The Ideal Complement

Our voluntary permanent life insurance product can be an ideal complement to the group term and optional term life insurance your employer might provide. This voluntary permanent universal life product is yours to keep, even when you change jobs or retire, as long as you pay the necessary premium. Group and voluntary term life insurance may be portable if you change jobs, but even if you can keep them after you retire, they usually cost more and decline in death benefit.

No Exams Or Needles!

You can qualify by answering just 3 quick questions.¹

3. Been disabled or received tests, treatment or care of any kind in a hospital or nursing home or received chemotherapy, hormonal therapy for cancer, radiation, dialysis treatment, or treatment for alcohol or drug abuse?

- **Refund of Premium.** Unique in the workplace, PURELIFE-PLUS offers you a refund of 10 years' premium, should you surrender the contract if initial specified premium paid for ever increases. *(Conditions apply.)*
- **Accelerated Death Benefit Due to Terminal Illness Rider.**³ Should you be diagnosed as terminally ill with the expectation of death within 12 months, you will have the option to receive 92% of the death benefit, minus a \$150 (\$100 in Florida) administrative fee. Included with your contract at no additional cost, this valuable living benefit helps give you peace of mind knowing that, should you need it, you can take the large majority of your death benefit while still alive.

This rider will be triggered by the loss of two out of six Activities of Daily Living⁶ or Severe Cognitive Impairment for a period of 90 days. It pays the insured up to 92% of the death benefit minus a \$150 administrative fee, should the insured decide to exercise it. This valuable living benefit can help offset the cost of either in-home care or care in a resident facility.
- **Minimal Cash Value.** Designed to provide a high death benefit at a reasonable premium, PURELIFE-PLUS helps provide peace of mind for you and your beneficiaries while freeing investment dollars to be directed toward such tax-favored retirement plans as 403(b), 457 and 401(k).
