SEARCH YOUR PLAN'S NETWORK IN FOUR SIMPLE STEPS

Step 1

Attention: Members Taking a Brand-Name Medication!

As your new pharmacy savings program, VerusPath would like to inform you of an additional benefit added to your pharmacy plan. VerusPath is excited to bring you cost-saving opportunities on your **brand-name** medications through [CANPath](#), our Canadian Pharmacy Program!

Just a few of the benefits to using the CANPath Program are:

- ✓ 90-Day Supplies → Shipped Directly to You
 - ✓ \$0.00 Copayment
- ✓ Significant Cost-Savings to Your Plan

On hundreds of medications, such as:

- ✓ Humira
- ✓ Ozempic
- ✓ Jardiance
- ✓ Trulicity
- ✓ Farxiga
- ✓ Lantus Solostar
- ✓ And Many More!

Please note that generic medications are not applicable for this cost-saving opportunity. If you are taking a brand-name medication that is eligible for the program, you will be contacted by phone and/or email by a VerusPath Patient Advocate. We will work directly with your provider to have a new prescription sent to our Canadian Pharmacy Partner.

If you have additional questions about the [CANPath Program](#), please call [1-800-838-0007](tel:1-800-838-0007) or email VerusPath@Verus-Rx.com. Our Patient Advocates are available Monday through Friday, from 9:00AM until 5:00PM CST.

Welcome to

VERUSPATH

This program is being offered to you as a part of your pharmacy benefit plan!

There are three main components to the **VerusPath** Program, which are intended to save you and your employer money on your pharmacy fills!

CAN-Path

The CanPath Program is available on select **brand-name** and high-cost **Specialty** drugs. Our Patient Advocates will work with you and your provider to fill your medication (if eligible) through our partnered Canadian Pharmacy. This is a brick-and-mortar retail pharmacy, located in Canada, that VerusRx contracts with to ship three-month supplies of your medication directly to your door.

The best part?

These medications arrive at **no cost to you.** No payment information needs to be provided, as there is no copayment and no shipping or handling fees. If your medication(s) is eligible for this cost-saving opportunity, a **VerusPath** Patient Advocate will reach out to you directly.

Key Items to Remember:

If a Patient Advocate from **VerusPath** calls or emails you, we are trying to save you money on your prescriptions! It is very important to return our call or email as soon as possible!

The PAPath Program refers to Patient Assistance Programs that are available for most Specialty medications. If you are currently taking a **Specialty medication** (these are generally high-cost medications used to treat complex, chronic conditions) that has a Patient Assistance Program available, a **VerusPath** Patient Advocate will reach out to you directly to discuss the steps and information needed for successful enrollment.

Key Items to Remember:

Our goal is to keep the process as quick and easy as we possibly can, while saving you and your employer as much money as possible.

Communication is key to make this program successful!

Please note, Patient Assistance Programs will typically cover your drug cost **in full**, saving you and your employer money on each refill.

The CoPath Program refers to **copay cards** (also known as coupon cards) being applied to your medication at the pharmacy. If your drug has a coupon card available, our **VerusPath** Patient Advocates will proactively reach out to your pharmacy on your behalf to apply the card toward your claim.

No action is needed from you for this program to apply!

Key Items to Remember:

We are always here to help answer any questions you may have, or to help you to feel comfortable during the process.

Please email us at VerusPath@Verus-Rx.com, or call us at 800-838-0007.

RxBenefits' Pharmacy FAQ

Who is RxBenefits?

Founded in 1995, Birmingham, AL-based RxBenefits is the employee benefit industry's first and only technology-enabled pharmacy benefits optimizer (PBO). We are a growing team of more than 500 pharmacy pricing, contract, service, technology, data, and clinical experts that work together as one team towards one common goal: putting the benefit back in pharmacy benefits. We focus exclusively on helping employee benefits consultants, and their self-insured clients, access and deliver an affordable, best-in-class pharmacy benefit.

How Do I Learn More About My Prescription Benefits?

Your pharmacy benefits are part of the specific insurance coverage selected by your employer, and are designed to help you access your prescriptions at the right time and at the best cost. Simply present your prescription benefit ID card and prescription at the in-network retail pharmacy of your choice. The pharmacist will use your prescription and member information to determine if the medication is covered by your plan, and if so, your co-payment or co-insurance.

Details of your specific benefits plan including drug coverage can be found in your Prescription Benefit Coverage (PBC). The PBC is a snapshot of your health plan's co-pays, benefits, covered healthcare services, and other features that are important to you and your family in easy-to-understand terms. If you have any questions or issues, please call RxBenefits' Member Services Team at 800.933.0765.

Where can I get my prescriptions filled in-person?

Your pharmacy benefit gives you access to a large retail pharmacy network that includes thousands of pharmacies throughout the United States. That means you have convenient access to your prescriptions wherever you are - at home, work, or even on vacation. You'll get the most from your benefits by using a participating pharmacy. For a list of participating pharmacies, access your PBM's website for more information.

Note: Choosing a non-network pharmacy means you'll pay the full cost of the prescription up front. You will need to then submit a claim form to your plan for reimbursement.

What Is A Drug List/Formulary?

All prescription benefit plans, including yours, use what is called a "formulary" that may also be referred to as a drug list. The formulary / drug list contains brand-name and generic medications that are covered by your plan. All medications on the formulary have been approved by the Food & Drug Administration (FDA) and have been reviewed and recommended by your plan's Pharmacy & Therapeutics (P&T) Committee. The P&T Committee is an independent group of practicing doctors, pharmacists, and other healthcare professionals responsible for the research and decisions surrounding the drug list based on various factors including their safety and effectiveness.

If your healthcare provider prescribes a medication that is not on the drug list/formulary, it will not be covered, and you will be responsible for the full cost of the medication. If your healthcare provider prescribes a non-covered medicine, talk with them about prescribing a medication that is on the drug list/formulary instead.

Please call the Member Services number on the back of your ID card at any time to determine if a particular medication is (or is not) on your approved formulary and covered by your plan. Or you can refer to your Prescription Benefit Coverage (PBC) for coverage limitations and exclusions.

What Is A Prior Authorization?

Certain prescription drugs may require a "prior authorization" before you can fill the prescription. Some drugs require prior authorization because they may not be a good fit for every patient. Prior Authorization ensures your safety and helps limit your out of pocket costs.

When a medication requires prior authorization, your healthcare provider will need to send documentation to an independent pharmacy reviewer who will review the documentation to ensure the medication is a good fit for you and your benefit coverage. If you use home delivery, it is important that your prescriber obtain prior authorization before you can fill your prescription.

We never want you to go without an appropriate medication to treat your condition. If you are having trouble getting a medication filled because it requires prior authorization, please call the Member Services number on the back of your ID card. We will do everything we can to assist you and your healthcare provider in getting the prior authorization processed promptly.

What Is The Difference Between Generic & Brand Medications? How Does It Affect My Benefits?

A brand-name drug is usually available from only one manufacturer and may have patent protection. A generic drug is required by law to have the same active ingredients as its brand-name counterpart but is available only after the patent expires on a brand-name drug. You can typically save money by using generic medications.

Are generic medications as safe and effective as brand-name drugs?

Yes. Generic medications are regulated by the FDA. In order to pass FDA review and be A-rated, the generic drug is required to be therapeutically equivalent to its counterpart brand-name medication. It must have the same active ingredients as well as the same dosage and strength.

Why are generic medications less expensive?

Normally, a generic drug is introduced to the market only after the patent has expired on its brand-name counterpart. At that point, it can be offered by more than one manufacturer, increasing competition. Generic drug manufacturers generally price their products below the cost of the brand-name versions in order to compete.

How can I request a generic medication?

Your healthcare provider and pharmacist are the best sources of information about generic medications. Simply ask one of them if your prescription can be filled with an equivalent generic medication. You may be subject to higher cost sharing for brand drugs.

Can My Prescription Be Switched To A Drug With A Lower Co-Payment?

If your current prescription medication is not a generic, call your healthcare provider and ask if it's appropriate for you to switch to a lower cost generic drug. The decision is up to you and your healthcare provider.

You can also select lower cost options from your PBM's website where you manage your current prescriptions. You'll get information to discuss with your healthcare provider and the tools to get started.

How Do I Order Medications Using Home Delivery?

Home delivery is a convenient service for members who take medications to treat a chronic condition on an ongoing basis. Examples of conditions that may require maintenance medications include hormone replacement, asthma, diabetes, high blood pressure, high cholesterol, arthritis, and many other routine prescriptions delivered directly to your door so you never miss a dose. Depending on how your plan is designed, ordering maintenance medications using home delivery may also be more cost-effective. Check your plan details for more information on how copays vary using home delivery vs. a retail pharmacy.

I Am Going To Be Out Of Town For An Extended Period.**How Do I Get An Extra Supply Of Drugs To Cover Me For That Time?**

If you are going to be out of town for an extended period and need extra medication, call the member services number on the back of your member ID card to request a vacation override. You must provide the member services representative with both the date you are leaving and the date you are returning. RxBenefits will place the override in the system and you can pick up your medication at your local pharmacy.

Who do I contact with questions about my specific plan and/or medications?

Your RxBenefits Member Services Team is available to answer any questions you may have. You can reach them Monday – Friday from 7:00 a.m. to 8:00 p.m. CT by calling **800.933.0765** or emailing CustomerCare@rxbenefits.com.

HEALTHCARE FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and reimburse yourself for out-of-pocket medical expenses not covered under your medical plan. Your employer has chosen the \$640 carryover option for your Medical FSA plan. This option allows you the opportunity to carry over up to \$640 of unclaimed Medical FSA funds into the following plan year. Keep in mind that balances more than \$640 will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2024 is \$3,200.

HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you on September 1st.
- Be conservative – any amount over \$640 left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

DEPENDENT CARE FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to \$5,000 per tax year for reimbursement of dependent care services. If you are married and file a separate tax return, the limit is \$2,500.

HIGHLIGHTS

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

LONG TERM DISABILITY

American Fidelity | www.americanfidelity.com | 1.800.654.8489

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

CANCER INSURANCE

Guardian | www.guardiananytime.com | 1.800.627.4200

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It's impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the Employee Benefits Center and view policy for more details.

Policy Provisions and Plan Features

Eligibility

All permanent employees in subscribing group working 20 hours or more per week. Regarding your eligibility, we may require proof of good health and will rely on answers given on your application to determine if coverage can be issued. Regardless of your health at the time of application, if coverage is approved and issued, claims incurred while coverage is in force will be subject to all terms of the Policy including any Pre-Existing Condition limitation.

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Physician Expense Benefit

Injury - \$150.00 per Injury
Sickness - \$50.00

If you need personal treatment by a Physician due to an Injury or Sickness, we will pay the amount shown above provided no other claim has been paid under the Policy. This benefit will be paid for Sickness only if the treatment is received during one full day of Disability during which you missed one full day of work. To be eligible for more than one payment for the same or related condition due to Sickness, you must have returned to work for at least 14 consecutive scheduled workdays. You are not required to miss one full day of work in order to receive the Injury benefit.

Accidental Death Benefit

A lump sum of \$20,000 will be paid to your designated beneficiary if you die as the direct result of an injury within 90 days after the injury.

Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration. This benefit will begin after your satisfaction of the elimination period.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after disability payments have been received for 180 consecutive days. We will require proof annually that you remain disabled during that time.

Donor Benefit

If you are disabled as a result of being an organ or tissue donor, we will pay your benefit as any other sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include:

- Other group disability income.
- Governmental or other retirement system, whether due to disability, normal retirement or voluntary election of retirement benefits.
- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your disability.
- State Disability.
- Unemployment compensation.
- Sick leave or other salary or wage continuance plans provided by the Employer which extend beyond 60 (Plans I, II, III, and IV), 90 (Plan V), and 150 (Plan VI) calendar days from the date of disability.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your Certificate.

Minimum Disability Benefit

The Minimum Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

Your disability payment will be the disability benefit described in the benefit schedule less any deductible sources of income you receive or are entitled to receive. No disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Disability or disabled for the first 12 months of disability means that you are unable to perform the material and substantial duties of your regular occupation. After that, disability means you are unable to perform the material and substantial duties of any gainful occupation for wage or profit for which you are reasonably qualified by training, education, or experience.

Return To Work Incentives: Disabled and Working

If you are disabled and working, you may be eligible to continue to receive a percentage of your disability payment in addition to your disability earnings. If your disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

• Family Care Benefit

If you are disabled and working and have one or more eligible family members, you may be eligible for a family care benefit. This benefit is for expenses incurred up to 25% of your monthly disability benefit. Your disability earnings, gross disability benefit, and family care benefit cannot exceed 100% of your monthly compensation. Payment of this benefit ends when you cease to be eligible for benefits under the Disabled and Working provision of the policy.

• Worksite Accommodation

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Policy Benefit Limitations and Exclusions

Mental Illness Limited Benefit

If you are disabled due to a mental illness, benefits will be provided for up to 2 years, not to exceed the maximum disability period.

Alcoholism and Drug Addiction Limited Benefit

If you are disabled due to alcoholism or drug addiction, a limited benefit of up to 15 days for each disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for injury or sickness, it will be covered the same as any other sickness.

Special Conditions Limited Benefit

If you are disabled due to special conditions and under the regular and appropriate care of a physician, benefits will be provided for up to 2 years. Special conditions means: chronic fatigue syndrome; fibromyalgia; any disease, disorder, accident or injury of the neck or back not resulting in hemiplegia, paraplegia, or quadriplegia; environmental allergic illness including, but not limited to sick building syndrome and multiple chemical sensitivity; and self-reported symptoms. Self-reported symptoms are symptoms that the insured tells their physician that are not verifiable using tests, procedures or clinical examinations. Examples include: headaches, pain, fatigue, stiffness, soreness, ringing in ears, dizziness, numbness, or loss of energy.

Pre-Existing Condition Limitation

A limited benefit up to 1 month's Disability Benefit will be payable for Disability due to a Pre-Existing Condition. This provision will not apply if you have: gone treatment-free; incurred no expense; taken no medication; and received no diagnosis or advice from a Physician, for 12 consecutive months for such condition(s).

This limitation will not apply to a Disability resulting from a Pre-Existing Condition that begins after you have been continuously covered under the Policy for 24 months.

Any increase in benefits will be subject to this pre-existing condition limitation. A new pre-existing condition period must be satisfied with respect to any increase applied for and approved by us.

Pre-existing condition means a disease, Injury, Sickness, physical condition or mental illness for which you: had treatment; incurred expense; took medication; received care or services including diagnostic testing or related measures; or received a diagnosis or advice from a physician, during the 12 month period immediately before your effective date of coverage. The term pre-existing condition will also include conditions which are related to such disease, injury, sickness, physical condition, or mental illness.

Exclusions

The Policy does not cover any loss, fatal or non-fatal, resulting from:

- Intentionally self-inflicted injury while sane or insane.
- An act of war, declared or undeclared.
- Injury sustained or Sickness contracted while in the service of the armed forces of any country.
- Committing a felony.
- Penal incarceration. We will not pay benefits for Disability or any other loss during any period for which you are incarcerated in a penal or correctional institution for a period of 30 consecutive days or longer.
- Injury or Sickness arising out of and in the course of any occupation for wage or profit or for which you are entitled to Workers' Compensation.

The term "entitled to Workers' Compensation" shall also include Workers' Compensation claim settlements that occur via compromise and release. Further, no benefits will be paid under this Policy for any period during which you are entitled to Workers' Compensation benefits.

Your coverage may be continued for up to 1 year during a leave of absence approved in writing by your employer. Coverage will continue as long as the group policy remains in force, the premiums are paid and you remain eligible for the coverage under the policy. Your coverage will end when you no longer qualify as an insured, you retire, you are not on active employment, or your employment terminates. Your coverage can be terminated on any premium due date with 31 days advance notice. If premium rates are increased, we will provide a 60 day advance notice.

There is a **3 in 10** chance of a person suffering a disabling illness or injury that would keep them out of work for three months or more.

HOSPITAL INDEMNITY

Aetna | www.aetna.com | 1.800.607.3366

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

MEDICAL TRANSPORT

MASA | www.masamts.com | 1.800.643.9023

Americans today suffer from a false sense of security that their medical coverage will pay for all costs associated with emergency or critical care transport. The reality is that a majority of Americans are only partially covered for these high costs.

Most medical plans will only pay a portion of costs leaving you with the remainder of the bill. There is also the possibility of your medical provider denying your claim altogether, which means you would be responsible for paying the entire bill.

With medical transport protection, you will have zero out-of-pocket expenses for any emergent air or ground transport from anywhere in the United States, regardless of who transports you. You will receive medical emergency transportation solutions to help cover your out-of-pocket medical transport costs when your insurance falls short.

Hospital Indemnity Plan Benefit Summary

EMERGENCY TRANSPORTATION COSTS

MASA MTS is here to protect its members and their families from the shortcomings of health insurance coverage by providing them with comprehensive financial protection for lifesaving emergency transportation services, both at home and away from home.

Many American employers and employees believe that their health insurance policies cover most, if not all ambulance expenses. The truth is, they DONOT!

Even after insurance payments for emergency transportation, you could receive a bill up to \$5,000 for ground ambulance and as high as \$70,000 for air ambulance. The financial burdens for medical transportation costs are very real.

HOW MASA IS DIFFERENT

Across the US there are thousands of ground ambulance providers and hundreds of air ambulance carriers. ONLY MASA offers comprehensive coverage since MASA is a PAYER and not a PROVIDER!

ONLY MASA provides over 1.6 million members with coverage for **BOTH ground ambulance and air ambulance transport, REGARDLESS of which provider transports them.**

Members are covered ANYWHERE in all 50 states and Canada!

Worldwide coverage is also available with our Platinum Membership.

Additionally, MASA provides a repatriation benefit: if a member is hospitalized more than 100 miles from home, MASA can arrange and pay to have them transported to a hospital closer to their place of residence.
