Please be aware that Your Physician does not have a copy of Your Benefit Plan, and is not responsible for knowing or communicating Your Benefits to You.

Except for necessary technical terms, common words are used to describe the Benefits provided under this Benefit Plan. "We," "Us" and "Our" means BLUE CROSS AND BLUE SHIELD OF LOUISIANA. "You," "Your," and "Yourself" means the Plan Participant and/or enrolled Dependent. Capitalized words are defined terms in the Definitions Article of this Benefit Plan. A word used in the masculine gender applies also in the feminine gender, except where otherwise stated.

A. Facts About This Preferred Provider Organization (PPO)

This Benefit Plan describes Preferred Provider Organization (PPO) coverage. Plan Participants have an extensive Provider Network available to them – Blue Cross and Blue Shield of Louisiana's Preferred Care (PCare) PPO Network (hereafter "Preferred Network"). Plan Participants can also get care from Providers who are not in this Network, but Benefits will be paid at a lower level of Benefits.

Plan Participants who get care from Providers in their Network will pay the least for their care and get the most value from this Benefit Plan.

Most Benefits are subject to the Plan Participant's payment of a Deductible as stated in the Schedule of Benefits. After payment of applicable Deductibles, Benefits are subject to two (2) Coinsurance levels (for example: 85/15, 55/45). The Plan Participant's choice of a Provider determines what Coinsurance level applies to the service provided. The Plan will pay the highest Coinsurance level for Medically Necessary services when a Plan Participant obtains care from a Preferred Network Provider. The Plan will pay the lower Coinsurance level when a Plan Participant obtains Medically Necessary services from a Provider who is not in the Preferred Network.

B. Claims Administrator's Preferred Provider Network

Plan Participants choose which Providers will render their care. This choice will determine the amount the Plan pays and the amount the Plan Participant pays for Covered Services.

The Preferred Network consists of a select group of Physicians, Hospitals and other Allied Health Professionals who have contracted with the Claims Administrator to participate in the Blue Cross and Blue Shield of Louisiana Preferred Care PPO Network and render services to the Plan Participants. These Providers are called "Preferred Providers" or Network Providers. Oral Surgery Benefits are also available when rendered by Providers in the United Concordia Dental Network (Advantage Plus) or Blue Cross and Blue Shield of Louisiana's dental network.

To obtain the highest level of Benefits available, the Plan Participant should always verify that a Provider is a current Blue Cross and Blue Shield of Louisiana Preferred Provider before the service is rendered. Plan Participants may review a current paper Provider directory, check on-line at www.bcbsla.com, or contact the Claims Administrator's customer service department at the number listed on their ID card.

A Provider's status may change from time to time. Plan Participants should always verify the Network status of a Provider before obtaining services.

A Provider may be contracted with the Claims Administrator when providing services at one location, and may be considered Out-of-Network when rendering services from another location. The Plan Participant should make sure to check his Provider directory to verify that the services are In-Network from the location where he is seeking care.

Additionally, Providers in Your network may be contracted to perform certain Covered Services, but may not be contracted in Your network to perform other Covered Services. When a Network Provider performs services that the Network Provider is not contracted with the Claims Administrator to perform (such as certain High-Tech Imaging or radiology procedures), Claims for those services will be adjudicated at the Non-Network Benefit level. The Plan Participant should make sure to check his Provider directory to verify that the services are In-Network when performed by the Provider or at the Provider's location.

C. Receiving Care Outside the Preferred Network

The Preferred Network is an extensive network and should meet the needs of most Plan Participants. However, Plan Participants choose which Providers will render their care, and Plan Participants may obtain care from Providers who are not in the Preferred Network.

The Plan pays a lower level of Benefits when a Plan Participant uses a Provider outside the Preferred Network. Benefits may be based on a lower Allowable Charge, and/or a penalty may apply. Care obtained outside the Claims Administrator's network means the Plan Participant has higher Out-of-Pocket costs and pays a higher Deductible, and/or Coinsurance percentages than if he had stayed In-Network. THESE ADDITIONAL COSTS MAY BE SIGNIFICANT. In addition, the Plan only pays a portion of those charges and it is the Plan Participant's responsibility to pay the remainder. The amount the Plan Participant is required to pay, which could be significant, does not apply to the Out-of-Pocket Maximum.

It is recommended that the Plan Participant ask Non-Network Providers to explain their billed charges, before care is received outside the Network. Prior to obtaining care outside of the Network, You should review the section titled "Sample Illustration of Plan Participant Costs When Using a Non-Participating Hospital".

D. Obtaining Emergency and Non-Emergency Care Outside Louisiana and Around the World

Plan Participants have access to Emergency and Non-Emergency care outside Louisiana and around the world. The Plan Participant's ID card offers convenient access to Covered Services through Blue Cross and Blue Shield Providers throughout the United States and in more than 200 countries worldwide.

In the United States:

Plan Participants receive In-Network Benefits when Emergency and Non-Emergency Covered Services are provided by PPO Providers in other states. If Plan Participants do not go to a PPO Provider, Out-of-Network Benefits will apply. Covered Emergency Services performed in the Emergency Department of a Hospital are paid In-Network.

Outside the United States:

Plan Participants receive In-Network Benefits when covered Emergency and Non-Emergency Services are provided by a Blue Cross Blue Shield Global® Core Provider across the world. If Plan Participants do not go to a Blue Cross Blue Shield Global® Core Provider, Out-of-Network Benefits will apply. Covered Emergency Services performed in the Emergency Department of a Hospital are paid In-Network.

1. In an Emergency, go directly to the nearest Hospital.
2. Call BlueCard® Access at 1-800-810-BLUE (2583) for information on the nearest PPO doctors and Hospitals (for care within the United States), or for information on Blue Cross Blue Shield Global® Core doctors and Hospitals (for care outside the United States). Provider information is also available at www.bcbs.com.

3. Use a designated PPO Provider or Blue Cross Blue Shield Global® Core Provider to receive the highest level of Benefits.
4. Present a Plan Participant ID card to the doctor or Hospital, who will verify coverage and file Claims for the Plan Participant.
5. The Plan Participant must obtain any required Authorizations from the Claims Administrator.

E. Authorizations

Some services and supplies require Authorization from the Claims Administrator before services are obtained. Your Schedule of Benefits lists the services, supplies, and Prescription Drugs that require this advance Authorization. See the Care Management Article of this Benefit Plan for additional information regarding Authorization requirements.

No payment will be made for Organ, Tissue and Bone Marrow Transplant Benefits or evaluations unless the Plan Authorizes these services and the services are rendered by a Blue Distinction Center for Transplants (BDCT) for the specific organ or transplant or a transplant facility in the Blue Cross and Blue Shield of Louisiana Preferred Provider Network, unless otherwise approved by the Plan in writing. To locate an approved transplant facility, Plan Participants should contact the Claims Administrator's customer service department at the number listed on their ID card.

F. How the Plan Determines What is Paid for Covered Services

1. When a Plan Participant Uses Preferred Providers

Preferred Providers are Providers who have signed contracts with the Claims Administrator or another Blue Cross and Blue Shield plan to participate in the Preferred Network. These Providers have agreed to accept the lesser of billed charges or an amount negotiated as payment in full for Covered Services provided to Plan Participants. This amount is the Preferred Provider's Allowable Charge. If the Plan Participant uses a Preferred Provider, this Allowable Charge is used to determine the Plan's payment for the Plan Participant's Medically Necessary Covered Services and the amount that the Plan Participant must pay for his Covered Services.

2. When a Plan Participant Uses Participating Providers

Participating Providers are Providers who have signed contracts with the Claims Administrator or another Blue Cross and Blue Shield plan for other than the Preferred Network. These Providers have agreed to accept the lesser of billed charges or the negotiated amount as payment in full for Covered Services provided to the Plan Participant. This amount is the Participating Provider's Allowable Charge. When a Plan Participant uses a Participating Provider, this Allowable Charge is used to determine the amount the Plan pays for Medically Necessary Covered Services and the amount the Plan Participant pays.

3. When a Plan Participant Uses Non-Participating Providers

Non-Participating Providers are Providers who have not signed any contract with the Claims Administrator or any other Blue Cross and Blue Shield plan to participate in any Blue Cross and Blue Shield Network. These Providers are not in the Claims Administrator's Networks. The Claims Administrator has no fee arrangements with them. The Claims Administrator establishes an Allowable Charge for Covered Services provided by Non-Participating Providers. The Allowable Charge will be the lesser of the following:

- a. An Amount the Claims Administrator establishes based on Medicare's published fee schedule, what Medicare pays, or what Medicare allows for the service;
- b. An Amount the Claims Administrator establishes as the Allowable Charge; or
- c. The Provider's billed charge. Plan Participants will receive a lower level of Benefit when they do not go to a Preferred Provider

The Plan Participant may pay significant costs when he uses a Non-Participating Provider. This is because the amount that some Providers charge for a Covered Service may be higher than the established Allowable Charge. Also, Preferred Network and Participating Providers waive the difference between their actual billed charge and their Allowable Charge, while Non-Participating Providers will not.

The Plan Participant has the right to file an Appeal with the Claims Administrator for consideration of a higher level of Benefits if the Plan Participant received Covered Services from a Non-Participating Provider who was the only Provider available to deliver the Covered Service within a seventy-five (75) mile radius of the Plan Participant's home. To file an Appeal, the Plan Participant must follow the Appeal procedures set forth in this Benefit Plan.

G. Sample Illustration of Plan Participant Costs When Using a Non-Participating Hospital

NOTE: The following example is for illustration purposes only and may not be a true reflection of the Plan Participant's actual Deductible and Coinsurance amounts. Please refer to the Schedule of Benefits to determine Benefits.

EXAMPLE: A Plan Participant has a PPO plan with a \$750 Deductible Amount. The Plan Participant has 85/15 Coinsurance when he receives Covered Services from Hospitals in the Preferred Network and 55/45 Coinsurance when he receives Covered Services from Hospitals that are not in the Preferred Network. Assume the Plan Participant goes to the Hospital, has previously met his Deductible, and has obtained the necessary Authorizations prior to receiving a non-emergency service. The Provider's billed charge for the Covered Services is \$12,000. The Claims Administrator negotiated an Allowable Charge of \$2,500 with its Preferred Network Hospitals to render this service. There is no negotiated rate with the Non-Participating Hospital.

The Plan Participant receives Covered Services from:	Preferred Network Provider Hospital	Non-Participating Provider Hospital
Provider's Bill:	\$12,000	\$12,000
Allowable Charge:	\$2,500	\$2,500
The Plan pays:	\$2,125 \$2,500 Allowable Charge x 85% Coinsurance = \$2,000	\$1,375 \$2,500 Allowable Charge x 55% Coinsurance = \$1,500
Plan Participant pays:	\$375 15% Coinsurance x \$2500 Allowable Charge = \$500	\$1,125 \$2,500 Allowable Charge x 45% Coinsurance = \$1000
Is Plan Participant billed up to the Provider's billed charge?	NO	YES - \$9,500 for a total of:
Total Plan Participant Pays	\$500	\$10,625

H. When a Plan Participant Purchases Covered Prescription Drugs

Some pharmacies have contracted with the Claims Administrator or with its Pharmacy Benefit Manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense. These pharmacies are "Participating Pharmacies." The Allowable Charge for covered Prescription Drugs purchased from Participating Pharmacies is the negotiated amount and it is used to base the Plan's payment for a Plan Participant's covered Prescription Drugs and the amount that the Plan Participant must pay for his covered Prescription Drugs.

When a Plan Participant purchases covered Prescription Drugs from a pharmacy that has not contracted with the Claims Administrator or with its Pharmacy Benefit Manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense, the Allowable Charge is the negotiated amount that most Participating Pharmacies have agreed to accept as payment for drugs dispensed.

To obtain contact information for the contracted specialty pharmacy, the Plan Participant should contact the Claims Administrator or the Claims Administrator's Pharmacy Benefit Manager at the telephone number indicated on His ID card.

I. When a Plan Participant Receives Mental Health or Substance Use Disorder Benefits

The Claims Administrator has contracted with an outside company to perform certain administrative services related to Mental Health and substance use disorder Benefits for Plan Participants. For help with these Benefits, the Plan Participant should refer to his Schedule of Benefits, his ID card, or call the Claims Administrator's customer service department.

J. Assignment of Benefits

A Plan Participant's rights and Benefits under this Plan are personal to him and may not be assigned in whole or in part by the Plan Participant. The Claims Administrator will recognize assignments of Benefits to Hospitals if both this Plan and the Provider are subject to La. R.S. 40:2010. If both this Plan and the Provider are not subject to La. R.S. 40:2010, the Claims Administrator will not recognize assignments or attempted assignments of Benefits. Nothing contained in the written description of health coverage shall be construed to make the Plan or the Claims Administrator liable to any third party to whom a Plan Participant may be liable to for the cost of medical care, treatment, or services.

The Plan reserves the right to pay Preferred Network and Participating Providers directly instead of paying the Plan Participant.

K. Plan Participant Incentives and Value-Added Services

The Claims Administrator may offer coupons, discounts, and incentives for Plan Participants to enroll in programs, such as pharmacy programs, disease management programs, and wellness programs and activities. The Claims Administrator may offer Plan Participants discounts or financial incentives to use certain Providers for selected Covered Services. The Claims Administrator may also offer Plan Participants the opportunity to enroll in health and non-health related programs, as value-added services, to enhance the Plan Participant's experience. These incentives and value-added services are not Benefits and do not alter or affect the Plan Participant's Benefits. They may be offered by the Claims Administrator, affiliated companies, and selected vendors. Plan Participants are always free to reject the opportunities for incentives and value-added services. The Claims Administrator reserves the right to add or remove any and all coupons, discounts, incentives, programs, and value-added services at any time and without notice.

L. Health Management and Wellness Tools and Resources

The Claims Administrator offers Plan Participants a wide range of health management and wellness tools and resources. Plan Participants can use these tools to manage their personal accounts, see claims history, create health records and access a host of online wellness interactive tools. Plan Participants also have access to a comprehensive wellness program that includes a personal health assessment and customized health report to assess health risks based on his history and habits. Exclusive discounts are also available to

Plan Participants on some health services such as fitness club memberships, diet and weight control programs, vision and hearing care and more.

M. Customer Service E-Mail Address

The Claims Administrator has consolidated its customer service e-mails into a single, easy-to-read address: help@bcbsla.com. Plan Participants who need to contact the Claims Administrator may find all of their options online, including phone, fax, e-mail, postal mail and walk-in customer service. - b. Spouse

If a covered Spouse is eligible for coverage as an Employee and chooses at a later date to be covered separately, that person will be a covered Employee effective the first day of the month after the election of separate coverage. The change in coverage will not increase Benefits.

- c. Re-enrollment; Previous Employment

Full-time Employees returning to full-time or part-time status with less than thirteen (13) weeks (less than twenty-six (26) weeks for educational institutions) since separation or termination may resume coverage if application is made within thirty (30) days following return to work. Coverage will resume on the first of the month following return to work. If an Employee acquires an additional Dependent during the termination period, that Dependent may be covered if added within thirty (30) days of re-employment.

An Employee whose employment terminated while covered and is reemployed within twelve (12) months of the effective date of termination date, will be eligible for the classification of coverage (Employee, Employee and Child(ren), Employee and Spouse, Family) in force on the termination date or any other eligible coverage class. Application is required to be made within thirty (30) days of the HIPAA Special Enrollment Event or change in status unless otherwise specified in this Plan document or unless a longer application period is required by federal or state law. When a Dependent is added to or deleted from coverage during a designated enrollment period, application is required to be made as directed by the Plan Administrator for the designated enrollment period.

2. Change in Coverage

- a. When the addition of a Dependent as a result of a HIPAA Special Enrollment Event results in a change in classification, the change in classification will be effective on the date of the HIPAA Special Enrollment Event.
- b. When the addition of a Dependent changes the class of coverage, the additional premium will be charged for the entire month if the date of change occurs before the fifteenth (15th) day of the month. If the date of change occurs on or after the fifteenth (15th) day of the month, an additional premium will not be charged until the first day of the following month.

3. Notification of Change

It is the Plan Participant's responsibility to notify the Plan Administrator of any additions or deletions of a Dependent. If failure to notify is later determined, it will be corrected on the first (1st) day of the following month. **All premium collected will not be refunded.**

E. Effective Date of Coverage

1. New Employee, Transferring Employee and FTE

Coverage for an Employee who completes the applicable enrollment form and agrees to make the required Employee contribution is effective as follows:

ARTICLE IV.

BENEFITS

ANY BENEFIT LISTED IN THIS BENEFIT PLAN, WHICH IS NOT MANDATED BY STATE OR FEDERAL LAW, MAY BE DELETED OR REVISED ON THE SCHEDULE OF BENEFITS.

A. Benefit Categories

1. Network Benefits (In-Network) – Benefits for Covered Services received from a Preferred Care Provider. When a Plan Participant receives care from a Network Provider, he will receive the highest level of Benefits on this Plan.
2. Non-Network Benefits (Out-of-Network) – Benefits for Covered Services received from a Provider who is not contracted with the Claims Administrator as a Preferred Care Provider. Participating Providers and Non-Participating Providers are not contracted with Our Preferred Care PPO Network. When a Plan Participant receives care from a Non-Network Provider, he will receive a lower level of Benefits on this Plan.

B. Deductibles and Coinsurance

1. Subject to the Deductible Amounts shown in the Schedule of Benefits, the maximum limitations hereinafter provided, and other terms and provisions of this Benefit Plan, the Plan will provide Benefits in accordance with the Coinsurance percentage shown in the Schedule of Benefits toward Allowable Charges incurred for Covered Services by a Plan Participant during a Benefit Period. The following deductibles may apply to Benefits provided by this Plan. Deductibles will accrue to the Out-of-Pocket Amount.
 - a. Individual Deductible Amount: The dollar amount, as shown in the Schedule of Benefits, of charges for Covered Services that the Plan Participant must pay within a Benefit Period before the Plan starts paying Benefits. A separate Deductible Amount may apply to certain Covered Services if shown as applicable in the Schedule of Benefits.
 - b. Family Deductible: For Plan Participants in a class of coverage with more than one Plan Participant, no more than the amount shown in the Schedule of Benefits is required to satisfy the Benefit Period Deductible Amount. Once a family has met its Family Deductible Amount, this Benefit Plan starts paying Benefits for all Plan Participants of the family, regardless of whether each family Plan Participant has met the Individual Deductible. No Plan Participant may contribute more than the Individual Deductible Amount to satisfy the aggregate amount required of a family. Family Deductibles may apply to other types of Deductibles described in this Benefit Plan. Only Individual Deductible Amounts accrue to the Family Deductible Amount.
 - c. Prescription Drug Deductible Amount: The dollar amount, as shown in the Schedule of Benefits, which each Plan Participant must pay within a Benefit Period prior to paying any applicable Prescription Drug Copayment.
2. The Coinsurance percentage is shown on the Schedule of Benefits for a Covered Service. The Plan Participant must first pay any applicable Deductible Amount before the Coinsurance percentage. After any applicable Deductible Amount has been met, and subject to the maximum limitations and other terms and provisions of this Benefit Plan, the Plan will provide Benefits in the Coinsurance percentages shown in the Schedule of Benefits toward Allowable Charges for Covered Services. The actual payment to a Provider or payment to the Plan Participant satisfies the Plan Sponsor's obligation to provide Benefits under this Benefit Plan.
3. This Benefit Plan does not provide a fourth-quarter Deductible carryover for charges incurred for Covered Services incurred during the months of October, November and December.
4. The Claims Administrator will apply the Plan Participant's Claims to the Deductible Amount in the order in which Claims are received and processed. It is possible that one Provider may collect the Deductible Amount from the Plan Participant, then when the Plan Participant receives Covered Services from another Provider, that Provider also collects the Plan Participant's Deductible Amount. This generally

occurs when the Plan Participant's Claims have not been received and processed by the Claims Administrator. The Claims Administrator's system will only show the Deductible Amount of Claims that have been processed. Therefore, the Plan Participant may need to pay toward the Deductible Amount until his Claims are submitted and processed, showing that the Deductible Amount has been met. If the Plan Participant overpays his Deductible Amount, he is entitled to receive a refund from the Provider in which the overpayment was made.

5. Under certain circumstances, if the Plan pays the healthcare provider amounts that are the Plan Participant's responsibility such as Deductibles, Copayments or Coinsurance, the Plan may collect such amounts directly from You.

C. Copayment Services

The Plan Participant must pay a Copayment each time applicable Covered Services are rendered, until the Plan Participant meets his Out-of-Pocket Amount. Copayments apply to Network Providers only, as shown on the Schedule of Benefits.

1. The office visit Copayment means Outpatient services when rendered in the office or clinic of a Preferred Provider who is a Physician, Osteopath or other Network Provider shown in the Schedule of Benefits.

Examples of Covered Services subject to Copayments:

- a. office visit charges;
 - b. consultation; and/or

2. Copayment services do not include the following services and/or supplies. The following services and/or supplies are subject to the Deductible Amount and applicable Coinsurance percentage shown in the Schedule of Benefits:
 - a. allergy testing;
 - b. allergy injections;
 - c. Physical Therapy;
 - d. Prescription Drugs administered in a Provider's office; and/or
 - e. medical and surgical supplies.

1. After the Plan Participant has met the Out-of-Pocket Amount, as shown in the Schedule of Benefits, the Plan will pay one hundred percent (100%) of the Allowable Charges for Covered Services for all covered family members for the remainder of the Benefit Period.
2. The following accrues to the Out-of-Pocket Amount of this Benefit Plan:
 - a. Deductible Amounts;
 - b. Coinsurance; and
 - c. Copayments.
3. The following do not accrue to the Out-of-Pocket Amount of this Benefit Plan:

- a. any charges in excess of the Allowable Charge;
- b. any penalties the Plan Participant or Provider must pay;
- c. charges for non-Covered services; and
- d. any other amounts paid by the Plan Participant other than Deductibles, Coinsurance and Copayments.

The pre-operative and post-operative period is defined and determined by the Plan and is that period of time which is appropriate as routine care for the particular surgical procedure.

The secondary procedure(s) is a procedure(s) performed in addition to the primary procedure, which adds significant time, risk, or complexity to the Surgery. The Allowable Charge for the secondary procedure will be based on a percentage of the Allowable Charge that would be applied had the secondary procedure been the primary procedure.

- (1) Mutually exclusive procedures are two (2) or more procedures that are usually not performed at the same operative session on the same patient on the same date of service. Mutually exclusive rules may also include different procedure code descriptions for the same type of procedures in which the Physician should be submitting only one (1) of the codes. Mutually exclusive procedures are two (2) or more procedures that by medical practice standards should not be performed on the same patient, on the same day of service, for which separate billings are made.
- (2) The Allowable Charge includes all procedures performed at the same surgical setting. Procedure(s), which are not considered Medically Necessary, will not be covered.

3. Assistant Surgeon

An assistant surgeon is a Physician licensed physician assistant, certified registered nurse first assistant (CRNFA), registered nurse first assistant (RNFA) or certified nurse practitioner. Coverage for an assistant surgeon is provided only if the use of an assistant surgeon is required with reference to nationally established guidelines. The Allowable Charge for the assistant surgeon is based on a percentage of the fee paid to the primary surgeon.

4. Anesthesia

- a. General anesthesia services are covered when requested by the operating Physician and performed by a certified registered nurse anesthetist (CRNA) or Physician, other than the operating Physician or the assistant surgeon, for covered surgical services. Coverage is also provided for other forms of anesthesia services as defined by the Plan and approved by the Claims Administrator. Medical direction or supervision of anesthesia administration includes pre-operative, operative and post-operative anesthesia administration care.
- b. Anesthetic or sedation procedures performed by the operating Physician, his assistant surgeon, or an advanced practice registered nurse will be covered as a part of the surgical or diagnostic procedure unless the Claims Administrator determines otherwise.
- c. Benefits for anesthesia will be determined by applying the Coinsurance to the Allowable Charge based on the primary surgical procedure performed. Benefits are available for the anesthesiologist or CRNA who performs the service. When an anesthesiologist medically directs or supervises the CRNA, payment may be divided between the medical direction or supervision and administration of anesthesia, when billed separately.

5. Second Surgical Opinion

Benefits will be provided for Consultation and directly related Diagnostic Services to confirm the need for elective Surgery. The second or third opinion consultant must not be the Physician who first recommended elective Surgery. A second or third opinion is not mandatory in order to receive Benefits.

B. Inpatient Medical Services

Subject to provisions in the sections for Surgery and Pregnancy Care, Inpatient Medical Services include:

1. Inpatient medical care visits;
2. Concurrent Care; and
3. Consultation (as defined in this Benefit Plan).

C. Outpatient Medical Services and Surgical Services

1. Home, office, and other Outpatient visits for examination, diagnosis, and treatment of an illness or injury. Benefits for Outpatient medical services do not include separate payments for routine pre-operative and post-operative medical visits for Surgery or Pregnancy Care.
2. Consultation (as defined in this Benefit Plan);
3. Diagnostic Services;
4. Services of an Ambulatory Surgical Center; and
5. Services of an Urgent Care Center.

D. Expanded Medical and Surgical Benefits

The Plan may provide coverage to Plan Participants above and beyond the Benefits stated in this Benefit Plan when, in Plan Sponsor's discretion, it determines that a disaster, state of emergency or other event may disrupt or seriously threaten to disrupt healthcare or other services provided for under this Benefit Plan.

ARTICLE VII. PRESCRIPTION DRUG BENEFITS

- A. Coverage is available for Prescription Drugs as shown in the Schedule of Benefits. The Prescription Drugs must be dispensed on or after the Plan Participant's Effective Date by a licensed pharmacist or a pharmacy technician under the direction of a licensed pharmacist, upon the prescription of a Physician or an Allied Health Professional who is licensed to prescribe drugs. Benefits are based on the Allowable Charge and only those Prescription Drugs that the Claims Administrator determines are Medically Necessary will be covered. Certain Prescription Drugs may be subject to Step Therapy or require prior Authorization as shown in the Schedule of Benefits.
- B. Some pharmacies have contracted with the Claims Administrator or with the Claims Administrator's pharmacy Benefit manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense. These pharmacies are "Participating Pharmacies." Benefits are based on the Allowable Charge as determined by the Claims Administrator. The Allowable Charge for covered Prescription Drugs purchased from Participating Pharmacies is the negotiated amount and it is used to base the Plan's payment for the Plan Participant's covered Prescription Drugs.

To obtain contact information for the contracted specialty pharmacy, the Plan Participant should contact the Claims Administrator or the Claims Administrator's Pharmacy Benefit Manager at the telephone number indicated on His ID card.

- C. The Plan Participant should present his ID card to the pharmacist when purchasing covered Prescription Drugs at a Participating Pharmacy. The Prescription Drug Deductible, as shown on the Schedule of Benefits, must be satisfied before any Copayment will apply. If the Plan Participant has not met his Prescription Drug Deductible, the Participating Pharmacy may collect one hundred percent (100%) of the discounted costs of the drug at the point of sale. If the Plan Participant has met his Prescription Drug Deductible, he will pay the Copayment amount shown on the Schedule of Benefits. The Participating Pharmacy will electronically submit the claim for the Plan Participant.
- D. Prescription Drug Formulary

This Benefit Plan uses a closed Prescription Drug Formulary. A Prescription Drug Formulary is a list of Prescription Drugs covered under this Benefit Plan. Within the Prescription Drug Formulary, drugs are placed on different tiers which represent varying cost share amounts. In general, Prescription Drugs on lower tiers will cost the Plan Participant less than drugs on higher tiers. For covered drugs that are listed on the formulary, the Claims Administrator's Drug Utilization Management Program, more fully described in the section below, may apply.

Information about the formulary is available to Plan Participants in several ways. Most Plan Participants receive information by accessing the pharmacy section of the Claims Administrator's website, www.bcbsla.com/pharmacy or request a copy by mail by calling the pharmacy Benefit manager at the telephone number indicated on the Plan Participant's ID card.

Plan Participants may also contact the Claims Administrator at the telephone number on their ID card to ask whether a specific drug is included in the formulary. If a Prescription Drug is on the Prescription Drug Formulary, this does not guarantee that the Plan Participant's prescribing healthcare Provider will prescribe the drug for a particular medical condition or Mental Illness.

A closed formulary means that selected Brand-Name Drugs, Generic Drugs, and Specialty Drugs when listed on the formulary are covered. Drugs that are not listed on the closed formulary, also called non-formulary drugs, are not covered.

For Prescription Drugs that are not included in the Prescription Drug Formulary, there is a drug review process. This process allows the Plan Participant's prescribing healthcare Provider to ask for a drug review from the Claims Administrator. This request must be based on Medical Necessity. If the request is approved, the Plan Participant will receive coverage for the drug that is not on the Prescription Drug Formulary. If the drug review request is not approved, the Plan Participant may file an internal or external drug review request to the Claims Administrator.

1. The Prescription Drug Deductible, as shown on the Schedule of Benefits, must be satisfied before any Copayment will apply. The Plan Participant may be required to pay a different Copayment for drugs on different tiers. The Plan Participant may be required to pay a different Copayment depending on whether the Plan Participant's Prescription Drugs are purchased at retail or through the mail. Prescription Drugs may be subject to quantity limitations.
 2. The Prescription Drug Copayment is based on the following tier classifications shown in the Schedule of Benefits. Tier placement is based on Our evaluation of a particular medication's clinical efficacy, safety, cost, and pharmacoeconomic factors. The Plan Participant may call customer service or go to www.bcbsla.com/pharmacy to identify the tier classification of Prescription Drugs.
 - a. Tier 1 – Value Drug: primarily Generic Drugs, although some Brand-Name Drugs may fall into this category.
 - b. Tier 2 – Brand Name Drugs
 - c. Tier 3 – Primarily Brand-Name Drugs that may have a therapeutic alternative that is in Tier 1 or Tier 2, although some Generic Drugs may fall into this category.
 - d. Tier 4 – Specialty Drug: High-cost Brand-Name Drugs or Generic Drugs that are identified as Specialty Drugs.
- E. The Claims Administrator's Prescription Drug Utilization Management Program features a set of closely aligned programs that are designed to promote Plan Participant safety, appropriate and cost effective use of medications, and monitor health care quality. Examples of these programs include:
1. Prior Authorization – As part of the Prescription Drug Utilization Management program, Plan Participants and/or Physicians must request and receive prior Authorization for certain Prescription Drugs and supplies in order to access Prescription Drug Benefits. The Schedule of Benefits contains a list of categories of Prescription Drugs that require prior Authorization. However, this list may change from time to time. The list of categories of Prescription Drugs that require prior Authorization is available for viewing at www.bcbsla.com/pharmacy or by calling the customer service telephone number on the Plan Participant's ID card. If the Prescription Drug requires prior Authorization, the Plan Participant's Physician must call the medical Authorization telephone number on the Plan Participant's ID card to obtain the Authorization. Failure to obtain an Authorization may result in Benefits being denied if the Prescription Drug is later determined not to be Medically Necessary.

2. Safety checks – Before the Plan Participant’s prescription is filled, the Claims Administrator’s pharmacy benefit manager or the Claims Administrator performs quality and safety checks for usage precautions, drug duplication, and frequency of refills (e.g. refill prior to seventy-five (75%) day supply used).
3. Quantity Per Dispensing Limits/Allowances – Prescription Drugs selected by the Claims Administrator are subject to quantity limits per day supply, per dispensing event, or any combination thereof. Quantity per Dispensing Limits/Allowances are based on the following:
 - (a) the manufacturer’s recommended dosage and duration of therapy;
 - (b) common usage for episodic or intermittent treatment;
 - (c) FDA-approved recommendations and/or clinical studies; or
 - (d) as determined by the Plan.
4. Step Therapy – Certain drugs and/or drug classes are subject to Step Therapy. In some cases, the Plan Participant may be required to first try one or more Prescription Drugs to treat a medical condition before the Plan will cover another Prescription Drug for that condition. For example, if Drug A and Drug B both treat the Plan Participant’s medical condition, the Plan Participant’s Physician may be required to prescribe Drug A first. If Drug A does not work for the Plan Participant, then the Plan will cover a prescription written for Drug B. However, if the Plan Participant’s physician’s request for a Step B drug does not meet the necessary criteria to start a Step B drug without first trying a Step A drug, or if the Plan Participant chooses a Step B Drug included in the Step Therapy program without first trying a Step A alternative, he will be responsible for the full cost of the drug.

F. Necessary insulin syringes and test strips are covered under the Prescription Drug Benefit.

G. When a Plan Participant purchases covered Prescription Drugs from a pharmacy that has not contracted with the Claims Administrator or with the Claims Administrator’s pharmacy Benefit manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that it dispenses, the Allowable Charge is the negotiated amount that Participating Pharmacies have agreed to accept for drugs dispensed.

Prescription Drugs purchased outside of the United States must be the equivalent to drugs that by Federal law of the United States require a prescription. For covered Prescription Drugs and supplies purchased outside of the United States, the Plan Participant should submit Claims on the Claims Administrator’s Prescription Drug claim form. For information on how to file Claims for foreign Prescription Drug purchases, the Plan Participant should contact the Claims Administrator or the Claims Administrator’s pharmacy benefit manager at the telephone number indicated on his ID card.

H. As part of the Claims Administrator’s administration of Prescription Drug Benefits, the Claims Administrator may disclose information about the Plan Participant’s Prescription Drug utilization, including the names of the Plan Participant’s prescribing Physicians, to any treating Physicians or dispensing pharmacies.

The Plan shall receive one hundred percent (100%) of savings realized by the Claims Administrator under their cost containment programs that are attributable to Claims under the Plan, through billing of actual payments for Claims made under these programs.

Our Authorization is required for the evaluation of a Plan Participant's suitability for all solid organ and bone marrow transplants and procedures. For the purposes of coverage under the Plan, all autologous procedures are considered transplants.

Solid organ and bone marrow transplants will not be covered unless the Plan Participant obtains written Authorization from the Claims Administrator prior to services being rendered. The Plan Participant or his Provider must advise the Claims Administrator of the proposed transplant procedure prior to Admission and a written request for Authorization must be filed with the Claims Administrator. The Plan must be provided with adequate information so that the Claims Administrator may verify coverage, determine that Medical Necessity is documented, and approve of the Hospital at which the transplant procedure will occur. The Claims Administrator will forward written Authorization to the Plan Participant and to the Provider(s).

A. Acquisition Expenses

If an organ, tissue or bone marrow is obtained from a living donor for a covered transplant, the donor's medical expenses are covered as acquisition costs for the recipient under this Plan.

ARTICLE XIII. PREGNANCY CARE AND NEWBORN CARE BENEFITS

The Claims Administrator has several maternity programs available to help pregnant Plan Participants deliver healthy babies. Please call Our customer service department at the number on the back of Your ID card when You learn You are having a baby. We will advise about the programs available to You.

Benefits are available for Pregnancy Care furnished by a Hospital, Physician, or Allied Health Provider to a patient covered as an Employee or Dependent wife of an Employee whose coverage is in effect at the time such services are furnished in connection with her pregnancy.

An Authorization is required for a Hospital stay in connection with Childbirth for the covered mother or covered well newborn Child only if the mother's length of stay exceeds forty-eight (48) hours following a vaginal delivery or ninety-six (96) hours following a cesarean section. An Authorization is required if a newborn's stay exceeds that of the mother. An Authorization is also required for a newborn that is admitted separately because of neonatal complications.

A. Pregnancy Care:

1. Medical and Surgical Services.
 - a. Initial office visit and visits during the term of the pregnancy.
 - b. Diagnostic Services.
 - c. Delivery, including necessary pre-natal and post-natal care.
 - d. Medically Necessary abortions required to save the life of the mother.
2. Hospital services required in connection with pregnancy and Medically Necessary abortions as described above. The Hospital (nursery) charge for well-baby care is included in the mother's Benefits for the covered portion of her Admission for Pregnancy Care.
3. Elective deliveries prior to the thirty-ninth (39th) week of gestation will be denied as not Medically necessary unless shown to be Medically Necessary. Facility and other charges associated with an elective early delivery that is not Medically Necessary are also considered to be non-covered.

B. Care for a Newborn When Covered at Birth as a Dependent:

1. Medical and surgical services rendered by a Physician, for treatment of illness, pre-maturity, post-maturity, or congenital condition of a newborn and circumcision. Services of a Physician for Inpatient Well Baby Care immediately following delivery until discharge are covered under the Network Benefit category only.
2. Hospital Services, including services related to circumcision during the newborn's post-delivery stay and treatment of illness, pre-maturity, post-maturity, or congenital condition of a newborn. Charges for a well newborn, which are billed separately from the mother's Hospital bill, are not covered. The Hospital (nursery) charge for a well newborn is included in the mother's Hospital bill for the covered portion of her Admission for Pregnancy Care.

C. Statement of Rights Under the Newborns' and Mothers' Health Protection Act

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with Childbirth for the mother or newborn Child to less than forty-eight (48) hours following a vaginal delivery, or less than ninety-six (96) hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., Your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of Benefits or Out-Of-Pocket costs so that any later portion of the forty-eight (48) hours or ninety-six (96) hours stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a Physician or other healthcare Provider obtain Authorization for prescribing a length of stay of up to forty-eight (48) hours or ninety-six (96) hours. However, to use certain Providers or facilities, or to reduce Your Out-of-Pocket costs, You may be required to obtain Authorization. For information on Authorization, contact the Claims Administrator.

The Claims Administrator will approve the use of a Non-Network Provider only if the Claims Administrator determines that the services cannot be provided by a Network Provider within a seventy-five (75) mile radius of the Plan Participant's home.
- b. The Claims Administrator must approve the use of the Non-Network Provider and issue any required Authorization before services are rendered. If the Claims Administrator does not approve use of the Non-Network Provider and issue an Authorization prior to services being rendered, Covered Services that are later determined to be Medically Necessary will be paid at the lower Non-Network Level as shown on the Schedule of Benefits.
- c. If the Claims Administrator does approve the use of a Non-Network Provider that Provider may or may not accept the Plan Participant's Deductible at the time services are rendered. The Plan will pay Benefits up to the Allowable Charge for Covered Services rendered by an approved Non-Network Provider who has obtained any required Authorizations prior to services being rendered. The Claims Administrator will deduct from payment the amount of the Plan Participant's Deductible and Coinsurance percentage, whether or not the Deductible and Coinsurance amounts are accepted by the Non-Network Provider.

An Authorization of Medical Necessity is not an approval of the use of a Non-Network Provider. These are two separate functions.

2. Penalties for Failure to Obtain Authorization – Admissions, Outpatient Services, Other Covered Services

If Authorization is not requested prior to Admission or receiving Outpatient services requiring an Authorization, the Plan will have the right to determine if the Admission or Outpatient services were

Medically Necessary. If determined not Medically Necessary, the Admission or Outpatient services and supplies will not be covered and the Plan Participant must pay all charges incurred.

If the Admission or Outpatient services were Medically Necessary, Benefits will be provided based on the participating status of the Provider rendering the services, as follows :

The Plan Participant remains responsible for any applicable Copayment or Deductible Amount and Coinsurance percentage shown in the Schedule of Benefits.
- (2) If a Non-Network Provider fails to obtain a required Authorization, the Claims Administrator will reduce the Allowable Charges by the amount shown in the Schedule of Benefits. This penalty applies to all covered Inpatient charges. The Plan Participant is responsible for all charges not covered and for the penalty amount.

- (4) If the Admission was not Medically Necessary, the Admission will not be covered and the Plan Participant must pay all charges incurred during the Admission.

b. Outpatient Services, Other Covered Services and Supplies

- (1) If a Network Provider fails to obtain a required Authorization, We may reduce the Allowable Charge by the amount shown in the Schedule of Benefits. This penalty applies to all services and supplies requiring an Authorization, other than Inpatient charges. The Network Provider is responsible for the penalty amount and all charges not covered.
- (2) If a Non-Network Provider fails to obtain a required Authorization, the Plan will reduce Allowable Charges by the amount shown in the Schedule of Benefits. This penalty applies to all services and supplies requiring an Authorization, other than Inpatient charges. The Plan Participant is responsible for all charges not covered and for the penalty amount.
- (3) The Plan Participant remains responsible for any applicable Copayment amount, or any applicable Deductible amount and Coinsurance percentage.
- (4) If a service or supply was not Medically Necessary, the service or supply is not covered.

3. Authorization of Admissions

a. Authorization of Elective Admissions

The Plan Participant is responsible for ensuring that his Provider notifies the Claims Administrator's Care Management Department of any Elective or non-emergency Inpatient Hospital Admission. The Claims Administrator must be notified (by calling the telephone number shown in the Schedule of Benefits or the Plan Participant's ID card) prior to the Admission regarding the nature and purpose of any Elective Admission or non-emergency Admission to a Hospital's Inpatient department. The most appropriate setting for the elective service and the appropriate length of stay will be determined by the Claims Administrator when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If a request for Authorization is denied by the Claims Administrator for an Admission to any facility, the Admission is not covered and the Plan Participant must pay all charges incurred during the Admission for which Authorization was denied.
- (2) If Authorization is not requested prior to an Admission, the Plan will have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the participating status of the Provider.
- (3) Additional amounts for which the Plan Participant is responsible because Authorization of an Elective or non-emergency Inpatient Hospital Admission was denied or not requested are considered non-covered and will not apply toward satisfying the Out-of-Pocket Amount.

b. Authorization of Emergency Admissions

It is the Plan Participant's responsibility to ensure that his Physician or Hospital, or a representative thereof, notifies the Claims Administrator's Care Management Department of all Emergency Inpatient Hospital Admissions to guarantee coverage. Within forty-eight (48) hours of the Emergency Admission, the Claims Administrator must be notified (by calling the telephone number shown in the Schedule of Benefits or the Plan Participant's ID card) regarding the nature and purpose of the Emergency Admission. The Claims Administrator may waive or extend this time limitation if it determines that the Plan Participant is unable to timely notify or direct his representative to notify the Claims Administrator of the Emergency Admission. In the event that the end of the notification period falls on a holiday or weekend the Claims Administrator must be notified on its next working day. The appropriate length of stay for the Emergency Admission will be determined by the Claims Administrator when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If Authorization is denied by the Claims Administrator for an Admission to any facility, the Admission will not be covered and the Plan Participant must pay all charges incurred for Hospital services during the Admission for which Authorization was denied.
- (2) If Authorization is not requested, the Plan will have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the participating status of the Provider.
- (3) Additional amounts for which the Plan Participant is responsible because Authorization of an Emergency Admission was denied or not requested are considered non-covered and will not apply toward satisfying the Out-of-Pocket Amount.

c. Concurrent Review

When the Claims Administrator Authorizes a Plan Participant's Inpatient stay, the Claims Administrator will Authorize his stay in the Hospital for a certain number of days. If the Plan Participant has not been discharged on or before the last Authorized day, and the Plan Participant needs additional days to be Authorized, the Plan Participant must make sure his Physician or Hospital contacts the Claims Administrator's Care Management Department to request Concurrent Review for Authorization of additional days. This request for continued hospitalization must be made on or before the Plan Participant's last Authorized day so the Claims Administrator can review and respond to the request that day. If the Claims Administrator Authorized the request, the Claims Administrator will again Authorize a certain number of days, repeating this procedure until the Plan Participant is either discharged or the Plan Participant's continued stay request is denied.

- (1) If the Claims Administrator does not receive a request for Authorization for continued stay on or before the Plan Participant's last Authorized day, no days are approved past the last Authorized day, and no additional Benefits will be paid unless the Claims Administrator receives and Authorizes another request. If at any point in this Concurrent Review procedure a request for Authorization for continued stay is received and the Claims Administrator determines that it is not Medically Necessary for the Plan Participant to receive continued hospitalization or hospitalization at the level of care requested, the Claims Administrator will

notify the Plan Participant and his Providers, in writing, that the request is denied and no additional days are Authorized.

(2) If the Claims Administrator denies a Concurrent Review request or level of care request for Hospital Services, the Claims Administrator will notify the Plan Participant, his Physician and the Hospital of the denial. If the Plan Participant elects to remain in the Hospital as an inpatient thereafter, or at the same level of care, the Plan Participant will not be responsible for any charges unless he is notified of his financial responsibility by the Physician or Hospital in advance of incurring additional charges.

(3) Charges for non-authorized days in the Hospital that the Plan Participant must pay will not apply toward satisfying the Out-of-Pocket Amount.

4. Authorization of Outpatient Services, Including Other Covered Services and Supplies

Certain services, supplies, and Prescription Drugs require the Claims Administrator's Authorization before a Plan Participant receives the services, supplies, or Prescription Drugs. The Authorizations list is shown in the Plan Participant's Schedule of Benefits. The Plan Participant is responsible for making sure his Provider obtains all required Authorizations for him before he receives the services, supplies, or Prescription Drugs. The Claims Administrator may need the Plan Participant's Provider to submit medical or clinical information about the Plan Participant's condition. To obtain Authorizations, the Plan Participant's Provider should contact the Claims Administrator's Care Management Department at the telephone number shown on the Plan Participant's ID card.

B. Disease Management

1. Qualification

The Plan Participant may qualify for Disease Management programs, at the Plan's discretion, based on various criteria, including a diagnosis of chronic illness, severity, and proposed or rendered treatment. The program seeks to identify candidates as early as possible. Self-management techniques are reinforced and a personal nurse is assigned. The Plan Participant, Physicians and caregivers may be included in all phases of the disease management program. The disease management nurse may also refer Plan Participants to community resources for further support and management.

2. Disease Management Benefits

Our Disease Management programs are committed to improving the quality of care for Plan Participants as well as decreasing healthcare costs in populations with a chronic disease. The nurse works with Plan Participants to help them learn the self-care techniques they will need in order to manage their chronic disease, establish realistic goals for life style modification, and improve adherence to their Physician prescribed treatment plan. Blue Cross and Blue Shield of Louisiana is dedicated to supporting the Physician's efforts in improving the health status and well-being of the Plan Participant.

C. Case Management

1. The Plan Participant may qualify for Case Management services based on various criteria, including diagnosis, severity, length of illness, and proposed or rendered treatment. The program seeks to identify candidates as early as possible and to work with patients, their Physicians and families, and other community resources to assess treatment alternatives and available Benefits.
2. The role of Case Management is to service the Plan Participant by assessing, facilitating, planning and advocating for health needs on an individual basis. The client population who benefits from Case Management is broad and consists of several groups, including those in an acute phase of illness or those with a chronic condition.
3. The Claims Administrator's determination that a particular Plan Participant's medical condition renders the Plan Participant a suitable candidate for Case Management services will not obligate the Claims Administrator to make the same or similar determination for any other Plan Participant. The provision of Case Management services to one Plan Participant will not entitle any other Plan Participant to Case Management services or be construed as a waiver of the Claims Administrator's right, to administer and enforce this Benefit Plan in accordance with its express terms.
4. Unless expressly agreed upon by the Claims Administrator, all terms and conditions of this Benefit Plan, including, but not limited to, maximum Benefit limitations and all other limitations and exclusions, will be and shall remain in full force and effect if a Plan Participant is receiving Case Management services.

The program seeks to identify candidates as early as possible and to work with patients, their Physicians and families, and other community resources to assess treatment alternatives and available Benefits when it is determined to be beneficial to the Plan Participant and to the Group.
2. The Claims Administrator's determination that a particular Plan Participant's medical condition renders the Plan Participant a suitable candidate for Alternative Benefits will not obligate the Claims Administrator to make the same or similar determination for any other Plan Participant; nor will the provision of Alternative Benefits to a Plan Participant entitle any other Plan Participant to Alternative Benefits or be construed as a waiver of the Claims Administrator's right, to administer and enforce this Benefit Plan in accordance with its express terms.

ARTICLE XIX. COORDINATION OF BENEFITS

A. Applicability

1. This Coordination of Benefits (“COB”) section applies to This Plan when a Plan Participant has healthcare coverage under more than one Plan. “Plan” and “This Plan” are defined below.
2. This Section is intended to describe whether the Benefits of This Plan are determined before or after those of another Plan when this Section applies.

The Benefits of This Plan:

- a. will not be reduced when, under the terms of this Section and any applicable laws, This Plan determines its Benefits before another Plan.

- b. may be reduced when under the terms of this Section or any applicable laws, another Plan determines its benefits first. That reduction is described in Subsection D of this Section, “When This Plan is Secondary.”

B. Definitions(Applicable only to this Article of this Benefit Plan)

1. “Allowable Expense” means any healthcare expense, including coinsurance or copayments, and without reduction for any applicable deductible, that is covered in full or in part by any of the plans covering the person.
 - a. If a Plan is advised by a covered person that all plans covering the person are high-deductible health plans and the person intends to contribute to a health savings account established in accordance with section 223 of the *Internal Revenue Code* of 1986, the primary high-deductible health plan’s deductible is not an allowable expense, except for any healthcare expense incurred that may not be subject to the deductible as described in section 223(c)(2)(C) of the *Internal Revenue Code* of 1986.
 - b. An expense or a portion of an expense that is not covered by any of the Plans is not an allowable expense.
 - c. Any expense that a Provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable Expense.
 - d. The following are examples of expenses that are not Allowable Expenses.
 - (1) If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is not an Allowable Expense, unless one of the Plans provides coverage for private hospital room expenses.
 - (2) If a person is covered by two or more plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology, any amount charged by the Provider in excess of the highest reimbursement amount for a specified benefit is not an Allowable Expense.
 - (3) If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the negotiated fees is not an Allowable Expense.
 - (4) If a person is covered by one plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the primary Plan’s payment arrangement shall be the allowable expense for all plans. However, if the Provider has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary Plan’s payment arrangement and if the Provider’s contract permits, that negotiated fee or payment shall be the Allowable Expense used by the secondary plan to determine its benefits.
2. “Birthday” refers only to month and day in a calendar year and does not include the year in which the individual is born.
3. “Claim” a request that benefits of a plan be provided or paid. The benefits claimed may be in the form of:
 - a. services (including supplies);
 - b. payment for all or a portion of the expenses incurred;
 - c. a combination of subsections a and b of this Subparagraph; or
 - d. an indemnification.

4. "Claim Determination Period or Plan Year" a period of not less than twelve (12) consecutive months over which Allowable Expenses shall be compared with total benefits payable in the absence of COB to determine whether over insurance exists and how much each Plan will pay or provide.
 - a. The claim determination period is usually a calendar year, but a Plan may use some other period of time that fits the coverage of the group or individual contract. A person is covered by a Plan during a portion of a claim determination period if that person's coverage starts or ends during the claim determination period.
 - b. As each claim is submitted, each Plan determines its liability and pays or provides benefits based upon Allowable Expenses incurred to that point in the claim determination period. That determination is subject to adjustment as later Allowable Expenses are incurred in the same claim determination period.
5. "Closed Panel Plan" a plan that provides health benefits to covered persons primarily in the form of services through a panel of Providers that have contracted with or are employed by the plan, and that excludes benefits for services provided by other Providers, except in cases of emergency or referral by a panel member.
6. "Consolidated Omnibus Budget Reconciliation Act of 1985 or COBRA" coverage provided under a right of continuation pursuant to federal law.
7. "Coordination of Benefits or COB" a provision establishing an order in which plans pay their claims, and permitting secondary plans to reduce their benefits so that the combined benefits of all plans do not exceed total Allowable Expenses.
8. "Custodial Parent"
 - a. the parent awarded custody of a child by a court decree; or
 - b. in the absence of a court decree, the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
9. "Group Insurance Contract" means an insurance policy or coverage that is sold in the group market and that are usually sponsored by a person's employer, union, employer organization or employee organization.
10. "Group-Type Contract" a contract that is not available to the general public and is obtained and maintained only because of membership in or a connection with a particular organization or group, including blanket coverage. Group-type contract does not include an individually underwritten and issued guaranteed renewable policy even if the policy is purchased through payroll deduction at a premium savings to the Plan Participant since the Plan Participant would have the right to maintain or renew the policy independently of continued employment with the employer.
11. "High-Deductible Health Plan" the meaning given the term under section 223 of the *Internal Revenue Code* of 1986, as amended by the Medicare Prescription Drug, Improvement and Modernization Act of 2003.
12. "Hospital Indemnity Benefits" benefits not related to expenses incurred. Hospital indemnity benefits does not include reimbursement-type benefits even if they are designed or administered to give the Plan Participant the right to elect indemnity-type benefits at the time of claim.
13. "Individual Insurance Contract" means an insurance policy or coverage that is sold to an individual and/or his/her family in the individual market.
14. "Plan" a form of coverage with which coordination is allowed. Separate parts of a plan for members of a group that are provided through alternative contracts that are intended to be part of a coordinated package of benefits are considered one plan and there is no COB among the separate parts of the plan. If a plan coordinates benefits, its Benefit Plan shall state the types of coverage that will be

considered in applying the COB provision of that contract. Whether the Benefit Plan uses the term “plan” or some other term such as “program,” the contractual definition may be no broader than the definition of “plan” in this Subsection.

a. Plan includes:

- (1) Group Insurance Contracts, Individual Insurance Contracts and Subscriber contracts;
- (2) Uninsured arrangements of group or Group-Type coverage;
- (3) Group and non-group coverage through closed panel plans;
- (4) Group-Type Contracts;
- (5) the medical care components of long-term care contracts, such as skilled nursing care;
- (6) the medical benefits coverage in automobile “no fault” and traditional automobile “fault” type contracts;
- (7) Medicare or other governmental benefits, as permitted by law, except as provided in Subparagraph b of this definition. That part of the definition of “Plan” may be limited to the hospital, medical and surgical benefits of the governmental program; and
- (8) group and non-group insurance contracts and subscriber contracts that pay or reimburse for the cost of dental care.

b. Plan does not include:

- (1) hospital indemnity coverage benefits or other fixed indemnity coverage;
- (2) accident only coverage;
- (3) specified disease or specified accident coverage;
- (4) limited benefit health coverage as defined in La. R.S. 22:47(2)(c), except for group and non-group dental coverage;
- (5) school accident-type coverages that cover students for accidents only, including athletic injuries, either on a 24-hour basis or on a “to and from school” basis;
- (6) benefits provided in long-term care insurance policies for non-medical services, for example, personal care, adult day care, homemaker services, assistance with activities of daily living, respite care and custodial care or for contracts that pay a fixed daily benefit without regard to expenses incurred or the receipt of services;
- (7) Medicare supplement policies;
- (8) a state plan under Medicaid; or
- (9) a governmental plan, which, by law, provides benefits that are in excess of those of any private insurance plan or other non-governmental plan.

15. “Policyholder or Subscriber” means the primary insured (Plan Participant) named in an Individual Insurance Contract.

16. “Primary Plan” a plan whose benefits for a person’s healthcare coverage must be determined without taking the existence of any other plan into consideration. A plan is a primary plan if:

- a. the plan either has no order of benefit determination rules, or its rules differ from those permitted by this regulation; or
 - b. all plans that cover the person use the order of benefit determination rules required by this regulation, and under those rules the plan determines its benefits first.
17. "Provider" a healthcare professional or healthcare facility.
18. "Secondary Plan" a plan that is not a primary plan.
19. "This Plan" means the part of this Benefit Plan and any amendments/endorsements thereto that provides Benefits for healthcare expenses.

C. Order of Benefit Determination Rules

1. When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:
 - a. The Primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
 - (1) Except as provided in Paragraph (2) below, a Plan that does not contain a coordination of benefits provision that is consistent with this Section is always primary unless the provisions of both Plans state that the complying plan is primary.
 - (2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that the supplementary coverage shall be excess to any other parts of the Plan provided by the Policyholder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
 - b. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
 - c. When a person is covered under a group Plan and a non-group (individual) Plan, the non-group Plan is always secondary to any group Plan, disregarding any other provision of this Section.
2. The following rules apply when group Plans coordinate benefits among themselves, and when non-group ("individual") Plans coordinate benefits among themselves. Each Plan determines its order of benefits **using the first of the following rules that applies, and discarding any other successive rules:**
 - a. Non-Dependent or Dependent Rule. The Plan that covers the person other than as a dependent, for example the plan that covers a person as an employee, member, policyholder, Plan Participant, Subscriber or retiree is the Primary plan and the Plan that covers the person as a dependent is the Secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, Plan Participant, Subscriber or retiree is the Secondary plan and the other Plan is the Primary plan.
 - b. Dependent Child Covered Under More Than One Plan Rule. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
 - (1) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

- (a) The Plan of the parent whose Birthday falls earlier in the calendar year is the Primary plan; or
 - (b) If both parents have the same Birthday the Plan that has covered the parent the longest is the Primary plan.
- (2) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
- (a) If a court decree states that one of the parents is responsible for the dependent child's healthcare expenses or healthcare coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
 - (b) If a court decree states that both parents are responsible for the dependent child's healthcare expenses or healthcare coverage, the provisions of Subparagraph (2)(b)(1) above shall determine the order of benefits;
- (3) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the healthcare expenses or healthcare coverage of the dependent child, the provisions of Subparagraph (2)(b)(1) above shall determine the order of benefits; or
- (4) If there is no court decree allocating responsibility for the dependent child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
- (a) The Plan covering the Custodial parent;
 - (b) The Plan covering the Spouse of the Custodial parent;
 - (c) The Plan covering the non-custodial parent; and then
 - (d) The Plan covering the Spouse of the non-custodial parent.
- (5) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraphs (2)(b)(1) or (2)(b)(2) above shall determine the order of benefits as if those individuals were the parents of the child.
- (6) For a dependent child covered under the Spouse's plan:
- (a) For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a Spouse's plan, the rule in Subparagraph (2)(e) (Longer or Shorter Length in Coverage) applies.
 - (b) In the event the dependent child's coverage under the Spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule above in Subparagraph (2)(b)(1) to the dependent child's parent(s) and the dependent's Spouse.
- c. Active Employee or Retired or Laid-off Employee Rule. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary plan. The Plan covering that same person as a retired or laid-off employee is the Secondary plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule of Subparagraph (2)(a) can determine the order of benefits.
- d. COBRA or State Continuation Coverage Rule. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, Plan Participant, Subscriber

or retiree or covering the person as a dependent of an employee, member, Plan Participant, subscriber or retiree is the Primary plan and the COBRA or state or other federal continuation coverage is the Secondary plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule of Subparagraph (2)(a) determine the order of benefits.

- e. Longer or Shorter Length of Coverage Rule. The Plan that covered the person as an employee, member, policyholder, Plan Participant, Subscriber or retiree longer is the Primary plan and the Plan that covered the person the shorter period of time is the Secondary plan.

To determine the length of time a person has been covered under a Plan, two successive plans shall be treated as one if the covered person was eligible under the second plan within twenty-four (24) hours after coverage under the first plan ended.

The start of a new Plan does not include:

- (1) a change in the amount or scope of a Plan's benefits;
- (2) a change in the entity that pays, provides or administers the Plan's benefits; or
- (3) a change from one type of plan to another, such as, from a single employer plan to a multiple employer plan.

The person's length of time covered under a plan is measured from the person's first date of coverage under that plan. If that date is not readily available for a group plan, the date the person first became a member of the group shall be used as the date from which to determine the length of time the person's coverage under the present plan has been in force.

- f. Fall-Back Rule. If none of the preceding rules determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In any event, This Plan will never pay more than it would have paid had it been the Primary plan.

D. When This Plan is Secondary

Whenever This Plan is secondary to any other Plan, the Benefits of This Plan may be reduced so that no more that the Allowable Expense is ever paid for any given Claim taking into account all the benefits payable to the Plan Participant under all his/her Plans and sum of the Allowable Expenses for any Claim Determination Period. This will apply whether or not a Claim is made. The Benefits of This Plan will be reduced so that they and the benefits payable under the other Plans do not total more than those Allowable Expenses. When the Benefits of This Plan are reduced as described above, each Benefit is reduced in proportion. It is then charged against any applicable Benefit limit of This Plan. In any event, This Plan will never pay more than it would have paid had it been the Primary plan.

E. Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming Benefits under This Plan must give Us any facts We need to pay the Claim.

F. Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a Benefit paid under This Plan. To the extent, such payments are made; they discharge Us from further liability. The term "payment made" includes providing benefits in the form of services, in which case the payment made will be deemed to be the reasonable cash value of any benefits provided in the form of services.

G. Right of Recovery

If the amount of the payments that We made is more than it should have paid under this COB section, We may recover the excess. We may get such recovery or payment from one or more of:

1. the persons We have paid or for whom We have paid;
2. insurance companies; or
3. other organizations.

The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services. If the excess amount is not received when requested, any Benefits due under This Plan will be reduced by the amount to be recovered until such amount has been satisfied.

 - b. The cancellation of coverage is initiated by the Plan Participant.
2. When the Plan Administrator retroactively cancels coverage, the Plan Participant shall be liable to the Plan Administrator for all benefits paid on behalf of the Plan Participant after the effective date of rescission or cancellation of coverage.

However, if the Plan Participant must file a claim to access his Prescription Drug benefit, the Plan Participant must use the Prescription Drug Claim Form. The Prescription Drug Claim Form, or an attachment acceptable to the Claims Administrator, may require the signature of the dispensing pharmacist. The claim form should then be sent to the Claim Administrator's Pharmacy Benefit Manager, whose telephone number can be found on the Plan Participant's ID card.

Nothing contained in the written description of health coverage shall be construed to make the Plan or the Claims Administrator liable to any third party to whom a Plan Participant may be liable to for the cost of medical care, treatment, or services.

L. Plan Participant/Provider Relationship

2. The Claims Administrator and all network Providers are to each other independent contractors, and will not be considered to be agents, representatives, or employees of each other for any purpose whatsoever. nor the Claims Administrator will be held liable for any act or omission of any Provider, or for any Claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by the Plan Participant while receiving care from any network Provider or in any network Provider's facilities. The Plan and the Claims Administrator have no responsibility for a Provider's failure or refusal to render Covered Services to the Plan Participant.

 - a. Where such Employee or such Spouse elects coverage under this Plan, this Plan will be the primary payor of Benefits with the Medicare program the secondary payor.
 - b. This Plan will not provide Benefits to supplement Medicare payments for Medicare eligible expenses for an active Employee age sixty-five (65) or older or for a Spouse age sixty-five (65) or older of an active Employee where such Employee or such Spouse elects to have the Medicare program as the primary payor.
2. Under federal law, if an active Employee under age sixty-five (65) or an active Employee's Dependent under age sixty-five (65) is covered under a group Benefit Plan of an employer with one hundred (100) or more Employees and also has coverage under the Medicare program by reason of Social Security disability, the Group Benefit Plan is the primary payor and Medicare is the secondary payor.
3. For persons under age sixty-five (65) who are covered under this Plan and who also have coverage under the Medicare program solely by reason of end-stage renal disease, the Medicare program will be the primary payor and this Plan the secondary payor, except that during the first thirty (30) month period that such persons are eligible for Medicare benefits solely by reason of end-stage renal disease, this Plan will be the primary payor and Medicare the secondary payor.
4. When this Plan is the primary payor, it will provide regular Benefits for Covered Services.

When this Plan is the secondary payor, it will provide Benefits based on the lesser of: the Medicare approved amount or the Plan's Allowable Charge. When an Allied Provider or Physician is not required by Medicare to accept the Medicare approved amount as payment in full, the Plan will base Benefits on the lesser of: the Medicare approved amount plus Medicare's limiting charge, if applicable, or the Claims Administrator's Allowable Charge.

N. Notice

Any notice required under this Plan must be in writing. Any notice required to be given to a Plan Participant will be considered delivered when deposited in the United States Mail, postage prepaid, addressed to the Plan Participant at his address as the same appears on the Claims Administrator's records. Any notice that a Plan Participant must give the Group at the address as the same appears in this Benefit Plan. The Group, the Claims Administrator, or a Plan Participant may, by written notice, indicate a new address for giving notice.

O. Job-Related Injury or Illness

The Group must report to the appropriate governmental agency any job-related injury or illness of an Employee where so required under the provisions of any legislation of any governmental unit. This Plan, with certain described exceptions, excludes Benefits for any services covered in whole or in part by Workers' Compensation laws and/or rendered as a result of occupational disease or injury, subject to the provisions of La. R.S. 23:1205(C). In the event Benefits are initially extended by the Plan and a compensation carrier or employer makes any type of settlement with the Employee, or with any person entitled to receive settlement where the Employee dies, or if the Employee's injury or illness is found to be compensable under law, the

Employee must reimburse the Plan for Benefits extended or direct the compensation carrier to make such reimbursement. The Group will be entitled to such reimbursement even if the settlement does not mention or excludes payment for healthcare expenses.

P. Subrogation

1. To the extent that Benefits for Covered Services are provided or paid under this Benefit Plan, the Group will be subrogated and will succeed to the Plan Participant's right for the recovery of the amount paid under this Benefit Plan against any person, organization or other carrier even where such carrier provides Benefits directly to a Plan Participant who is its insured. The acceptance of such Benefits hereunder will constitute acknowledgment of such subrogation rights.
2. The Plan Participant will reimburse the Plan all amounts recovered by suit, settlement, or otherwise from any third party or the Plan Participant's insurer to the extent of the Benefits provided or paid under this Plan. The Plan's right to reimbursement comes first even if the Plan Participant is not paid for all of the Plan Participant's Claim for damages against the other person or organization or even if the payment the Plan Participant receives is for, or is described as for, the Plan Participant's damages other than healthcare expenses, or if the Plan Participant recovering the money is a minor. All costs that the Plan Participant incurs (including attorney fees) in exercising any right of recovery will be the Plan Participant's responsibility. Amounts that the Plan paid for which a third party or insurer is responsible will not be reduced by the amount of the Plan Participant's costs. The Plan Participant shall hold in trust for the account of the Plan all amounts recovered, up to the total amount of Benefits paid. The Group appoints the Plan Participant as its representative for such limited purpose only.
3. The Plan Participant will take such action, furnish such information and assistance, and execute such papers as the Plan may be required to facilitate enforcement of the Plan's rights, and will take no action prejudicing the Plan's rights and interest under this Plan. The Plan and its designees have the right to obtain and review Plan Participant's medical and billing records, if the Plan or its designee determines in their sole discretion, that such records would be helpful in pursuing its right of subrogation and/or reimbursement. Nothing contained in this provision will be deemed to change, modify or vary the terms of the Coordination of Benefits Article of this Benefit Plan.
4. The Plan Participant is required to notify the Plan of any Accidental Injury.

Q. Right of Recovery

Whenever any payment for Covered Services has been made by the Plan, in an amount that exceeds the maximum Benefits available for such services under this Benefit Plan or exceeds the Allowable Charge, or whenever payment has been made in error by the Plan for non-covered services, the Plan will have the right to recover such payment from the Plan Participant or, if applicable, the Provider. As an alternative, the Plan reserves the right to deduct from any pending Claim for payment under this Benefit Plan any amounts the Plan Participant or Provider owes the Plan.

R. Coverage in a Department of Veterans Affairs or Military Hospital

In any case in which a veteran is furnished care or services by the Department of Veterans Affairs for a non-service-connected disability, the United States will have the right to recover or collect the reasonable cost of such care or services from the Plan to the extent the veteran would be eligible for Benefits for such care or services from the Plan if the care or services had not been furnished by a department or agency of the United States. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance amount.

The United States will have the right to collect from the Plan the reasonable cost of healthcare services incurred by the United States on behalf of a military retiree or a military dependent through a facility of the United States military to the extent that the retiree or dependent would be eligible to receive reimbursement or indemnification from the Plan if the retiree or dependent were to incur such cost on his own behalf. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance amount.

S. Liability of Plan Affiliates

The Plan Administrator, on behalf of itself and its participants, hereby expressly acknowledges its understanding that the Claims Administrator is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, the "Association" permitting Blue Cross and Blue Shield of Louisiana and its subsidiaries and affiliates (collectively "Blue Cross and Blue Shield of Louisiana") to use the Blue Cross and Blue Shield Service Marks in the State of Louisiana, and that the Claims Administrator is not contracting as the agent of the Association. The Plan Administrator, on behalf of itself and its participants, further acknowledges and agrees that it has not entered into this Benefit Plan based upon representations by any person other than Blue Cross and Blue Shield of Louisiana and that no person, entity, or organization other than Blue Cross and Blue Shield of Louisiana shall be held accountable or liable to the Plan Administrator for any of Blue Cross and Blue Shield of Louisiana's obligations to the Plan. This paragraph shall not create any additional obligations whatsoever on the part of Blue Cross and Blue Shield of Louisiana other than those obligations created under other provisions of the claims administration agreement.

T. Out-of-Area Services

The Claims Administrator has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees"). Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross and Blue Shield Association. Whenever the Plan Participant obtains healthcare services outside the geographic area Blue Cross and Blue Shield of Louisiana serves, the Claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When the Plan Participant receive's care outside of Blue Cross and Blue Shield of Louisiana's service area, The Plan Participant will receive it from one of two kinds of Providers. Most Providers ("Participating Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some Providers ("Non-Participating Providers") don't contract with the Host Blue. The Claims Administrator explains below how both kinds of Providers are paid.

Inter-Plan Arrangements Eligibility – Claim Types

All Claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all Dental Care Benefits when paid as medical Benefits, and those Prescription Drug Benefits or vision care Benefits that may be administered by a third party contracted by the Claims Administrator to provide the specific service or services.

1. BlueCard® Program

Under the BlueCard® Program, when a Plan Participant receives Covered Services within the geographic area served by a Host Blue, the Claims Administrator will remain responsible for doing what We agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

When a Plan Participant receives Covered Services outside Blue Cross and Blue Shield of Louisiana's service area and the Claim is processed through the BlueCard® Program, the amount paid for the Covered Services is calculated based on the lower of:

- the billed charges for a Plan Participant's Covered Services; or
- the negotiated price that the Host Blue makes available to the Claims Administrator.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with the healthcare Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over or underestimation of past pricing of Claims, as noted above. However, such adjustments will not affect the price the Claims Administrator has used for the Plan Participant's Claim because they will not be applied after a Claim has already been paid.

2. Special Case: Value-Based Programs

a. BlueCard® Program

If a Plan Participant receives Covered Services under a Value-Based Program inside a Host Blue's service area, the Plan Participant will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to the Claims Administrator through average pricing or fee schedule adjustments.

b. Negotiated (non-BlueCard® Program) Arrangements

If the Claims Administrator has entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the Group on the Plan Participant's behalf, the Claims Administrator will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard® Program.

3. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to self-funded accounts. If applicable, the Claims Administrator will include any such surcharge, tax or other fee as part of the Claim charge passed on to the Plan Participant.

4. Non-Participating Providers Outside Blue Cross and Blue Shield of Louisiana's Service Area

a. Plan Participant Liability Calculation

When Covered Services are provided outside of Blue Cross and Blue Shield of Louisiana's service area by Non-Participating Providers, the amount the Plan Participant pays for such services will normally be based on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements required by applicable state law. In these situations, the Plan Participant may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, may govern payments for out-of-network Emergency Medical Services.

b. Exceptions

In certain situations, the Claims Administrator may use other payment methods, such as billed charges for Covered Services, the payment the Claims Administrator would make if the healthcare services had been obtained within Blue Cross and Blue Shield of Louisiana's service area, or a special negotiated payment to determine the amount the Claims Administrator will pay for services provided by Non-Participating Providers. In these situations, the Plan Participant may be liable for the difference between the amount that the Non-Participating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph.

5. Blue Cross Blue Shield Global® Core

If the Plan Participant is outside the United States, the Commonwealth of Puerto Rico, and the United States Virgin Islands (hereinafter "BlueCard® service area"), the Plan Participant may be able to take advantage of the Blue Cross Blue Shield Global® Core when accessing Covered Services. The Blue Cross Blue Shield Global® Core is unlike the BlueCard® Program available in the BlueCard® service area in certain ways. For instance, although the Blue Cross Blue Shield Global® Core assists the Plan Participant with accessing a network of Inpatient, Outpatient and professional Providers, the network is

not served by a Host Blue. As such, when the Plan Participant receives care from Providers outside the BlueCard® service area, the Plan Participant will typically have to pay the Providers and submit the Claims to obtain reimbursement for these services.

If the Plan Participant needs medical assistance services (including locating a doctor or Hospital) outside the BlueCard® service area, the Plan Participant should call the Blue Cross Blue Shield Global® Core service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, will arrange a Physician appointment or hospitalization, if necessary.

a. Inpatient Services

In most cases, if the Plan Participant contacts the Blue Cross Blue Shield Global® Core service center for assistance, Hospitals will not require the Plan Participant to pay for covered Inpatient services, except for Deductible and Coinsurance. In such cases, the Hospital will submit Claims to the Blue Cross Blue Shield Global® Core service center to begin Claims processing. However, if the Plan Participant paid in full at the time of service, the Plan Participant must submit a Claim to receive reimbursement for Covered Services. The Plan Participant must contact the Claims Administrator to obtain Authorization for non-Emergency Inpatient services, as explained in the Care Management Article of this Benefit Plan.

b. Outpatient Services

Physicians, Urgent Care Centers and other Outpatient Providers located outside the BlueCard® service area will typically require the Plan Participant to pay in full at the time of service. The Plan Participant must submit a Claim to obtain reimbursement for Covered Services.

c. Submitting a Blue Cross Blue Shield Global® Core Claim

When the Plan Participant pays for Covered Services outside the BlueCard® service area, the Plan Participant must submit a Claim to obtain reimbursement. For institutional and professional Claims, the Plan Participant should complete a Blue Cross Blue Shield Global® Core claim form and send the claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global® Core service center at the address on the form to initiate Claims processing. Following the instructions on the claim form will help ensure timely processing of the Claim. The claim form is available from Blue Cross and Blue Shield of Louisiana, the Blue Cross Blue Shield Global® Core service center, or online at www.bcbsglobalcore.com. If the Plan Participant needs assistance with the Claim submission, the Plan Participant should call the Blue Cross Blue Shield Global® Core service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

U. HIPAA Certificates of Creditable Coverage

The Claims Administrator will issue a certificate of Creditable Coverage or similar document to a Plan Participant, if requested within twenty-four (24) months after coverage under this Benefit Plan ceases.

V. Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage

The Claims Administrator shall provide to certain Plan Participants who have Prescription Drug coverage under this Benefit Plan, a written certification that their Prescription Drug coverage under this Plan is either creditable or non-creditable. Coverage is deemed creditable if it is at least as good as the standard Medicare Part D prescription drug benefit. The Claims Administrator will provide these Certificates to covered Group Plan Participants who are eligible for Medicare Part D based upon enrollment data. The Plan Administrator is responsible for providing a certificate to applicants prior to the Effective Date of coverage for new Medicare-eligible persons that join this Plan.

The Claims Administrator will provide Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage to covered Plan Participants at the following times, or as designated by law:

1. prior to the Medicare Part D Annual Coordinated Election Period;

2. prior to an individual's Initial Enrollment Period (IEP) for Medicare Part D;
3. whenever Prescription Drug coverage under this Benefit Plan ends;
4. whenever Prescription Drug coverage under this Plan changes so that it is no longer creditable or becomes creditable; and/or
5. upon a Medicare beneficiary's request.

ARTICLE XXI. COMPLAINT, GRIEVANCE AND APPEAL PROCEDURES

The Claims Administrator wants to know when a Plan Participant is dissatisfied with the quality of the care or services they receive from the Claims Administrator or one of Our Providers. Plan Participants may register a Complaint or file a formal written Grievance about the Claims Administrator or a Provider by following the procedures outlined below.

The Plan considers a written Appeal as the Plan Participant's request to change an Adverse Benefit Determination made by the Claims Administrator. An Appeal is defined as a request from a Plan Participant or their authorized representative to change an Adverse Benefit Determination made by the Claims Administrator. Examples of issues that qualify as Appeals include denied Authorizations, Claims denied based on Adverse Benefit Determinations of Medical Necessity, or other Adverse Benefit Determinations. Adverse Benefit Determinations include denials of and reductions in Benefit payments.

Appeal rights for Plan Participants are outlined below, after the Complaint, Grievance and Informal Reconsideration Procedures section. In addition to Appeal rights, the Plan Participant's Provider is given an opportunity to speak with a Medical Director for Informal Reconsideration of the Claims Administrator's coverage decisions concerning Medical Necessity or Investigational determinations.

An Expedited Appeal process is available for situations where the time frame of a standard Medical Appeal would seriously jeopardize the life or health of a covered person, or jeopardize the covered person's ability to regain maximum function.

A. Complaint, Grievance, and Informal Reconsideration Procedures

A quality of service concern addresses the Claims Administrator's services, access, availability or attitude and those of the Claims Administrator's Network Providers. A quality of care concern addresses the appropriateness of care given to a Plan Participant.

1. To Register a Complaint

A Complaint is an oral expression of dissatisfaction with Us or with Provider services. A quality of care concern addresses the appropriateness of care given to a Plan Participant, Our services, access, availability or attitude and those of Our Network Providers.

Call the Claims Administrator's customer service department at 1-800-599-2583 or 1-225-291-5370 to register a Complaint. The Claims Administrator will attempt to resolve a Plan Participant's Complaint at the time of their call.

2. To File a Formal Grievance

A Grievance is a written expression of dissatisfaction with the Claims Administrator or with Provider services. If a Plan Participant does not feel their Complaint was adequately resolved or the Plan Participant wishes to file a formal Grievance, a written request must be submitted within one hundred eighty (180) days of the event that led to the dissatisfaction. For assistance, the Plan Participant may call the Claims Administrator's customer service department. Send written Grievances to:

Blue Cross and Blue Shield of Louisiana
Appeals and Grievance Unit
P. O. Box 98045
Baton Rouge, LA 70898-9045

A response will be mailed to the Plan Participant within thirty (30) business days of receipt of the Plan Participant's written Grievance.

3. Informal Reconsideration

An Informal Reconsideration is a request by telephone made by an authorized Provider to speak to the Claims Administrator's Medical Director or a peer reviewer on the Plan Participant's behalf about a Utilization Management decision the Claims Administrator has made. An Informal Reconsideration is typically based on submission of additional information or a peer-to-peer discussion.

An Informal Reconsideration is available only for initial determinations that are requested within ten (10) days of the denial or Concurrent Review determinations. The Claims Administrator will conduct an Informal Reconsideration within one (1) working day of the receipt of the request.

B. Standard Appeal Procedures

Multiple requests to appeal the same Claim, service, issue or date of service will not be considered at any level of review.

If the Plan Participant has questions or needs assistance putting the Appeal in writing, they may call the Claims Administrator's customer service department at 1-800-599-2583 or 1-225-291-5370.

The Plan Administrator has full discretionary authority to determine eligibility for Benefits and/or construe the terms of this Plan.

The Claims Administrator will determine if the Plan Participant's Appeal is an administrative Appeal or a medical Appeal. There are two (2) levels of each Appeal, the first by the Claims Administrator or its designee, and the second by the Plan Administrator, Calcasieu Parish School Board.

Plan Participants are encouraged to provide the Claims Administrator with all available information to help completely evaluate the Appeal such as written comments, documents, records, and other information relating to the Adverse Benefit Determination. Upon request by the Plan Participant and free of charge, the Claims Administrator will provide reasonable access to and copies of all documents records, and other information relevant to the Adverse Benefit Determination.

The Plan Participant has the right to appoint an authorized representative to represent the Plan Participant in their Appeals. An authorized representative is a person to whom the Plan Participant has given written consent to represent them in review of an Adverse Benefit Determination. The authorized representative may be the Plan Participant's treating Provider, if the Plan Participant appoints the Provider in writing.

1. Administrative Appeals

Administrative Appeals involve contractual issues, Rescissions of Coverage, and Adverse Benefit Determinations which are not related to Medical Necessity, appropriateness, healthcare setting, level of care, effectiveness, or treatment determined to be experimental or investigational.

a. First Level Administrative Appeals

If the Plan Participant is not satisfied with the Claims Administrator's decision, a written request to Appeal must be submitted within one hundred eighty (180) days of the initial Adverse Benefit Determination for first level administrative Appeals. Requests submitted to the Claims Administrator after one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination will not be considered.

The Claims Administrator will investigate the Plan Participant's concerns. If the administrative Appeal is overturned, the Claims Administrator will reprocess the Plan Participants Claim, if any. If the administrative Appeal is upheld, the Claims Administrator will inform the Plan Participant of the right to begin the second level Appeal Process.

The administrative Appeal decision will be mailed to the Plan Participant, the authorized representative, or a Provider authorized to act on the Plan Participants behalf, within thirty (30) calendar days of the Plan Participant's request; unless the claims Administrator mutually agreed that an extension of time is warranted.

Administrative Appeals should be submitted in writing to:

Blue Cross and Blue Shield of Louisiana
Appeals and Grievance Unit
P.O Box 98045
Baton Rouge, LA 70898-9045

b. Second Level Administrative Appeals

After review of the Claims Administrator's first level Appeal decision, if the Plan Participant is still dissatisfied, a written request to Appeal must be submitted within sixty (60) days of the first level Appeal decision. Requests submitted after sixty (60) calendar days of the first level Appeal decision will not be considered. Send a written request for further review and any additional information to:

Calcasieu Parish School Board
Attention: Appeals and Grievance Coordinator
3310 Broad Street, Room 2201
Lake Charles, LA 70615

Requests submitted to the Claims Administrator will be forwarded to Calcasieu Parish School Board.

2. Medical Appeals

Medical Appeals involve a denial or partial denial of services based on Medical Necessity, appropriateness, healthcare setting, level of care or effectiveness, or when a service is determined to be experimental or Investigational.

a. Internal Medical Appeals

If the Plan Participant is not satisfied with the Claims Administrator's decision, a written request to Appeal within one hundred eighty (180) days of the initial Adverse Benefit Determination for internal Medical Appeals. Requests submitted to the Claims Administrator after one hundred eighty (180) days of the initial Adverse Benefit Determination will not be considered.

A Physician or other healthcare professional in the same or an appropriate specialty that typically manages the medical condition, procedure, or treatment under review and who is not subordinate to any previous decision-maker on the initial Adverse Benefit Determination, will review the internal Medical Necessity Appeal.

If the internal medical Appeal is overturned, the Claims Administrator will reprocess the Plan Participant's Claims, if any. If the Internal medical Appeal is upheld, the Claims Administrator will inform the Plan Participant of the right to begin the second level Appeal process.

The internal medical Appeal decision will be mailed to the Plan Participant, the authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within thirty (30) calendar days of the Plan Participant's request, unless the Claims Administrator mutually agreed that an extension of time is warranted.

b. Second Level Medical / External Appeals

If the Plan Participant still disagrees with the determination of their claim, the Plan Participant or their authorized representative must send their written request for an External Appeal within one hundred twenty (120) days of receipt of the internal Appeal decision to:

Calcasieu Parish School Board
Attention: Appeals and Grievance Coordinator
3310 Broad Street, Room 2201
Lake Charles, LA 70615

The Group will review and notify the Claims Administrator to proceed with an external Appeal conducted by a non-affiliated Independent Review Organization (IRO). Requests submitted to the Plan Administrator after one hundred twenty (120) days of receipt of the internal Appeal decision will not be considered. The Plan Participant is required to sign the form included in the internal medical Appeal denial notice which authorizes release of medical records for review by the IRO. **Appeals submitted by a Provider will not be accepted without this form completed with Your signature.**

The Claims Administrator will provide all pertinent information necessary to conduct the External Appeal. The External Appeal will be completed within forty-five (45) days of receipt of the External Appeal request. The IRO will notify the Plan Participant or their authorized representative and all appropriate Providers of its decision.

The IRO decision is considered final and binding.

If you need help or have questions about Your Appeal rights, call the Employee Benefits Security Administration (EBSA) at 1-866-44-EBSA or 1-866-444-3272.

C. Expedited Appeals

The expedited Appeal process is available for review of the Adverse Benefit Determination involving a situation where the time frame of the standard medical Appeal would seriously jeopardize the Plan Participant's life, health or ability to regain maximum function. It includes a situation where, in the opinion of the treating physician, the Plan Participant may experience pain that cannot be adequately controlled while awaiting a standard Medical Appeal decision.

An Expedited Appeal also includes requests concerning an Admission, availability of care, continued stay, or healthcare service for a Plan Participant currently in the emergency room, under observation, or receiving Inpatient care.

An Expedited External Appeal is also available if the Adverse Benefit Determination involves a denial of coverage based on a determination that the recommended or requested healthcare service or treatment is deemed experimental or Investigational; and the covered person's treating Physician certifies in writing that the recommended or requested healthcare service or treatment that is the subject of the Adverse Benefit Determination would be significantly less effective if not promptly initiated.

Expedited Appeals are not provided for review of services previously rendered.

An Expedited Appeal shall be made available to, and may be initiated by the Plan Participant, his authorized representative, or a Provider authorized to act on the Plan Participant's behalf. Requests for an Expedited Appeal may be verbal or written.

For verbal Expedited Appeals, call 1-800-376-7741 or 1-225-293-0625.

For written Expedited Appeals, fax 225-298-1837 or mail to:

1. Expedited Internal Medical Appeals

In these cases, We will make a decision no later than seventy-two (72) hours of our receipt of an Expedited Appeal request that meets the criteria for Expedited Appeal.

In any case where the internal Expedited Appeal process does not resolve a difference of opinion between the Claims Administrator and the Plan Participant or the Provider acting on behalf of the Plan Participant, the Appeal may be elevated to an Expedited External Appeal.

If an Expedited internal medical Appeal does not meet the Expedited Appeal criteria or does not include the Physician attestation signature, the Appeal will follow the standard Appeal process and timeframe.

2. Expedited External Medical Appeal

An Expedited External Appeal is a request for immediate review, by an Independent Review Organization (IRO). The request may be simultaneously filed with a request for an internal Expedited Appeal, since the Independent Review Organization assigned to conduct the expedited external review will determine whether the request is eligible for an external review at the time of receipt. We will forward all pertinent information for Expedited External Appeal requests to the IRO so the review may be completed within seventy-two (72) hours of receipt.

ARTICLE XXII. CARE WHILE TRAVELING, MAKING PLAN CHANGES AND FILING CLAIMS

The Employees, Retirees and Plan Participants can NOT make any changes without going through Calcasieu Parish School Board's insurance office.

The Claims Administrator is continuing to update its online access for Plan Participants. Plan Participants may now be able to perform many of the functions described below, without contacting the Claims Administrator's customer service department. The Claims Administrator invites Plan Participants to log on to www.bcbsla.com for access to these services.

All of the forms mentioned in this section can be obtained from the Employer's Insurance office.

If the Plan Participant has any questions about any of the information in this section, the Plan Participant may speak to his Employer or call the Claims Administrator's customer service department at the telephone number shown on his ID card.

A. How to Obtain Care While Traveling

The Plan Participant's ID card offers convenient access to PPO healthcare outside of Louisiana. If the Plan Participant is traveling or residing outside of Louisiana and needs medical attention, please follow these steps:

1. In an Emergency, go directly to the nearest Hospital.

2. Call BlueCard® Access at 1-800-810-BLUE (2583) for information on the nearest Preferred Network doctors and Hospitals.
3. Use a designated Preferred Network Provider to receive the highest level of Benefits.
4. Present the Plan Participant's ID card to the doctor or Hospital, who will verify coverage and file Claims for the Plan Participant.
5. The Plan Participant must obtain any required Authorizations from Blue Cross and Blue Shield of Louisiana.

B. Adding or Changing the Plan Participant's Family Members on the Plan

The Employees, Retirees and Plan Participants can NOT make any changes without going through Calcasieu Parish School Board's insurance office.

The Schedule of Eligibility lets the Plan Participant know when it is necessary to enroll additional family members for Dependent coverage under the Plan. Please read the Schedule of Eligibility Article and this section as they contain important information for the Plan Participant.

Group requires the Employee to use the Employee Enrollment/Change Form to enroll family members not listed on the Plan Participant's original enrollment form. If the Plan Participant does not complete the required Employee Enrollment Change Form at Calcasieu Parish School Board's insurance office within the timeframes set out in the Schedule of Eligibility, the Plan Participant's health benefits coverage will not be expanded to include the additional family members.

The Schedule of Eligibility explains when coverage becomes effective for new family members. Generally, an Employee Enrollment/Change Form is used to add newborn Children, newborn adopted Children, a Spouse, or other Dependents not listed on the Plan Participant's original enrollment form. Calcasieu Parish School Board's insurance office should receive the Plan Participant's completed form within thirty (30) days of the Child's birth or placement, or the Plan Participant's marriage.

C. How to File Claims for Benefits

The Claims Administrator and most Providers have entered into agreements that eliminate the need for a Plan Participant to personally file a Claim for Benefits. Preferred Network Providers or Participating Providers will file Claims for Plan Participants either by mail or electronically. In certain situations, the Provider may request the Plan Participant to file the Claim. If the Plan Participant's Provider does request the Plan Participant to file directly with the Claims Administrator, the following information will help the Plan Participant in correctly completing the Claim form.

The Plan Participant's ID card shows the way the name of the Employee (Plan Participant of the Group) appears on the Claims Administrator's records. (If the Plan Participant has Dependent coverage, the name(s) are recorded as shown on the enrollment information the Plan received.) The ID card also lists the Plan Participant's Contract number (ID #). This number is the identification to the Plan Participant's membership records and should be provided to the Claims Administrator each time a Claim is filed. To assist in promptly handling the Plan Participant's Claims, the Plan Participant must be sure that:

1. an appropriate Claim form is used
2. the contract number (ID #) shown on the form is identical to the number on the ID card
3. the patient's date of birth is listed
4. the patient's relationship to the Employee is correctly stated
5. all charges are itemized, whether on the Claim form or on the attached statement

6. the itemized statement from the Provider contains the Provider's name, address and tax ID number and is attached to the Claim form
7. the date of service (Admission to a Hospital or other Provider) or date of treatment is correct
8. the Provider includes a diagnosis and procedure code for each service/treatment rendered (the diagnosis code pointers must be consistent with the Claim form)
9. the Claim is completed and signed by the Plan Participant and the Provider.

IMPORTANTNOTE: The Plan Participant must be sure to check all Claims for accuracy. The Contract number (ID #) must be correct. It is important that the Plan Participant keep a copy of all bills and Claims submitted.

D. Filing Specific Claims

1. Admission to a Hospital or Allied Health Facility Claims

When a Plan Participant or an enrolled family member is being admitted to a Preferred Network Provider or Participating Provider Facility, the Plan Participant should show his ID card to the admitting clerk. The Provider will file the claim with the Claims Administrator. The Plan's payments will go directly to the Preferred Network Provider or Participating Provider. The Provider will then bill the Plan Participant directly for any remaining balance. The Plan Participant will receive an Explanation of Benefits after the Claim has been processed.

2. Outpatient Department Claims

The procedure to be followed is the same as that for an Admission to a Hospital or Allied Health Facility. However, in some instances involving Outpatient treatment, the Provider may ask for payment directly from the Plan Participant. If this occurs, the Plan Participant should obtain an itemized copy of the bill, be sure the claim form correctly notes the contract number (ID #), the patient's date of birth, as well as the patient's relationship to the Employee. The Provider must mark the statement or Claim form PAID. This statement should then be sent to the Claims Administrator.

3. Prescription Drug Claims

Most Plan Participants with Prescription Drug coverage will not be required to file Claims to obtain Prescription Drug Benefits as this is done automatically for Plan Participants who present an ID card to a Participating Pharmacist. However, if the Plan Participant must file a Claim to access his Prescription Drug Benefit, the Plan Participant must use the Prescription Drug Claim Form. Plan Participants may obtain the Prescription Drug Claims form by accessing the pharmacy section of Our Website, www.bcbsla.com/pharmacy. The Prescription Drug Claim Form, or an attachment acceptable to the Claims Administrator, may require the signature of the dispensing pharmacist. The Claim form should then be sent to the Claims Administrator or their Pharmacy Benefit Manager, whose telephone number can be found on the Plan Participant's ID card.

Benefits will be paid to the Plan Participant based on the Allowable Charge for the Prescription Drug.

4. Nursing Services Claims

A receipt must be obtained for nursing services from each nurse indicating the name of the patient and the number of days covered by each receipt. Each receipt must also be signed by the nurse with the initials RN or LPN and registry number. A statement from the attending Physician or Allied Health Provider that services were Medically Necessary must be filed with the receipts for nursing services.

5. Durable Medical Equipment (DME) Claims

Charges for rental or purchase of wheelchairs, braces, crutches, etc. must be on the bill of the supplying firm, giving a description of the item rented or purchased the date, the charge, and the patient's name. A

statement from the attending Physician or Allied Health Provider that services were Medically Necessary must also be filed with these bills.

6. Mental Health and/or Substance Use Disorder Claims

For help with filing a Claim for Mental Health and/or Substance Use Disorder, the Plan Participant should refer to his ID card or call the Claims Administrator's customer service department.

7. Other Medical Claims

When the Plan Participant receives other medical services (clinics, Provider offices, etc.), they should ask if the Provider is a Preferred Network Provider or Participating Provider. If yes, this Provider will file the Plan Participant's Claim with the Claims Administrator. In some situations, the Providers may request payment and ask the Plan Participant to file. If this occurs, the Plan Participant must be sure the claim form is complete before forwarding to the Claims Administrator. If the Plan Participant is filing the Claim, the Claim must contain the itemized charges for each procedure or service.

NOTES: Statements, canceled checks, payment receipts and balance forward bills may not be used in place of itemized bills. Itemized bills submitted with claim forms must include the following:

- a. full name of patient
- b. date(s) of service
- c. description of and procedure code for service
- d. diagnosis code
- e. charge for service
- f. name and address of Provider of service.

E. If Plan Participant Has a Question About His Claim

If a Plan Participant has a question about the payment of a Claim, the Plan Participant can write to the Claims Administrator at the address below or the Plan Participant may call the Claims Administrator's customer service department at the telephone number shown on his ID card or any of the Claims Administrator's local service offices*. If the Plan Participant calls for information about a Claim, the Claims Administrator can help the Plan Participant better if the Plan Participant has the information at hand, particularly the contract number, patient's name and date of service.

Blue Cross and Blue Shield of Louisiana
P.O. Box 98029
Baton Rouge, LA 70898-9029

Remember, the Plan Participant must ALWAYS refer to his contract number in all correspondence and recheck it against the contract number on his ID card to be sure it is correct.

Blue Cross and Blue Shield of Louisiana has a local service office located at 219 West Prien Lake Road, Lake Charles, LA, and also offices located in Baton Rouge, New Orleans, Lafayette, Alexandria, Houma, Monroe and Shreveport.

ARTICLE XXIII. RESPONSIBILITIES OF PLAN ADMINISTRATOR

The Comprehensive Medical Benefit Plan for the Employees of Calcasieu Parish School Board is the Benefit Plan of Calcasieu Parish School Board, the Plan Administrator, also called the Plan Sponsor. An individual

may be appointed by Calcasieu Parish School Board to be the Plan Administrator and serve at the convenience of the Employer. If the Plan Administrator resigns, dies or is otherwise removed from the position, Calcasieu Parish School Board shall appoint a new Plan Administrator as soon as reasonably possible.

The Plan Administrator shall perform its duties as the Plan Administrator and in its sole discretion shall determine appropriate courses of action in light of the reason and purpose for which this Benefit Plan is established and maintained. In particular, the Plan Administrator shall have full and sole discretionary authority to interpret all plan documents and to make all interpretive and factual determinations as to whether any individual is entitled to receive any Benefit under the terms of this Benefit Plan. Any construction of the terms of any plan document and any determination of fact adopted by the Plan Administrator shall be final and legally binding on all parties.

Any interpretation, determination or other action of the Plan Administrator shall be subject to review only if it is arbitrary or capricious or otherwise an abuse of discretion. Any review of a final decision or action of the Plan Administrator shall be based only on such evidence presented to or considered by the Plan Administrator at the time it made the decision that is the subject of review. Accepting any Benefits or making any claim for Benefits under this Benefit Plan constitutes agreement with and consent to any decisions that the Plan Administrator makes, in its sole discretion and further constitutes agreement to the limited standard and scope of review described by this section.

Service of legal process may be made upon the Plan Administrator.

- a. with care, skill, prudence and diligence under the given circumstances that a prudent person, acting in a like capacity and familiar with such matters, would use in a similar situation;
- b. by diversifying the investments of the Plan so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so; and
- c. in accordance with the Plan documents

2. The Named Fiduciary

A “named fiduciary” is the one named in the Plan. A named fiduciary can appoint others to carry out fiduciary responsibilities (other than as a trustee) under the Plan. These other persons become fiduciaries themselves and are responsible for their acts under the Plan. To the extent that the named fiduciary allocates its responsibility to other persons, the named fiduciary shall not be liable for any act or omission of such person unless either:

- a. the named fiduciary has violated its stated duties under ERISA in appointing the fiduciary, establishing the procedures to appoint the fiduciary or continuing either the appointment or the procedures; or
- b. the named fiduciary breached its fiduciary responsibility under Section 405(a) of ERISA.

For example, we may share your information with your doctors for their licensing or credentialing activities.

Business Associates: We hire individuals and companies to perform various functions on our behalf or to provide certain types of services for us. In order to help us, these business associates may receive, create, maintain, use, or disclose your health information. Before they may have any contact with your health information, we require them to sign a written agreement stating they will keep your health information private and secure.

Examples of our business associates include:

- Medical experts hired to review claims
- A pharmacy benefits management company hired to assist us in managing pharmacy claims.

Your Authorization: You may give us written authorization to use your health information or to disclose it to anyone for any purpose. Summary health information is information about claims history, claims expenses or types of claims experienced by the enrollees in your group health plan. Although this summary health information does not specifically identify any individual, it still may be possible to identify you or others through review of this summary health information.

We may disclose your health information and the health information of others enrolled in your group health plan to your employer to administer your group health plan. Before we may do that, your employer must meet certain requirements. This includes amending the plan document for your group health plan to establish the limited uses and disclosures it may make of your health information. Please see your group health plan document for a full explanation of the limitations placed on your employer for the use of this information and for any disclosures that may be made to the group health plan itself.

Public Health and Benefit Activities: Although this does not occur often, we may use and disclose your health information when required by law and when authorized by law for the following kinds of public interest activities:

- for public health, including to report disease and vital statistics, child abuse, and adult abuse, neglect or domestic violence;
- to avert a serious and imminent threat to health or safety;
- for healthcare oversight, such as activities of state insurance commissioners, licensing and peer review authorities, and fraud prevention enforcement agencies;

- as authorized by state worker's compensation laws.

Individual Rights

The following are your rights with respect to your health information. If you would like to exercise any of the following rights, please submit your request in writing, sign your request, and mail it to the Calcasieu Parish School Board Office at P.O. Box 800, Lake Charles, LA 70602. Our contact information is provided at the end of this

Notice.

Access: You have the right to examine and to receive a copy of your health information we maintain about you in a “designated record set,” with limited exceptions. You are not entitled to inspect and/or copy:

- any psychotherapy notes;
 - any information compiled in anticipation of or for use in any civil, criminal or administrative action or proceeding;
 - any information not subject to disclosure under the Clinical Laboratory Improvements Amendments of 1988 (42U.S.C. § 263a); or
 - certain other records as specified in the HIPAA Privacy Regulation.
- Generally, a “designated record set” contains:
- claims and payment information;
 - enrollment and billing information;
 - other records used to make decisions about your healthcare benefits.

We may charge you reasonable, cost-based fees for a copy of your health information, for mailing the copy to you, and for preparing any summary or explanation of your health information you may request. Contact us using the information at the end of this Notice for information about our fees. You may withdraw your request if you do not wish to pay the fees.

In certain situations we may deny your request to inspect and obtain a copy of your health information. If we deny your request, we will notify you in writing and will inform you whether or not you have the right to have the denial reviewed.

Disclosure Accounting: You have the right to an accounting of certain disclosures that we make of your health information after April 13, 2003, excluding disclosures for treatment, payment, healthcare operations, as authorized by you, and for certain other activities.

We will provide you with information about each accountable disclosure that we made during the period for which you request the accounting, except we are not obligated to account for a disclosure that occurred more than six years before the date of your request and never for a disclosure that occurred before April 14, 2003. If you request this accounting more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to your additional requests. Contact us using the information at the end of this Notice for information about our fees.

Amendment: You have the right to request that we amend your health information that we maintain about you in your designated record set. We may deny your request for certain reasons. For example, we may deny your request if the information you want to amend was created by your doctor. If we deny your request, we will provide you a written explanation, and explain to you how you can disagree with the denial by filing a statement of disagreement with us. If we accept your request, we will make your amendment part of your designated record set, and use reasonable efforts to inform others of the amendment who we know may have relied on the unamended information to your detriment, as well as persons you tell us you want to receive the amendment.

Restriction: You have the right to request that we restrict our use or disclosure of your health information for treatment, payment or healthcare operations, or with family, friends or others you identify. We are not required to agree to your request. If we do agree, we will honor our agreement, except in a medical emergency or as required or authorized by law. Any agreement we may make to a request for restriction must be in writing and agreed to by our Privacy Office.

Confidential Communication: If you believe that a disclosure of all or part of your health information may endanger you if sent to your current mailing address, you have the right to request that we communicate with

you in confidence about your health information by a different means or to a different location that you specify. You must make your request in writing, and your request must represent that the information could endanger you if it is not communicated in confidence as you request.

We will accommodate your request if it is reasonable. You must specify the alternative means of contact or location for confidential communication, and continue to permit us to collect premiums and pay claims under your health plan. Please note that other information that we send to the subscriber about healthcare benefits received may contain sufficient information to reveal that you obtained healthcare for which we paid, even though you requested that we communicate with you about that healthcare in confidence. If you have given someone else permission to receive health information about you, a request for confidential communications will cancel this permission unless you tell us otherwise.

Potential Impact of State Privacy Laws: The federal healthcare Privacy Regulations generally do not "preempt" (or take precedence over) state privacy or other applicable laws that provide individuals greater privacy protections. As a result, to the extent state law applies, the privacy laws of a particular state, or other federal laws, rather than the HIPAA Privacy Regulations, might impose a privacy standard under which we will be required to operate. For example, where such laws have been enacted, we will follow more stringent state privacy laws that relate to uses and disclosures of the protected health information concerning HIV or AIDS, mental health, substance use disorder/chemical dependency, genetic testing, reproductive rights, or disclosure of health information of minors.

Questions and Complaints

If you want more information about our privacy practices or have questions or concerns, please contact us using the information at the end of this Notice.

If you are concerned that we may have violated your privacy rights, or you disagree with a decision we made about access to your health information, in response to a request you made to amend, restrict the use or disclosure of, or communicate in confidence about your health information, you may complain to us using the contact information at the end of this Notice. You also may submit a written complaint to the Secretary of the United States Department of Health and Human Services. We will provide you with the address to file your complaint with the United States Department of Health and Human Services upon request.

We support your right to the privacy of your health information. We will not retaliate in any way if you choose to file a complaint with us or with the U.S. Department of Health and Human Services.
