

Nationwide Ground & Air Ambulance Plans

No matter who picks you up or where you are, we eliminate your out-of-pocket costs for medical transportation and more

Fill the **gaps** in your health insurance when it comes to medical transportation

Emergency medical transportation often exposes major gaps in your insurance coverage – beginning with high and ever increasing deductibles and coinsurance.

These costs skyrocket to **more than \$20,000** if transportation is out-of-network, if coverage is limited to certain types of transportation or providers, or if claims are denied entirely due to medical necessity.

We provide a **complete solution** to eliminate your out-of-pocket costs

EVACU gives you financial peace of mind when the unexpected happens by protecting your family from out-of-pocket expenses that can come with 911 emergency transport – whether it's by ground or air.

With EVACU, there are **no provider limits, no network restrictions, and no surprises**. Your membership gives you simple, predictable protection for emergency transportation – no matter which ambulance service responds. It's straightforward coverage designed to remove barriers, eliminate uncertainty, and give you confidence when you need it most.

Simple to offer, **easy** to use

There's no complicated setup or administrative burden – enrollment is quick, and managing memberships is straightforward through our **industry-leading administration platform**.

Claim submissions and processing is clear and simple, eliminating confusion and delays for both HR teams and employees.

By offering EVACU, you provide a benefit that is easy to communicate, easy to use, and truly valued by employees. It not only enhances your benefits package but also demonstrates that you care about your team's safety, well-being, and peace of mind.
