Eligibility

All permanent employees in covered group working 20 hours or more per week. Regarding your eligibility, we may require proof of good health and will rely on answers given on your application to determine if coverage can be issued. Regardless of your health at the time of application, if coverage is approved and issued, claims incurred while coverage is in force will be subject to all terms of the Policy including any Pre-Existing Condition limitation.

Benefits are Payable

Benefits are payable for the period of time shown below.

For Injury

Benefits are payable up to age 65 for a covered Injury. After age 65, the benefit period will be extended to the greater of 12 months or your Social Security Normal Retirement Age.

For Sickness

Benefits are payable up to 5 years for a covered sickness.

Disability Benefit

Monthly amounts of the Disability Benefits are available from \$200 to \$7,500 in \$100 increments based on 66^{2/3}% of your Monthly Compensation and will not exceed the amount for which premium is being paid. If applicable, the insured's Disability Benefit will be reduced by Deductible Sources of Income.

Step 1: Calculate the disability Benefit you qualify for based upon your salary.

$$\frac{\text{Annual Salary}}{12} = \text{Monthly Salary} \times 0.66^{2/3} = \text{Monthly Disability Benefit}$$

Annual Salary **Monthly Salary** **Monthly Disability Benefit**
(Rounded down to nearest \$100)

Step 2: Calculate your Monthly Premium based upon your plan selection.

PLAN	BENEFITS BEGIN	MONTHLY PREMIUM
Plan 1	On the 8th day of Disability due to a covered injury or Sickness.	*\$3.20
Plan 2	On the 15th day of Disability due to a covered injury or Sickness.	*\$2.70
Plan 3	On the 31st day of Disability due to a covered injury or Sickness.	*\$2.24
Plan 4	On the 61st day of Disability due to a covered injury or Sickness.	*\$1.24
Plan 5	On the 91st day of Disability due to a covered injury or Sickness.	*\$0.92
Plan 6	On the 151st day of Disability due to a covered injury or Sickness.	*\$0.60

$$\frac{\text{Monthly Benefit}}{100} = \text{Rate from Above} \times \text{Monthly Premium Cost}$$

Example Calculation:

Making \$42,000 per year (\$3,500 month), you would qualify for \$2,300 per month:

$$\$42,000 / 12 = \$3,500 \times 0.66^{2/3} = \$2,300 \text{ Monthly Disability Benefit}$$

$$\$2,300 / 100 = 23 \times \$0.50 = \$11.50 \text{ per month}$$

*Per \$100 Covered Monthly Benefit Rates Based on 12 Deductions per Year

Physician Expense Benefit

Injury - \$150.00 per Injury

If you need personal treatment by a Physician due to an Injury, we will pay the amount shown above provided no other claim has been paid under the Policy. You are not required to miss one full day of work in order to receive the Injury benefit.

Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration. This benefit will begin on your first day of Hospital confinement. **The remainder of your elimination period will be waived (APPLIES ONLY TO PLANS 1-3).**

Hospital- the term "Hospital" shall not include an institution used by you as a place for rehabilitation; a place for rest or for the aged; a nursing or convalescent home; a long-term nursing unit or geriatrics ward; or an extended care facility for the care of convalescent, rehabilitative, or ambulatory patients.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after disability payments have been received for 90 consecutive days. We will require proof annually that you remain disabled during that time.

Donor Benefit

If you are disabled as a result of being an organ or tissue donor, we will pay your benefit as any other sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include, Other group disability income, Governmental or other retirement system, whether due to disability, normal retirement or voluntary election of retirement benefits, United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your disability, State Disability, Unemployment compensation, Sick leave or other salary or wage continuance plans provided by the Employer which extend beyond 365 calendar days from the date of disability. We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your Certificate.

Minimum Disability Benefit

The Minimum Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

For the first 12 months you are disabled due to a covered disability and not working, we will pay the disability benefit described in the benefit schedule. After 12 months, your disability payment will be the disability benefit less any deductible sources of income you receive or are entitled to receive. No disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Disability or disabled for the first 24 months of disability means that you are unable to perform the material and substantial duties of your regular occupation. After that, disability means you are unable to perform the material and substantial duties of any gainful occupation for wage or profit for which you are reasonably qualified by training, education, or experience.

Return To Work Incentives: Disabled and Working

If you are disabled and working, you may be eligible to continue to receive a percentage of your disability payment in addition to your disability earnings. If your disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

Family Care Benefit

If you are disabled and working and have one or more eligible family members, you may be eligible for a family care benefit. This benefit is for expenses incurred up to 25% of your monthly disability benefit. Your disability earnings, gross disability benefit, and family care benefit cannot exceed 100% of your monthly compensation. Payment of this benefit ends when you cease to be eligible for benefits under the Disabled and Working provision of the policy.

Worksite Accommodation

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Mental Illness Limited Benefit

If you are disabled due to a mental illness, benefits will be provided for up to 2 years, not to exceed the maximum disability period.

Alcoholism and Drug Addiction Limited Benefit

If you are disabled due to alcoholism or drug addiction, a limited benefit of up to 15 days for each disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for injury or sickness, it will be covered the same as any other sickness.

Special Conditions Limited Benefit

If you are disabled due to special conditions and under the regular and appropriate care of a physician, benefits will be provided for up to 2 years. Special conditions mean: chronic fatigue syndrome; fibromyalgia; any disease, disorder, accident or injury of the neck or back not resulting in hemiplegia, paraplegia, or quadriplegia; environmental allergic illness including, but not limited to sick building syndrome and multiple chemical sensitivity; and self-reported symptoms. Self-reported symptoms are symptoms that the insured tells their physician that are not verifiable using tests, procedures or clinical examinations. Examples include: headaches, pain, fatigue, stiffness, soreness, ringing in ears, dizziness, numbness, or loss of energy.

Pre-Existing Condition Limitation

If Disability is caused by or resulting from a Pre-Existing Condition and begins before you have been continuously covered under the Policy for 12 months, no disability benefit will be payable. Any increase in benefits will be subject to this pre-existing condition limitation. A new pre-existing condition period must be satisfied with respect to any increase applied for and approved by us.

Pre-existing condition means a disease, Injury, Sickness, physical condition or mental illness for which you: had treatment; incurred expense; took medication; received care or services including diagnostic testing or related measures; or received a diagnosis or advice from a physician, during the 3-month period immediately before your effective date of coverage. The term pre-existing condition will also include conditions which are related to such disease, injury, sickness, physical condition, or mental illness.

The Policy does not cover any loss, fatal or non-fatal, resulting from:

- Intentionally self-inflicted injury while sane or insane.
- An act of war, declared or undeclared.
- Injury sustained or Sickness contracted while in the service of the armed forces of any country.

The term "entitled to Workers' Compensation" shall also include Workers' Compensation claim settlements that occur via compromise and release. Further, no benefits will be paid under this Policy for any period during which you are entitled to Workers' Compensation benefits.

Your coverage may be continued for up to 1 year during a leave of absence approved in writing by your employer. Coverage will continue as long as the group policy remains in force, the premiums are paid and you remain eligible for the coverage under the policy. Your coverage will end when you no longer qualify as an insured, you retire, you are not on active employment, or your employment terminates. Your coverage can be terminated on any premium due date with 31 days advance notice. If premium rates are increased, we will provide a 60 day advance notice.
