**LASIK Low Plan**

LASIK Advantage provides coverage for LASIK and related procedures, including standard LASIK, Custom LASIK, LASIK with Wavefront Technology, CustomVue LASIK, LASIK with IntraLase technology and Photorefractive Keratectomy (PRK). Members earn a lifetime benefit per eye over time. The benefit amount increases throughout a three-year period, with the highest coverage provided at year three. Members earn benefits for each eye and can't combine benefits for both eyes to use for a single eye. If a member enrolls after the initial enrollment period, they must wait 12 months from enrollment to be eligible for coverage; after 12 months the member will begin coverage at the year-one benefit. The LASIK Advantage benefit is available to members age 18 and older. Adult and child coverage is allowed - adult only and child only coverage are not. LASIK Advantage is only available with dental plans with preventive, basic and major coverage. There is no network tied to this coverage.
