# SECTION 125 PLANS

## SECTION 125 PLAN INFORMATION AND RULES

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

### HERE'S HOW IT WORKS

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

### IS IT RIGHT FOR ME?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

## MEDICAL FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and reimburse yourself for out-of-pocket medical expenses not covered under your medical plan. Your employer has chosen the \$640 carryover option for your Medical FSA plan. This option allows you the opportunity to carry over up to \$640 of unclaimed Medical FSA funds into the following plan year. Keep in mind that balances more than \$640 will be forfeited under the use-it-or-lose-it rule.

**Your maximum contribution amount for 2024 is \$3,200.**

### HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.

## HEALTH SAVINGS ACCOUNTS

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

### Health Plans Must Cover OTC COVID-19 Tests

Families First Coronavirus Response Act (FFCRA) and the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) are laws passed which include requiring group health coverage to cover the costs of over-the-counter (OTC) COVID-19 diagnostic tests (up to \$12.00). The Department of Labor (DOL) and the Internal Revenue Service (IRS) has provided additional guidance to prevent fraud and abuse, the insurer or plan provider, may require an attestation, the OTC COVID-19 test was purchased by the participant, beneficiary, or enrollee for personal use, not for employment purposes, has not been (and will not be) reimbursed by another source, and is not for resale.

## HIGHLIGHTS

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.

- You cannot be enrolled in Tricare or Medicare or covered under your spouse's traditional (non-HDHP) health care plan.

# DISABILITY INSURANCE

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 1.800.654.8489

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

# CANCER INSURANCE

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 1.800.654.8489

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It's impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the Employee Benefits Center and view policy for more details.

# IDENTITY THEFT PROTECTION

iLOCK360 | [www.iLOCK360.com](http://www.iLOCK360.com) | 1.855.287.8888

Millions of Americans report having their identity stolen each year. People are online and mobile more than any time in history, so it's no surprise that identity theft is on the rise. And it goes far beyond simply having your credit card number stolen. While credit card fraud is one of the highest reported types of identity theft, it also includes bank, loan, phone and tax-related fraud.

Identity theft insurance won't prevent your identity from being stolen. But it will be there to alert you if any suspicious activity is noticed under your name. The plan includes credit bureau monitoring, social security number usage and lost wallet protection. Accounts are monitored daily so you can rest easy knowing your identity is being protected even while you sleep. The sooner you can take action to close your accounts, the quicker you can recover your identity.

It takes years to establish a good reputation with credit lenders and employers. Make sure it remains yours by taking advantage of the identity theft insurance offered through your employer.

# VOLUNTARY RETIREMENT PLANS

TCG Services | [www.tcgservices.com](http://www.tcgservices.com) |  
1.800.943.9179

## 457(b) RETIREMENT PLAN

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred basis. The plan contains most of the same features of the 403(b) plan but is different in one unique way. Distributions from a 457(b) Deferred Compensation Plan are not subject to the 10 percent excise tax for early withdrawal.

## CONTRIBUTION LIMITS

In 2024, you can contribute 100 percent of your includible compensation up to \$23,000, whichever is less. If you are age 50 or older, you can contribute up to an additional \$7,500 for a total of \$30,000.

# HOSPITAL INDEMNITY INSURANCE

AFLAC | [www.aflacgroupinsurance.com](http://www.aflacgroupinsurance.com) | 1.800.433.3036

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

# COBRA

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) | 1.800.523.8422, option 4

Life is full of unexpected events that may impact your health insurance coverage. Under the Consolidated Omnibus Budget Reconciliation Act, better known as COBRA, you have the right to continue your group health coverage such as medical, dental, vision insurance and flexible spending accounts for a limited period of time.

## HIGHLIGHTS

- Temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work, divorce, death or a child no longer qualifying as a dependent. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.
- Either you or your family member are responsible for notifying your employer of a divorce, legal separation or child losing dependent status within 60 days of the event. In the case of termination, death or reduction in hours, your employer will be responsible for letting the provider know that you have the right to continue coverage under COBRA.
- Benefits will remain identical to what you had while employed. However, you will be responsible for paying the full premium, plus any applicable fees.

# MEDICAL TRANSPORTATION

MASA | [www.masamts.com](http://www.masamts.com) | 800.643.9023

Americans today suffer from a false sense of security that their medical coverage will pay for all costs associated with emergency or critical care transport. The reality is that a majority of Americans are only partially covered for these high costs.

Most medical plans will only pay a portion of costs leaving you with the remainder of the bill. There is also the possibility of your medical provider denying your claim altogether, which means you would be responsible for paying the entire bill.

With medical transport protection, you will have zero out-of-pocket expenses for any emergent air or ground transport from anywhere in the United States, regardless of who transports you. You will receive medical emergency transportation solutions to help cover your out-of-pocket medical transport costs when your insurance falls short.

## EMERGENCY TRANSPORTATION COSTS

MASA MTS is here to protect its members and their families from the shortcomings of health insurance coverage by providing them with comprehensive financial protection for lifesaving emergency transportation services, both at home and away from home.

Many American employers and employees believe that their health insurance policies cover most, if not all ambulance expenses. The truth is, they DO NOT!

Even after insurance payments for emergency transportation, you could receive a bill up to \$5,000 for ground ambulance and as high as \$70,000 for air ambulance. The financial burdens for medical transportation costs are very real.

## HOW MASA IS DIFFERENT

Across the US there are thousands of ground ambulance providers and hundreds of air ambulance carriers. ONLY MASA offers comprehensive coverage since MASA is a PAYER and not a PROVIDER!

**ONLY MASA provides** over 1.6 million members with coverage for **BOTH ground ambulance and air ambulance transport, REGARDLESS of which provider transports them.**

Members are covered ANYWHERE in all 50 states and Canada!

Worldwide coverage is also available with our Platinum Membership.

Additionally, MASA provides a repatriation benefit: if a member is hospitalized more than 100 miles from home, MASA can arrange and pay to have them transported to a hospital closer to their place of residence.

**Any Ground. Any Air. Anywhere.™**
