EDUCATOR DISABILITY INSURANCE OVERVIEW

What is Educator Disability Income Insurance?

Educator Disability insurance combines the features of a short-term and long-term disability plan into one policy. The coverage pays you a portion of your earnings if you cannot work because of a disabling illness or injury. The plan gives you the flexibility to choose a level of coverage to suit your need.

You have the opportunity to purchase Disability Insurance through your employer. This highlight sheet is an overview of your Disability Insurance. Once a group policy is issued to your employer, a certificate of insurance will be available to explain your coverage in detail.

Why do I need Disability Insurance Coverage?

PROVISIONS OF THE PLAN

Definition of Disability	Disability is defined as The Hartford's contract with your employer. Typically, disability means that you cannot perform one or more of the essential duties of your occupation due to injury, sickness, pregnancy or other medical conditions covered by the insurance, and as a result, your current monthly earnings are 80% or less of your pre-disability earnings.
---------------------------------	--

Once you have been disabled for 24 months, you must be prevented from performing one or more essential duties of any occupation, and as a result, your monthly earnings are 66 2/3% or less of your pre-disability earnings.

Pre-Existing Condition Limitation	Your policy limits the benefits you can receive for a disability caused by a pre-existing condition. In general, if you were diagnosed or received care for a disabling condition within the 3 consecutive months just prior to the effective date of this policy, your benefit payment will be limited, unless: You have been insured under this policy for 12 months before your disability begins.
--	---

If your disability is a result of a pre-existing condition, we will pay benefits for a maximum of 1 month.

Continuity of Coverage	If you were insured under your district's prior plan and not receiving benefits the day before this policy is effective, there will not be a loss in coverage and you will get credit for your prior carrier's coverage.
-------------------------------	--

Recurrent Disability	<i>What happens if I Recover but become Disabled again?</i> Periods of Recovery during the Elimination Period will not interrupt the Elimination
-----------------------------	---

Period, if the number of days You return to work as an Active Employee are less than one-half (1/2) the number of days of Your Elimination Period.
Any day within such period of Recovery, will not count toward the Elimination Period.
