

DID YOU KNOW?

**25 MILLION PEOPLE**

are sent to the emergency room through ground or air ambulance every year\*.

Insurance companies **may not** cover all air and ground ambulance expenses which can result in in-network out-of-pocket costs.\*\*

Ground ambulance **out-of-network transportation costs may be even higher than in-network.**

## EMERGENCY PLUS MEMBERSHIP BENEFITS

A MASA MTS Membership provides the ultimate peace of mind at an affordable rate for emergency ground and air transportation assistance expenses within the continental United States, Alaska, Hawaii, and while traveling in Canada, regardless of whether the provider is in or out of your group healthcare benefits network. After the group health plan pays its portion, MASA works with providers to make certain our Members have no out-of-pocket expenses~ for emergency ambulance transportation assistance and other related services.

### Emergency Air Ambulance Coverage<sup>1</sup>

MASA MTS covers out-of-pocket expenses associated with emergency air transportation to a medical facility for serious medical emergencies deemed medically necessary for you or your dependent family member.

### Emergency Ground Ambulance Coverage<sup>1</sup>

MASA MTS covers out-of-pocket expenses associated with emergency ground transportation to a medical facility for serious medical emergencies deemed medically necessary for you or your dependent family member.

### Hospital to Hospital Ambulance Coverage<sup>1</sup>

MASA MTS covers out-of-pocket expenses that you or a dependent family member may incur for hospital transfers, due to a serious emergency, to the nearest and most appropriate medical facility when the current medical facility cannot provide the required level of specialized care by air ambulance to include medically equipped helicopter or fixed-wing aircraft.

### Repatriation to Hospital Near Home Coverage<sup>1</sup>

MASA MTS provides services and covers out-of-pocket expenses for the coordination of a Member's non-emergency transportation by a medically equipped, air or ground ambulance in the event of hospitalization more than one hundred (100) miles from the Member's home if the treating physician and MASA MTS' Medical Director says it's medically appropriate and possible to transfer the Member to a hospital nearer to home for continued care and recuperation.
