## *Portable, Permanent, Individual Life Insurance for Employees and Their Families*

As an employee, you can apply for valuable life insurance protection on you and your family under eligibility guidelines established for your employer. Your employer has conveniently agreed to permit you to pay premiums through payroll deduction. This is a summary only. Policy provisions prevail. This brochure is not a contract or an offer to contract.

**Minimal Cash Values** Buy this policy for its life insurance protection, not its cash value. The primary benefit is life insurance. Payment of the Table Premium produces a small cash value (Benchmark Cash Value).

**Permanent Life Insurance Coverage** Unlike group term life insurance, PureLife-plus is a personally owned, permanent individual life insurance policy to age 121 that can never be canceled or reduced as long as you pay the necessary premiums, even if your health changes.

**Guaranteed Period** Continuous, timely, and uninterrupted payment of the Table Premium guarantees coverage for the Guaranteed Period shown. Texas Life (We) cannot legally predict the premium required to continue coverage after the Guaranteed Period. It may be lower, the same, or higher than the Table Premium. However, if the premium to continue coverage is ever higher, We guarantee a limited right to a partial refund of premium (described below).

**Guaranteed Limited Right to Partial Refund of Premium** If a premium higher than the Table Premium is ever required to continue coverage after the Guaranteed Period, you have the choice to:

- a. Pay the higher premium(s) required to continue coverage; or,
- b. Surrender the policy and receive a partial refund of premium equal to 120 times the minimum monthly premium due at issue (ten years worth of Table Premium). You are eligible for this refund if the actual cash value equals or exceeds the Benchmark Cash Value and you have taken no prior partial surrenders.

**Portable** Once issued, continued employment is not a condition to continue coverage. Coverage is guaranteed as long as required premiums are paid, even after you retire or terminate employment. When employment ends, you can pay equivalent monthly premiums directly or by bank draft (for monthly direct payments we add a monthly fee not to exceed \$2.00). Other modes are available.

**Accelerated Death Benefit Due to Terminal Illness Rider** This policy includes, at no additional premium, an Accelerated Death Benefit Due to Terminal Illness Rider (Form ICC07-ULABR-07). See details on next page.

**Individual and Family Coverage is Easy to Apply For** Subject to age and amount restrictions, you may apply for an individual policy on your life or your spouse's life (see chart next page for spouse's minimum/maximum amounts). An individual policy is

also available on each of your children ages 15 days — 26, and even on each of your grandchildren ages 15 days — 18. Proof of insurability is required. Most policies are issued based upon the answers to three work and health related application questions.

**Optional Benefits** According to the guidelines established for your employer, your application will include the following benefit for an additional cost depending upon your issue age.

**Accidental Death Benefit** This benefit to age 65 (Issue Ages 17-59) doubles the coverage when death occurs by accidental bodily injury within 180 days of an accident. Maximum in-force limits and exclusions apply. (Form ICC07-ULCL-ADB-07).

**Accelerated Death Benefit Rider For Chronic Illness For Employee and Spouse Only** This benefit provides an accelerated death benefit if an insured becomes chronically ill as defined in the rider. (Form ICC15-ULABR-CI-15). See details on next page.

**Interim Insurance:** Interim insurance will be in force on the application date if these conditions are met: (1) the insurance is purchased through payroll deduction; (2) the Salary Deduction Authorization is signed; and, (3) the proposed insured is insurable at standard rates under Our rules and usual practice. Interim insurance remains in effect until the earlier of: (a) the Policy Date; (b) the date We decline the application; (c) the date We notify the applicant that s/he is ineligible for interim insurance; or, (d) the 180th day after the application date.

**Policy Mechanics and Other Important Details** Premiums are flexible. However, we highly recommend payment of the Table Premium during the Guaranteed Period, and no partial surrenders or policy loans. Table Premium produces a small cash value (Benchmark Cash Value). Paying a lesser premium results in an actual cash value which is less than Benchmark Cash Value, causing the policy to lapse. Premiums less a premium load create cash value to pay monthly administrative loads and cost of insurance. Cash value is currently credited at the guaranteed interest rate of 2.00% per year. We may, at any time, credit higher than the guaranteed interest rate. Likewise, We may charge cost of insurance rates which are less than the policy's maximum rates, but only when actual cash value equals or exceeds Benchmark Cash Value. No surrender charges apply. Loads include 10.00% of premium, \$2.03 per month and monthly administrative loads. Two year suicide and contestable clauses apply. The policy loan rate is 7.40% in advance. Surrenders and loans may be deferred for up to six months.

## A Summary of the Accelerated Death Benefit Rider

### **Terminal Illness - included at no additional cost**

The policy includes an Accelerated Death Benefit Due to Terminal Illness Rider. If the Insured has a terminal illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Terminal Illness is an injury or sickness diagnosed and certified by a qualifying physician that, despite the appropriate medical care, is reasonably expected to result in death within 12 months. This benefit is intended to qualify for favorable income tax treatment and may not be subject to federal income tax. (See Important Notices below.)

### **Chronic Illness - included with an additional premium**

For an additional premium of 10% of the base policy premium, this policy may include an Accelerated Death Benefit Due to Chronic Illness Rider. If the Insured has a chronic illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Chronic Illness means the Insured permanently: (a) is unable to perform, without substantial assistance from another individual, at least two Activities of Daily Living due to a loss of functional capacity and will need services for the rest of his or her life; or (b) requires substantial supervision to protect the Insured from threats to health and safety due to severe cognitive impairment and will need services for the rest of his or her life. Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe cognitive impairment means deterioration or loss of intellectual capacity that: (1) places the Insured in jeopardy of harming himself or herself or others, and therefore, the Insured requires substantial supervision by another person; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.

This benefit will be calculated and paid as a lump sum only. This lump sum is intended to serve as a per diem accelerated death benefit as described under Section 101(g) of the Internal Revenue Code. You may be able to exclude certain portions of this accelerated death benefit (specifically, the greater of: (a) the lump sum equivalent of the per diem amount; or (b) the actual cost incurred for Services provided in the year the Accelerated Death Benefit is paid) from your taxable income. Your benefit for Chronic Illness will be calculated in accordance with the rider and you may, in some circumstances, be paid more than the excludable per diem amount.

### **Important Notices**

Tax laws related to the acceleration of life insurance benefits are complex. The information presented in this Summary is general in nature. You should consult a qualified tax or legal advisor to determine the effect of receiving this benefit. Texas Life Insurance Company and its agents do not provide tax or legal advice.

Receipt of any accelerated death benefit under your policy may affect your, your spouse's and your family's eligibility for medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), Supplemental Social Security Income (SSI), and drug assistance programs. You should consult with a qualified tax or legal advisor and the relevant social service agencies to determine how receiving the benefit may affect your, your spouse's, and your family's eligibility for public assistance.

An accelerated death benefit is not long term care insurance. This summary provides a general description of any accelerated death benefit under your policy. Your policy and riders contain certain exclusions, limitations, and exceptions. Please refer to your policy and rider for details. The right to accelerate benefits under any accelerated death benefit does not extend to any Child Term Life Insurance Rider. However, if the accelerated death benefit under any rider is paid, any coverage provided under the Child Term Life Insurance Rider attached to this policy becomes a paid up term insurance policy on each covered child.

This paid up coverage on each child will terminate on each covered child's 25th birthday. Payment under any accelerated death benefit rider terminates the policy and all other optional benefits/riders and reduces all insurance proceeds, cash values and loan values to zero.

**Representation of benefit payable - Terminal or Chronic Illness**

The following chart shows the effect of exercising an accelerated benefit on the base policy. This example is using a \$50,000 policy with a \$2,000 policy loan balance and all premiums are current. This chart is for representation purposes only. Your benefits may be higher or lower, depending on your face amount of coverage, any unpaid policy loan balance, and any overdue premiums.

## Section I. Existing Insurance or Annuities

### Replacement of Life Insurance or Annuities

#### Important Notice -- Four pages

#### This document must be signed by the applicant and the producer and a copy left with the applicant

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financial purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy, to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy or contract and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

**Yes**  **No** Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?

**Yes**  **No** Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contracts?

**If you answered "No" to BOTH questions, skip Section II and complete Section III.**

## Section II. Replacing Existing Insurance or Annuities

If you answered YES to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured, and the contract number if available) and whether each policy will be replaced or used as a source of financing:

	Insurer Name	Policy Number	Insured/Annuitant	Replaced (R) or Financed (F)
1.	_____	_____	_____	<input type="checkbox"/> R <input type="checkbox"/> F
2.	_____	_____	_____	<input type="checkbox"/> R <input type="checkbox"/> F
3.	_____	_____	_____	<input type="checkbox"/> R <input type="checkbox"/> F

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. [If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer.] Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision. The existing policy or contract is being replaced because: \_\_\_\_\_

**Continued Next Page**

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

#### **PREMIUMS**

Are they affordable?

Could they change?

You're older—are premiums higher for the proposed new policy?

How long will you have to pay premiums on the new policy? On the old policy?

#### **POLICY VALUES**

New policies usually take longer to build cash values and to pay dividends.

Acquisition costs for the old policy may have been paid, you will incur costs for the new one.

What surrender charges do the policies have?

What expense and sales charge will you pay on the new policy?

Does the new policy provide more insurance coverage?

#### **INSURABILITY**

If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.

You may need a medical exam for a new policy.

Claims on most new policies for up to the first two years can be denied based on inaccurate statements.

Suicide limitations may begin anew on the new coverage.

#### **IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY**

How are premiums for both policies being paid?

How will the premiums on your existing policy be affected?

Will a loan be deducted from death benefits?

What values from the old policy are being used to pay premiums?

**IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST-SENSITIVE LIFE PRODUCT**

Will you pay surrender charges on your old contract?

What are the interest rate guarantees for the new contract?

Have you compared the contract charges or other policy expenses?

**OTHER ISSUES TO CONSIDER FOR ALL REPLACEMENTS**

What are the tax consequences of buying the new policy?

Is this a tax free exchange? (See your tax advisor.)

Is there a benefit from favorable grandfathered treatment of the old policy under the federal tax code?

Will the existing insurer be willing to modify the old policy?

How does the quality and financial stability of the new company compare to the present company?

## Privacy Notice - Two pages

**Thank you for your interest in our products and services. We will review what you told us and may get further information if needed.**

### **READ THIS NOTICE CAREFULLY**

It describes in broad terms how we learn about you and anyone else who is to be insured under the contract you applied for. It tells how we treat that information. If anyone else is to be insured under the contract you applied for, what we say here also applies to information about him or her. We are required by law to give you this notice.

### **WHY WE NEED INFORMATION**

We need to know about you (and anyone else to be insured) to provide the insurance and other products and services you've asked for. We may also need it to administer your business with us, evaluate claims, process transactions and run our business. And we need information from you and others to help us verify identities in order to prevent money laundering and terrorism.

We need to know your address, age and other basic information. But we may need more information, including finances, employment, health, hobbies or business conducted with us, or with other companies.

### **HOW WE GET INFORMATION**

What we know about you (and anyone else to be insured) we get mostly from you. But we may also have to find out more from others in order to make sure that what we know is correct and complete. This personal information may be collected from persons other than you, and may be disclosed in certain circumstances to third parties without your authorization. Other sources may include adult relatives, employers, consumer reporting agencies, health care providers and others. Some sources may give us reports and may disclose what they know to others. We may ask for medical information about you. The Authorization you signed when you applied for insurance permits these sources to tell us about you. So we may, for instance, at our expense:

- Ask for a medical exam — Ask for blood and urine tests
- Ask health care providers to give us health data, including information about alcohol or drug abuse

This will help us decide eligibility for insurance from us and what we should charge for it. We may also ask a consumer reporting agency for a "consumer report" about you (or anyone else to be insured). Consumer reports may tell us about a lot of things, like:

- Work and work history — Mode of living — Finances — Reputation — Dangerous sports activity — Driving record

If we ask an agency for an "investigative" report about you - which means that they will ask others about you - we will ask them to contact you as well. The information may be kept by the consumer reporting agency and given to others as permitted by law. The agency will give you a copy of the report it provides to us, if you ask the agency and can provide adequate identification. If you write to us, we will tell you if we have asked for a consumer report about you, and give you the name, address and phone number of the consumer reporting agency.

MIB, Inc. ("MIB") is a commonly used source of information. It is a not-for-profit association of life insurance companies. We and our reinsurers may give MIB health or other information about you. - Confirm or correct what we know about you
- Help us prevent fraud and other crimes
- Help us process claims and other transactions

When we disclose information to others to perform business services for us, they must take appropriate steps to protect this information. And they may use the information only for the purposes of performing those business services.

Other reasons we may disclose what we know about you include:

- Doing what a court or government agency requires us to do; for example, complying with a search warrant or subpoena

## **YOU CAN SEE AND CORRECT YOUR INFORMATION**

Generally, we will let you review what we know about you if you ask us in writing. (Because of its legal sensitivity, we will not show you anything that we learned in connection with a claim or lawsuit.) Also, if the law allows us to do so, we may decide to disclose what we know about your health only through your health care provider. If you tell us that what we know about you is incorrect, we will review it. If we agree with you, we will correct our records. If we do not agree with you, you may tell us in writing, and we will include your statement when we give your information to anyone outside our company or affiliate.
