

Your Benefits After Employment

This packet contains the information and forms you need to keep the supplemental benefits that remain available to you after you leave the District. Some of these benefits are portable and some are covered by the Consolidated Omnibus Budget Reconciliation Act of 1985, also known as COBRA.*

Portable means that you can choose to pay the premiums directly to the contracted vendor and continue these benefits for you and your family members (if applicable).

Group health coverage for COBRA participants is generally more expensive than health coverage for active employees because the employer usually pays part of the premium. COBRA participants typically pay the entire premium themselves. However, premiums under COBRA tend to be less expensive than individual health coverage from another provider.

Medical Coverage

If you resign during your calendar/contract, medical coverage will cease at the end of the month of your final workday. If you complete your calendar/contract, medical coverage will end on the last day of the month you receive your final paycheck.

If you have questions, please contact the benefits vendor directly. Contact information for each of your school district's vendors can be found on the following pages.

** COBRA is a U.S. Congress-passed bill. The health benefit provisions of the law amend the Employee Retirement Income Security Act, the Internal Revenue Code and the Public Health Service Act to provide continuation of group health coverage that otherwise might be terminated. COBRA contains provisions giving certain former employees, retirees, spouses, former spouses, and dependent children the right to temporary continuation of health coverage at group rates.*

Flexible Spending Accounts

Your Flexible Spending Accounts (FSA) from First Financial Group Administrators (FFGA) are available through COBRA only if you have unused funds and continue to contribute to the account during the plan year. If you leave the district at the end of the plan year, the accounts end, and no new elections can be made. For example, if your termination date is Aug. 31, and you currently have an FSA that also ends Aug. 31, you cannot start a new account effective Sept. 1. On the other hand, if your last day is July 31, and your FSA ends Aug. 31, and you have funds left, you can contribute the final month of payments and use your account through Aug. 31. Keep in mind the "use or lose" rule to make sure you spend those pre-tax dollars before they are gone. For questions, contact FFGA at (800) 523-8422, Option 4 or send an email to cobra@ffga.com.

Health Savings Account

Once established, your Health Savings Account (HSA) from First Financial Group Administrators is yours forever regardless of employment. Once you reach age 65, your funds can be withdrawn at any time and are only subject to ordinary income tax. However, you can avoid taxes by continuing to use the funds only for qualified medical expenses. For those over age 65, premiums for Medicare Part A or B, Medicare HMO, and employee premiums for employer-sponsored health insurance can be paid from an HSA. If you elect COBRA continuation coverage, your premium payments also may be paid from an HSA. Your account will be converted to a Retail Account and you will receive a new card after all payroll deposits have posted to the account. Retail Accounts may be subjected to monthly fees.
