# **On-Site Enrollment**

When it's time to enroll in your benefits, your FFGA Account Representative will be on-site to assist you with making your elections. Visit your EBC for more information.

# Login

- Visit <u>https://ffga.benselect.com/Enroll/login.aspx</u>
- Login: Your Employee ID or Social Security Number (no dashes)
- PIN (first login only): The last four digits of your Social Security Number and the last two digits of the year you were born (six digits total)
- New PIN: The first time you log in you will be required to change to a new PIN. Please note your new PIN because you will use the new PIN from that point forward.

# View Current Benefits

After logging in, you will arrive at the welcome screen. Your current benefits and premium deductions will be listed on this screen.

# **Benefit Eligibility & Coverage** Employee Coverage

# Eligibility

Eligible employees must be actively at work on the plan effective date for new benefits to be effective.

# **New Employees**

You have 30 days from your actively-at-work date to make benefit elections. Insurance coverage becomes effective on the first day of the month that follows a waiting period of 30 calendar days.

# **Existing Employees**

When it's time to enroll in your benefits, your FFGA Account Representative will be available to assist you with making your elections. Before enrollment, take time to educate yourself on the available benefits and what options would work best for you and your family by visiting the Employee Benefits Center.

## **Mid-year Benefit Changes**

You may add or cancel coverage during the plan year if you have a change in family status. You must notify the benefits department within 30 days of the change.

## **Qualifying Life Events Include:**

- Changes in household, including marriage, divorce, legal separation, annulment, death of a spouse, birth, adoption, placement for adoption or death of a dependent child
- Loss of health coverage, attributable to your spouse's employment, losing existing health coverage including job-based, individual and student plans, losing eligibility for Medicare, Medicaid, or CHIP, turning 26 and losing coverage through a parent's plan

## **Declining Coverage**

If you are eligible for benefits, but wish to DECLINE coverage, you still need to sit with a First Financial Representative to "waive" benefits, view beneficiaries, confirm demographics and dependents.

# Section 125 Plans Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

### Here's How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

## Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 30 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

# **Flexible Spending Accounts**

First Financial Administrators, Inc. | <u>www.ffga.com</u> 1.866.853.3539 P.O. Box 161968 | Altamonte Springs, FL 32716

### **Medical FSA**

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2025 is \$3,300.

| <ul> <li>Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.</li> <li>Your full election will be available to you at the beginning of the plan year.</li> <li>Be conservative – any money left in your account at the end of the plan year will be forfeited.</li> <li>Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.</li> <li>Keep all receipts in case you need to substantiate a claim for tax purposes.</li> </ul> |
|---|
|---|

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

### **Dependent Care FSA**

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to \$5,000 per tax year for reimbursement of dependent care services. If you are married and file a separate tax return, the limit is \$2,500.

# Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

#### Portable, Permanent, Individual Life Insurance for Employees and Their Families

As an employee, you can apply for valuable life insurance protection on you and your family under eligibility guidelines established for your employer. Your employer has conveniently agreed to permit you to pay premiums through payroll deduction. This is a summary only. Policy provisions prevail. This brochure is not a contract or an offer to contract.

**Minimal Cash Values** Buy this policy for its life insurance protection, not its cash value. The primary benefit is life insurance. Payment of the Table Premium produces a small cash value (Benchmark Cash Value).

**Permanent Life Insurance Coverage** Unlike group term life insurance, PureLife-plus is a personally owned, permanent individual life insurance policy to age 121 that can never be canceled or reduced as long as you pay the necessary premiums, even if your health changes.

**Guaranteed Period** Continuous, timely, and uninterrupted payment of the Table Premium guarantees coverage for the Guaranteed Period shown. Texas Life (We) cannot legally predict the premium required to continue coverage after the Guaranteed Period. It may be lower, the same, or higher than the Table Premium. However, if the premium to continue coverage is ever higher, We guarantee a limited right to a partial refund of premium (described below).

**Guaranteed Limited Right to Partial Refund of Premium** If a premium higher than the Table Premium is ever required to continue coverage after the Guaranteed Period, you have the choice to:

- a. Pay the higher premium(s) required to continue coverage; or,
- b. Surrender the policy and receive a partial refund of premium equal to 120 times the minimum monthly premium due at issue (ten years worth of Table Premium). You are eligible for this refund if the actual cash value equals or exceeds the Benchmark Cash Value and you have taken no prior partial surrenders.

**Portable** Once issued, continued employment is not a condition to continue coverage. Coverage is guaranteed as long as required premiums are paid, even after you retire or terminate employment. When employment ends, you can pay equivalent monthly premiums directly or by bank draft (for monthly direct payments we add a monthly fee not to exceed \$2.00). Other modes are available.

Accelerated Death Benefit Due to Terminal Illness Rider This policy includes, at no additional premium, an Accelerated Death Benefit Due to Terminal Illness Rider (Form ICC07-ULABR-07). See details on next page.

**Individual and Family Coverage is Easy to Apply For** Subject to age and amount restrictions, you may apply for an individual policy on your life or your spouse's life (see chart next page for spouse's minimum/maximum amounts). An individual policy is

also available on each of your children ages 15 days — 26, and even on each of your grandchildren ages 15 days — 18. Proof of insurability is required. Most policies are issued based upon the answers to three work and health related application questions.

**Optional Benefits** According to the guidelines established for your employer, your application will include the following benefit for an additional cost depending upon your issue age.

Accidental Death Benefit This benefit to age 65 (Issue Ages 17-59) doubles the coverage when death occurs by accidental bodily injury within 180 days of an accident. Maximum in-force limits and exclusions apply. (Form ICC07-ULCL-ADB-07).

Accelerated Death Benefit Rider For Chronic Illness For Employee and Spouse Only This benefit provides an accelerated death benefit if an insured becomes chronically ill as defined in the rider. (Form ICC15-ULABR-CI-15). See details on next page.

**Interim Insurance:** Interim insurance will be inforce on the application date if these conditions are met: (1) the insurance is purchased through payroll deduction; (2) the Salary Deduction Authorization is signed; and, (3) the proposed insured is insurable at standard rates under Our rules and usual practice. Interim insurance remains in effect until the earlier of: (a) the Policy Date; (b) the date We decline the application; (c) the date We notify the applicant that s/he is ineligible for interim insurance; or, (d) the 180th day after the application date.

Policy Mechanics and Other Important Details Premiums are flexible. However, we highly recommend payment of the Table Premium during the Guaranteed Period, and no partial surrenders or policy loans. Table Premium produces a small cash value (Benchmark Cash Value). Paying a lesser premium results in an actual cash value which is less than Benchmark Cash Value, causing the policy to lapse. Premiums less a premium load create cash value to pay monthly administrative loads and cost of insurance. Cash value is currently credited at the guaranteed interest rate of 2.00% per year. We may, at any time, credit higher than the guaranteed interest rate. Likewise, We may charge cost of insurance rates which are less than the policy's maximum rates, but only when actual cash value equals or exceeds Benchmark Cash Value. No surrender charges apply. Loads include 10.00% of premium, \$2.03 per month and monthly administrative loads. Two year suicide and contestable clauses apply. The policy loan rate is 7.40% in advance. Surrenders and loans may be deferred for up to six months.

# TEXASLIFE INSURANCE

#### A Summary of the Accelerated Death Benefit Rider

#### Terminal Illness - included at no additional cost

The policy includes an Accelerated Death Benefit Due to Terminal Illness Rider. If the Insured has a terminal illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Terminal Illness is an injury or sickness diagnosed and certified by a qualifying physician that, despite the appropriate medical care, is reasonably expected to result in death within 12 months. This benefit is intended to qualify for favorable income tax treatment and may not be subject to federal income tax. (See Important Notices below.)

#### Chronic Illness - included with an additional premium

For an additional premium of 10% of the base policy premium, this policy may include an Accelerated Death Benefit Due to Chronic Illness Rider. If the Insured has a chronic illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Chronic Illness means the Insured permanently: (a) is unable to perform, without substantial assistance from another individual, at least two Activities of Daily Living due to a loss of functional capacity and will need services for the rest of his or her life; or (b) requires substantial supervision to protect the Insured from threats to health and safety due to severe cognitive impairment and will need services for the rest of his or her life. Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe cognitive impairment means deterioration or loss of intellectual capacity that: (1) places the Insured in jeopardy of harming himself or herself or others, and therefore, the Insured requires substantial supervision by another person; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.

This benefit will be calculated and paid as a lump sum only. This lump sum is intended to serve as a per diem accelerated death benefit as described under Section 101(g) of the Internal Revenue Code. You may be able to exclude certain portions of this accelerated death benefit (specifically, the greater of: (a) the lump sum equivalent of the per diem amount; or (b) the actual cost incurred for Services provided in the year the Accelerated Death Benefit is paid) from your taxable income. Your benefit for Chronic Illness will be calculated in accordance with the rider and you may, in some circumstances, be paid more than the excludable per diem amount.

#### **Important Notices**

Tax laws related to the acceleration of life insurance benefits are complex. The information presented in this Summary is general in nature. You should consult a qualified tax or legal advisor to determine the effect of receiving this benefit. Texas Life Insurance Company and its agents do not provide tax or legal advice.

Receipt of any accelerated death benefit under your policy may affect your, your spouse's and your family's eligibility for medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), Supplemental Social Security Income (SSI), and drug assistance programs. You should consult with a qualified tax or legal advisor and the relevant social service agencies to determine how receiving the benefit may affect your, your spouse's, and your family's eligibility for public assistance.

An accelerated death benefit is not long term care insurance. This summary provides a general description of any accelerated death benefit under your policy. Your policy and riders contain certain exclusions, limitations, and exceptions. Please refer to your policy and rider for details. The right to accelerate benefits under any accelerated death benefit does not extend to any Child Term Life Insurance Rider. However, if the accelerated death benefit under any rider is paid, any coverage provided under the Child Term Life Insurance Rider attached to this policy becomes a paid up term insurance policy on each covered child.

This paid up coverage on each child will terminate on each covered child's 25th birthday. Payment under any accelerated death benefit rider terminates the policy and all other optional benefits/riders and reduces all insurance proceeds, cash values and loan values to zero.

### Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

## Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

## Cancer Insurance Plan Options

### Guardian | <u>www.guardianlife.com</u> | 888.600.1600

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It's impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the Employee Benefits Center and view policy for more details.

**Watch our video** How cancer insurance can ease the financial burden of a cancer diagnosis.

## Cancer insurance

If you're diagnosed with cancer, the last thing you need to think about is the cost. Cancer insurance helps ease the financial burden.

Every year, more and more people are diagnosed with cancer. Unfortunately, in addition to bearing the physical and emotional toll of this disease, patients are often saddled with added financial expenses.

### Who is it for?

Cancer insurance is for people who want added financial protection, in addition to their regular health insurance. It comes into play if you are diagnosed with cancer—providing additional financial support to help keep the focus on your cancer treatment and recovery.

### What does it cover?

Cancer insurance benefits can help you handle medical plan deductibles, co-pays and other out-of-pocket costs by providing benefits when you receive radiation or chemotherapy treatment, or are hospitalized for surgery to treat cancer. These benefits can be used for non-medical expenses such as transportation to treatment facilities, and even everyday living expenses like groceries, rent, and mortgage payments.

### Why should I consider it?

Health coverage may become more expensive, with higher co-pays, premiums, and deductibles. The unexpected out-of-pocket expenses of cancer recovery, including transportation, co-pays, and deductibles, can add up fast. What's more, some of the costs you may incur during recovery are non-medical, such as covering a mortgage, childcare, and household expenses. Cancer insurance can help you pay for all of them.

Plus, cancer insurance is portable and payments are made directly to you.

You will receive these benefits if you meet the conditions listed in the policy.

### **Extra support**

Sarah's diagnosed with kidney cancer after a screening test and decides to undergo kidney removal surgery.

Average surgical expense: \$25,000

Average Major Medical deductible: **\$1,500** 

Major Medical covers 80% of the surgical cost after the deductible is met, but Sarah's still responsible for 20%: **\$4,700** 

Total out-of-pocket amount for Sarah (deductible + coinsurance): **\$6,200** 

Sarah has Guardian's Cancer Advantage policy, which pays her **\$2,500** as an initial diagnosis benefit and **\$2,100** for a 7-day hospital stay.

This gives her a total of **\$4,600** to help cover a portion of her out-of-pocket amount.

This example is for illustrative purposes only. Your plan's coverage may vary. See your plan's information on the following pages for specific amounts and details.

## Critical illness insurance

Critical illness insurance may help you cover expenses not covered by your health insurance.

It's a cash payment you receive if you ever experience a serious illness like cancer, a heart attack, or a stroke, giving you the financial support to focus on recovery.

### Who is it for?

Critical illness insurance is a supplemental policy for people who already have health insurance. It provides you with an additional payment to cover expenses like deductibles, treatments, and living costs.

### What does it cover?

Critical illnesses include strokes, heart attacks, Parkinson's disease and cancer. Our policies can cover over 30 major illnesses, helping you stay financially stable by paying you a lump sum if you're diagnosed with one of them.

### Why should I consider it?

Health coverage is becoming more expensive, with higher co-pays, premiums, and deductibles. Critical illness insurance is an affordable way to supplement and pay for additional expenses that your health insurance doesn't cover. Our policies typically provide payments for the first and second time you're diagnosed with a covered illness.

Plus, critical illness insurance is portable and payments are made directly to you.

### **EXCLUSIONS AND LIMITATIONS**

A SUMMARY OF PLAN LIMITATIONS AND EXCLUSIONS FOR CRITICAL ILLNESS:

We will not pay benefits for a Second occurrence (recurrence) of a Critical Illness unless the Covered Person has not exhibited symptoms or received care or treatment for that Critical Illness for at least 6 months in a row prior to the recurrence. For purposes of this exclusion, care or treatment does not include: (1) preventive medications in the absence of disease: and (2) routine scheduled follow-up visits to a doctor. If one illness causes or contributes to another illness, we'll pay benefits for only one of these illnesses. We'll pay for the illness that has the larger benefit. If the benefit amounts for the illness are the same, we'll let you choose which one we pay.

We do not pay benefits for claims relating to a covered person: taking part in any war or act of war (including service in the armed forces) committing a felony or taking part in any riot or other civil disorder or intentionally injuring themselves or attempting suicide while same or insame.

Employees must be legally working in the United States in order to be eligible for coverage. Underwriting must approve coverage for employees on temporary assignment: (a) exceeding I year; or (b) in an area under travel warning by the US Department of State, subject to state specific variations. It does not provide "basic hospital," "basic medical," or " medical" insurance as defined by the New York State Insurance Department.

Health questions are required on late enrollees. This coverage will not be effective until approved by a Guardian underwriter.

This policy will not pay for a diagnosis of a listed critical illness that is made before the insured's Critical Illness effective date with Guardian.

The policy has exclusions and limitations that may impact the eligibility for or entitlement to benefits under each covered condition. See your certificate booklet for a full listing of exclusions & limitations..

If Critical Illness insurance premium is paid for on a pre tax basis, the benefit may be taxable. Please contact your tax or legal advisor regarding the tax treatment of your policy benefits..

## Accident insurance

Accidents happen. With accident insurance, you can help them hurt a bit less.

Accident insurance is an extra layer of protection that gives you a cash payment to help cover out-of-pocket expenses when you suffer an unexpected, qualifying accident.

### Who is it for?

Nobody can predict when an accident might happen. That's why accident insurance is an important add-on policy for people who want to supplement the health and disability insurance coverage they already have individually or through an employer.

### What does it cover?

Accident Insurance pays you lump sum of benefits after you suffer an accident. This could be more than 40 different circumstances, including: emergency treatment, ambulance, burns, dislocations, fractures, hospital confinement, and surgery.

### Why should I consider it?

Health coverage may become more expensive, with higher co-pays, premiums, and deductibles. Accident insurance can be a simple, affordable way to help supplement and cover additional expenses your health and disability insurance may not cover, including x-rays, ambulance services, deductibles, and even things like rent or groceries.

Plus, accident insurance is portable and payments are made directly to you.

### Added support during recovery

Amanda breaks her leg falling off her bike and needs emergency treatment.

Average non-surgical broken leg treatment expense: **\$2,500** 

Average Major Medical deductible: **\$1,500** 

Major Medical covers 80% of the surgical cost after the deductible is met, but Amanda's still responsible for 20%: **\$200** 

Total out-of-pocket amount for Amanda (deductible + coinsurance): \$1,700

Amanda's Guardian Accident policy pays her a benefit of **\$1,700**, which covers all of her out-of-pocket expenses.

This example is for illustrative purposes only. Your plan's coverage may vary. See your plan's information on the following pages for specific amounts and details.

You will receive these benefits if you meet the conditions listed in the policy.

### 403(b) Retirement Plan

Research shows that Americans are living well past retirement years. Are you saving enough to be able to enjoy those years? A 403(b) plan can help you get there.

It's an IRS-approved retirement plan that allows you to set aside money on a pre-tax basis for your retirement. Contributions are conveniently made through payroll deduction, so money is moved from your paycheck into the account automatically. Plus, you employer may even match your contributions based on how much you put into the plan. Now is the time to take full advantage of this opportunity to maximize your retirement savings!

### 457(b) Retirement Plan

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred or ROTH basis. One significant way the 457(b) differs from the 403(b) is that distributions are never subject to the 10 percent tax for early withdrawal.

## 403(b) Retirement Plans

First Financial Administrators, Inc. |<u>www.ffga.com</u>| 800-523-8422, option 2 | retirement@ffga.com

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

### How a 403(b) Works

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee's taxable income. Contributions grow tax-deferred until the time of retirement when withdrawals are taxed as ordinary income.

### **Benefits**

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan.
- Receive periodic account statements
