

More play, less worry

Aetna Accident Plan

Prepare for the unexpected

Would you be financially ready if you had an accidental injury? The **Aetna Accident Plan** can help you be prepared.

This plan is different from medical plans

Medical plans pay **doctors and hospitals** for treatment related to your care. But they usually don't cover 100% of the costs. They leave you to come up with the rest.

Medical plans also don't cover other expenses health events might impact, like day care and rent.

How do supplemental health plans help?

The Aetna Accident Plan pays benefits directly to you, providing extra cash when you need it most. This supplemental health plan can help fill in the gaps, making it a great companion to your major medical plan.

How can you use the cash benefits?

It's completely up to you. Here are just some of the things you can use the cash for:

- Deductibles or copays
- Mortgage or rent
- Groceries or utility bills

Use the cash benefits any way *you* choose.

Insurance plans are offered and/or underwritten by Aetna Life Insurance Company (Aetna). Policy forms issued in Idaho include: Accident plan GR-96842.

An Aetna Accident Plan can help
