Understanding Your Plan Design**Benefit Waiting Period**

The benefit waiting period is the period of time that you must be continuously disabled before benefits become payable. Benefits are not payable during the benefit waiting period. The benefit waiting period options associated with your plan include:

Accidental Injury

60 days

Other Disabilities

60 days

Own Occupation Definition of Disability

For the benefit waiting period and the first 24 months for which LTD benefits are paid, you are considered disabled when you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of your own occupation **AND** are suffering a loss of at least 20 percent of your indexed predisability earnings when working in your own occupation. You are not disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

Any Occupation Definition of Disability

After the own occupation period of disability, you will be considered disabled if you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of any occupation.

Deductible Income

Deductible income is income you receive or are eligible to receive while LTD benefits are payable. Deductible income includes, but is not limited to:

- Sick pay, annual or personal leave pay, severance pay or other forms of salary continuation (including donated amounts) paid
- Benefits under any workers' compensation law or similar law
- Amounts under unemployment compensation law
- Social Security disability or retirement benefits, including benefits for your spouse and children
- Disability benefits from any other group insurance
- Disability or retirement benefits under your employer's retirement plan
- Benefits under any state disability income benefit law or similar law
- Earnings or compensation included in predisability earnings which you receive or are eligible to receive while LTD benefits are payable
- Earnings from work activity while you are disabled, plus the earnings you could receive if you worked as much as your disability allows
- Amounts due from or on behalf of a third party because of your disability, whether by judgment, settlement or other method
- Any amount you receive by compromise, settlement or other method as a result of a claim for any of the above

Understanding Your Plan Design (Continued)**Maximum Benefit Period**

The maximum periods for which benefits are payable are shown in the tables below:

To SSNRA - If you become disabled before age 62, LTD benefits may continue during disability until age 65 or to the Social Security Normal Retirement Age (SSNRA) or 3 years 6 months, whichever is longer. If you become disabled at age 62 or older, the benefit duration is determined by the age when disability begins:

<u>Age</u>	<u>Maximum Benefit Period</u>
62	To SSNRA, or 3 years 6 months, whichever is longer
63	To SSNRA, or 3 years, whichever is longer
64	To SSNRA, or 2 years 6 months, whichever is longer
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69+	1 year

Benefit Calculation**Example**

You select the amount of your LTD benefit when you enroll for coverage in the plan. The dollar amount selected must be a multiple of \$100, from a minimum of \$500 to a maximum of the lesser of \$2,500 or 60 percent of your predisability earnings. This amount is then reduced by deductible income you receive, or are eligible to receive, while LTD benefits are payable. As an example, if your monthly predisability earnings are \$4,167, you may select any dollar amount (in \$100 increments) between \$500 and \$2,500 (60 percent of predisability earnings). In the example below, assume you elected the maximum benefit amount of \$2,500, and you now receive a monthly Social Security disability benefit of \$1,200 and a monthly retirement benefit of \$900. Your monthly LTD benefit would be calculated as follows:

Insured predisability earnings	\$4,167
Maximum benefit percentage	X 60%
Maximum benefit amount	<u>\$2,500</u>
Less Social Security disability benefit	-\$1,200
Less retirement benefit	<u>-\$900</u>
Amount of LTD benefit	\$400

Rates

Employees can select a monthly LTD benefit ranging from a minimum of \$500 to a maximum amount based on how much they earn. Referencing the appropriate attached charts, follow these steps to find the monthly cost for your desired level of monthly LTD benefit and benefit waiting period:

- Find the maximum LTD benefit by locating the amount of your earnings in either the annual earnings or Monthly Earnings column. The LTD benefit amount shown associated with these earnings is the maximum amount you can receive. If your earnings fall between two amounts, you must select the lower amount.
- Select the desired monthly LTD benefit between the minimum of \$500 and the determined maximum amount, making sure not to exceed the maximum for your earnings.
- In the same row, select the desired benefit waiting period to see the monthly cost for that selection.

If you have questions regarding how to determine your monthly LTD benefit, the benefit waiting period, or the premium payment of your desired benefit, please contact your human resources representative.
