INDIVIDUAL TERMINATIONS

An Insured Person's coverage will terminate on the earliest of:

- (1) the date this Policy terminates;
- (2) the last day of the Insurance Month in which the Insured Person requests termination;
- (3) the last day of the last Insurance Month for which premium payment is made on the Insured Person's behalf;
- (4) the date the Insured Person ceases to be in a class of employees which is eligible for coverage under this Policy;
- (5) with respect to any particular insurance benefit, the date the portion of the Policy providing that benefit terminates;

- (7) the date the Insured Person enters the armed services of any state or country on active duty; except for duty of 30 days or less for training in the Reserves or National Guard. (If the Insured Person sends proof of military service, the Company will refund any unearned premium.)

Ceasing Active Work results in termination of insurance; but coverage may be continued as follows:

- (1) If the Insured Person is disabled due to illness or injury, then coverage may be continued until the earliest of:
 - (a) 12 Insurance Months after the disability begins;
 - (b) the date the Person is no longer disabled; or
 - (c) for Life Insurance; the date the Insured Person qualifies for any Extension of Death Benefit under this Policy;provided premium payments are made on his or her behalf.
- (2) If the Insured Person ceases work due to a temporary lay off, an approved leave of absence, or a military leave; then coverage may be continued:
 - (a) for three Insurance Months after the lay off or leave begins;
 - (b) provided premium payments are made on his or her behalf.

CONTINUATION OF COVERAGE

This section applies to any Basic Personal Life Insurance and Accidental Death and Dismemberment Insurance provided by this Policy. Such insurance may be continued until the Insured Person attains age 65, by paying the required premiums, when:

- (1) an Insured Person's employment with the Employer ends for a reason other than sickness or injury or retirement; and
- (2) the insurance has been in force for at least 12 months in a row just prior to the date employment ends.

Continuation of insurance under this provision will follow any state required continuation or other continuation allowed under the Ceasing Active Work section of this Policy.

To continue insurance, written application and the first premium payment must be made to the Company, within 31 days of the date insurance would otherwise end.

The Continuation of Coverage is not available when Policy coverage terminates solely because:

- (1) an Insured Person's Employer ceases to be a Participating Employer; or
- (2) this Policy terminates.

For life insurance that terminates under this Policy due to an Insured Person's termination of membership in an eligible class; see the Conversion Privilege section of this Policy.

AMOUNT OF COVERAGE. The amount of continued insurance may not exceed the amount in force when employment ends. During the continuation period the amount of insurance may not be increased. Continued insurance will be subject to any reduction on account of age, as shown in the Schedule of Insurance.

The Insured Person may decrease the amount of continued insurance at any time, by completing a request form supplied by the Company. The decrease will take effect on the first day of the Insurance Month after the Company receives the request.

PAYMENT OF PREMIUM. Timely payment of premium must be made directly to the Company, throughout the period of continued insurance. Premiums will be based on attained age as shown in the premium information provided with the application. A direct billing fee will be added to the premium based on the frequency chosen. The premium frequency may be changed by sending the Company advance written request on forms supplied by the Company. Such request may be sent at any time while continued insurance is in force, except during a Grace Period.

TERMINATION OF COVERAGE. Continued insurance will end on the earliest of:

- (1) the date this Policy terminates;
- (2) the last day of the Insurance Month in which termination is requested;
- (3) the last day of the Insurance Month for which premium is paid;
- (4) the date the Insured Person attains age 65, or dies;
- (5) the date insurance would otherwise end had the Insured Person remained an Active Employee; or
- (6) the date the Insured Person enters the armed forces of any state or country on active duty; except for duty of 30 days or less for training in the Reserves or National Guard. (If the Insured Person sends proof of military service, the Company will refund any unearned premium.)

When continued insurance ends, the Insured Person may be entitled to purchase an individual life policy, in accord with the Conversion Privilege section of this Policy.

PREMIUMS AND PREMIUM RATES

PAYMENT OF PREMIUMS. No coverage provided by this Policy will be in effect until the first premium for such coverage is paid. For coverage to remain in effect, each subsequent premium must be paid on or before its due date. The Group Policyholder is responsible for paying all premiums as they become due. Premiums are payable on or before their due dates at the Company's Group Insurance Service Office. The premium must be paid in U.S. dollars.

PREMIUM RATE CHANGE. The Company may change any premium rate on any of the following dates:

- (1) the date this Policy's terms are changed;
- (2) the date the Company's liability is changed due to a change in federal, state or local law;
- (3) the date the Group Policyholder (or any covered division, subsidiary or affiliated company) relocates, dissolves or merges, or is added to or removed from this Policy;
- (4) the date any coverage for one or more classes ceases to be provided under this Policy;
- (5) the date the number of Insured Persons changes by 25% or more from the enrollment on the date this Policy took effect, or the most recent Rate Guarantee Date expired, if later; or
- (6) on any premium due date on or after this Policy's first anniversary, or any later rate guarantee date agreed upon by the Company.

Unless the Company and the Group Policyholder agree otherwise, the Company will give at least 60 days' advance written notice of any increase in premium rates.

PREMIUM AMOUNT. The amount of premium due on each due date will be the sum of the products obtained by multiplying each rate shown in the Premium Rate Schedule by the amount of insurance to which the rate applies.

Premium adjustments will not be pro-rated daily. Instead, premium will be adjusted as follows.

- (1) When an Insured Person's insurance or increase takes effect, premium will be charged from the monthly due date coinciding with or next following that change.
- (2) When all or part of an Insured Person's insurance terminates, the applicable premium will cease on the monthly due date coinciding with or next following that termination.
- (3) When premiums are paid other than monthly, increases or decreases will result in adjustment from the premium due date coinciding with or next following that change.

The above manner of charging premium is for accounting purposes only. It will not extend coverage beyond a date it would have otherwise terminated. Each premium payment will include any adjustments in past premiums, which are needed due to changes that have not yet been taken into account. If a premium adjustment involves a return of unearned premium, the refund will be limited to the prior 12-month period.

PREMIUM RATE SCHEDULE

Monthly AD&D Rate	\$.015 per \$1,000 of insurance
-------------------	----------------------------------

Monthly Group Life Rate	\$.038 per \$1,000 of insurance
-------------------------	----------------------------------

The above rate or rates are guaranteed until September 1, 2026; unless an exception listed in the Premium Rate Change section applies.

After that, any premium rate change will be as shown in the renewal letter. The Company will send the Group Policyholder a renewal letter prior to each Policy Anniversary.

GRACE PERIOD

A grace period of 31 days from the due date will be allowed for the payment of each premium after the first. This Policy will remain in effect during the grace period; unless the Group Policyholder gives the Company advance written notice of termination. The Group Policyholder will remain liable for payment of a pro rata premium for the time this Policy remained in force during the grace period.

POLICY TERMINATION

TERMINATION BY THE COMPANY. To terminate this Policy, the Company must give the Group Policyholder at least 31 days' advance written notice of its intent to do so. The Company may terminate this Policy coverage on the due date of any premium; if:

- (1) the total number of Insured Persons is less than ten;
- (2) all of the premium is paid by the Group Policyholder and less than 100% of those eligible for coverage are insured;
- (3) part of the premium is paid by Insured Persons and less than 75% of those eligible for coverage are insured;
- (4) the Group Policyholder, without good cause, fails to:
 - (a) promptly furnish any information the Company reasonably requires; or
 - (b) perform its duties pertaining to this Policy in good faith;
- (5) the Company terminates all other policies where permitted by their terms, which provide life insurance in the same state in which this Policy was issued; or
- (6) state law otherwise requires this Policy to be terminated.

TERMINATION BY GROUP POLICYHOLDER. The Group Policyholder may terminate this Policy at any time, by giving the Company advance written notice. Coverage will then terminate:

- (1) on the date the Company receives the notice; or
- (2) any later date the Group Policyholder and the Company have agreed upon.

The Group Policyholder remains responsible for the payment of premiums to the date of termination.

AUTOMATIC TERMINATION. If any premium remains unpaid at the end of the Grace Period; then this Policy will automatically terminate, without any action on the Company's part, on the last day of the Grace Period. The Group Policyholder remains responsible for the payment of premiums to the date of termination.

EFFECT ON INCURRED CLAIMS. Termination of this Policy will not affect benefits otherwise payable for a claim incurred while this Policy is in force.

BENEFICIARY

PAYMENTS TO BENEFICIARY. At an Insured Person's death, the amount of his or her Personal Life Insurance will be paid to the surviving Beneficiary. If the Insured Person has not named a Beneficiary, or if no named Beneficiary survives the Insured Person; then payment will be made to that Insured Person's:

- (1) surviving spouse; or, if none
- (2) surviving child or children in equal shares; or, if none
- (3) surviving parent or parents in equal shares; or, if none
- (4) surviving brothers and sisters in equal shares; or, if none
- (5) estate, or in accord with the Facility of Payment section of this Policy.

The amount payable to anyone shown above will be reduced by any amount paid in accord with the Facility of Payment section.

In determining who is to receive payment, the Company may rely upon an affidavit by a member of the class of relatives to receive payment. The Company will make payment based upon the affidavit it has; unless it receives notice of a valid claim by some other person, at its Group Insurance Service Office, before paying the proceeds. Such payment will release the Company from any further obligation for the Insured Person's life insurance benefit.

If an Insured Person's named Beneficiary dies:

- (1) within 15 days of the Insured Person's death; and
- (2) before the Company receives satisfactory proof of the Insured Person's death;

then payment will be made as if the Insured Person had survived that Beneficiary; unless other provisions have been made.

NAMING THE BENEFICIARY. An Insured Person's Beneficiary will be as shown on his or her enrollment card, unless changed. This Policy may replace a group policy providing similar coverages. In that event, the Beneficiary which the Insured Person named under the prior policy will be the Beneficiary under this Policy, until changed.

CHANGING THE BENEFICIARY. Only the Insured Person, or his or her assignee, may change the Beneficiary. A new Beneficiary may be named by filing a written notice of the change with the Company at its Group Insurance Service Office. The change will be effective as of the date it was signed; subject to any action the Company takes before receiving notice of the change.

When applying for a conversion policy under the Conversion Privilege Section, an Insured Person must name a Beneficiary. The Beneficiary named for the conversion policy may be someone other than the person named under this Policy. In that event, the application for the conversion policy will be treated as a written notice of change of Beneficiary.

ASSIGNMENTS

Personal Life Insurance and Accidental Death Insurance may be assigned. The assignments allowed under this Policy are absolute assignments and funeral assignments as described below.

No assignment will be binding on the Company unless and until:

- (1) it is made on a form furnished by the Company;
- (2) the original is completed and filed with the Company at its Group Insurance Service Office;
and
- (3) it is approved by the Company.

The Company and the Group Policyholder do not assume responsibility for the validity or effect of an assignment.

ABSOLUTE ASSIGNMENTS. An Insured Person may make an irrevocable assignment of his or her Personal Life Insurance and Accidental Death Insurance as a gift (with no consideration), providing he or she has the legal capacity and the mental capacity to do so. It may be made to a trust or to one or more of the Insured Person's relatives, their estates, or to a trustee of a trust under which one of the relatives is a beneficiary.

The term "relatives" includes, but is not limited to, an Insured Person's spouse, parents, grandparents, aunts, uncles, siblings, children, adopted children, stepchildren, and grandchildren.

In some states, community property is an established form of ownership that must be considered in making an assignment. If an Insured Person makes an absolute assignment to two or more assignees, such assignees will be joint owners with the right of survivorship between them. An Insured Person should consult with his or her own legal advisor before making an assignment.

Once the assignment has been recorded by the Company, the Insured Person can no longer change the beneficiary and cannot apply for conversion. Only the assignee can change the beneficiary designation if the previous designation is revocable. An assignment will have no effect on a prior irrevocable beneficiary designation. Only the assignee can apply for conversion but only when the Conversion Privilege provision would have been available to the Insured Person in the absence of the assignment under this Policy.

An absolute assignment cannot be used as a collateral assignment.

FUNERAL ASSIGNMENTS. Upon an Insured Person's death, the beneficiary may assign the Personal Life Insurance benefit and Accidental Death Insurance benefit to a funeral home for payment of burial expenses. After payment has been made for the burial expenses to the assigned funeral home, the remaining death benefit is then paid in accord with the Beneficiary and Settlement Options sections of this Policy.

FACILITY OF PAYMENT

Policy benefits may become payable to an Insured Person's estate, to a minor, or to a person who the Company does not consider competent to give a valid release. In that event, the Company has the option to pay one or more of the following:

- (1) a person who has assumed the care and support of the Insured Person or Beneficiary;
- (2) a person who has incurred expense as a result of the Insured Person's last illness or death;
- (3) the personal representative of the Insured Person's estate; or
- (4) any person related by blood or marriage to the Insured Person.

No payment made under this section may exceed \$250. Any payment made in good faith under this section will fully discharge the Company to the extent of the payment. Any remaining amount of benefit will be paid as shown in the Beneficiary section.

DEATH BENEFIT

AMOUNT PAYABLE ON DEATH. Upon receipt of satisfactory proof of an Insured Person's death, the Company will pay a death benefit equal to the amount of Personal Life Insurance in effect on the date of death. This amount is shown in the Schedule of Insurance. The benefit will be paid as shown in the Beneficiary, Facility of Payment, and Settlement Options sections.

SETTLEMENT OPTIONS

INSTALLMENTS. All or part of the death benefit may be received in installments, by making written election to the Company.

ELECTION. While living, an Insured Person may direct the Company to pay the death benefit in installments. If no such direction is in effect at the time of the Insured Person's death, the Beneficiary may make such an election.

CONDITIONS. Any election, whether by an Insured Person or a Beneficiary, must comply with the Company's practices at the time it is made. The amount applied under a settlement option must be at least \$2,000. It must be sufficient to provide a payment of at least \$20 per month.

EXTENSION OF DEATH BENEFIT

BENEFIT. Life insurance will be continued, **without payment of premiums**, for an Insured Person who:

- (1) becomes Totally Disabled while insured under this policy and before reaching age 60;
- (2) remains Totally Disabled for at least 6 months in a row; and
- (3) submits satisfactory proof within the 7th through the 12th months of disability; or:
 - (a) as soon as reasonably possible after that; but
 - (b) not later than the 24th month of disability, unless he or she was legally incapacitated.

PREMIUM PAYMENT. Premium payments must continue until:

- (1) the day the Insured Person is approved for this Extension of Death Benefit; or
- (2) the day this Policy terminates (whichever occurs first).

Upon receipt of satisfactory proof, the Company will refund up to 12 months' premium paid for the Insured Person's life insurance, from the 1st day of Total Disability.

DEFINITION. For this benefit, Total Disability or Totally Disabled means an Insured Person:

- (1) is unable, due to sickness or injury, to engage in any employment or occupation for which such Insured Person is or becomes qualified by reason of education, training, or experience; and
- (2) is not engaging in any gainful employment or occupation.

AMOUNT CONTINUED. The life insurance continued by this section:

- (1) will be the amount of Personal Life Insurance and any Dependent Life Insurance in effect on the day the Insured Person's Total Disability begins; and
- (2) will be subject to the reductions and terminations in effect under this Policy on that day.

If the Insured Person receives an Accelerated Death Benefit, the amount will be reduced in accord with that provision. Any Accidental Death and Dismemberment Benefit will not be continued.

ADDITIONAL PROOF. At any time during this continuation, the Company may require the Insured Person:

- (1) to submit further proof of his or her continued Total Disability; and
- (2) to be examined by a Physician of the Company's choice, as often as reasonably necessary.

After the first two years of Total Disability, the Company will not request proof or an exam more than once a year. Proof will be at the Insured Person's expense; unless the Company requests an exam by a Physician of its choice.

When an Insured Person dies after submitting proof, further proof must be submitted to the Company showing that he or she remained continuously and Totally Disabled until death. When an Insured Person dies within 12 months after Total Disability begins, but before submitting proof; then his or her death benefit will still be paid under the terms of this Policy. But the Company must first receive satisfactory proof of his or her continuous Total Disability, from the last day of Active Work until the date of death.

TERMINATION. Any life insurance extended under this section will terminate automatically on:

- (1) the day the Insured Person ceases to be Totally Disabled;
- (2) the day the Insured Person fails to take a required medical examination;
- (3) the 60th day after the Company mails a request for additional proof, if it is not given;
- (4) the effective date of the Insured Person's individual conversion policy, with respect to any amount of life insurance converted in accord with the Conversion Privilege section; or
- (5) the day the Insured Person reaches age 70 (whichever occurs first).

RIGHTS AFTER TERMINATION. If Total Disability ends, and the Insured Person **does not return** to a class eligible for Policy coverage; then he or she may exercise the Conversion Privilege. If Total Disability ends, and the Insured Person **does return** to an eligible class; then his or her Policy coverage will resume when premium payments are resumed, and any conversion policy is surrendered as provided below.

**EXTENSION OF DEATH BENEFIT
(Continued)**

CONVERSION POLICIES. If the Insured Person has exercised the Conversion Privilege, and the benefits payable under this Policy and the conversion policy combined would exceed:

- (1) the Insured Person's original amount of Policy coverage prior to the conversion; or
- (2) any greater amount for which he or she later becomes insured under this Policy;

then benefits will be payable under the terms of this Policy. But the conversion policy must first be surrendered to the Company; and no claim may be made under the conversion policy, except for refund of premium less any dividends and policy loans.

ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS

BENEFIT. The Accelerated Death Benefit for Terminal Illness is an advance payment of part of the Insured Person's Personal Life Insurance. It may be paid to the Insured Person, in a lump sum, once during the Insured Person's lifetime.

To qualify, a Terminal Insured Person must:

- (1) have satisfied the Active Work requirement under this Policy;
- (2) have been insured under this Policy for at least 12 months; and
- (3) have at least \$2,000 of Personal Life Insurance under this Policy on the day before the Accelerated Death Benefit is paid.

Receiving the Accelerated Death Benefit will reduce the Remaining Life Insurance and the Death Benefit payable at death, as shown on the next page.

"Claimant," as used in this section, means the Terminal Insured Person for whom the Accelerated Death Benefit is requested.

"Terminal" means the Insured Person has a medical condition which is expected to result in death within 24 months, despite appropriate medical treatment.

APPLYING FOR THE BENEFIT. To withdraw the Accelerated Death Benefit, the Insured Person (or his or her legal representative) must send the Company:

- (1) written election of the Accelerated Death Benefit, on forms supplied by the Company; and
- (2) satisfactory proof that the Claimant is Terminal. Such proof shall consist of a Physician's written statement on a claim form supplied by the Company and any related medical records requested by the Company.

The Company reserves the right to decide whether such proof is satisfactory:

- (1) based upon the preponderance of the medical evidence; and
- (2) in accord with generally accepted medical standards. The Company, at its own expense, may have the Claimant examined by one or more Physicians of its choice.

Before paying an Accelerated Death Benefit, the Company must also receive the written consent of any irrevocable beneficiary or assignee with an interest in the benefit. (See Limitations 3, 4 and 5.)

NOTE: THIS IS NOT A LONG-TERM CARE POLICY. RECEIVING THIS ACCELERATED DEATH BENEFIT WILL REDUCE THE BENEFIT PAYABLE AT DEATH. ANY AMOUNT WITHDRAWN MAY BE TAXABLE INCOME, SO THE INSURED PERSON SHOULD CONSULT A TAX ADVISOR BEFORE APPLYING FOR THIS BENEFIT.

AMOUNT OF THE BENEFIT. The Insured Person may elect to withdraw an Accelerated Death Benefit in any \$1,000 increment; subject to:

- (1) a minimum of \$1,000 or 10% of the Claimant's amount of Life Insurance (whichever is greater); and
- (2) a maximum of \$250,000 or 75% of the Claimant's amount of Life Insurance (whichever is less).

To determine the Accelerated Death Benefit, the Company will use the lesser of A or B below:

- A. the Claimant's amount of Life Insurance which is in force on the day before the Accelerated Death Benefit is paid; or
- B. the Claimant's amount of Life Insurance which would be in force 24 months after that date; if the coverage is scheduled to reduce, due to age, within 24 months after the Accelerated Death Benefit is paid.

ADMINISTRATIVE CHARGE: NONE

ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS
(Continued)

WITHDRAWAL FEE: NONE

EFFECT ON AMOUNT OF LIFE INSURANCE. "Remaining Life Insurance" means the amount of Life Insurance which remains in force on the Claimant's life after an Accelerated Death Benefit is paid. The Remaining Life Insurance will equal:

- (1) the Claimant's amount of Life Insurance which was used to determine the Accelerated Death Benefit (A or B above); minus
- (2) any percentage by which the Claimant's coverage is scheduled to reduce, due to age; if the reduction occurs more than 24 months after the Accelerated Death Benefit is paid, and while he or she is still living; minus
- (3) the amount of the Accelerated Death Benefit withdrawn.

Exception. If the Accelerated Death Benefit was determined using the amount shown in Part B on the prior page, and death occurs prior to the age reduction scheduled to occur within 24 months after the Accelerated Death Benefit payment; then Remaining Life Insurance will equal the amount shown in Part A, minus the Accelerated Death Benefit withdrawn.

PREMIUM: There is no additional charge for this benefit. Continuation of the Remaining Life Insurance will be subject to timely payment of the premium for the reduced amount; unless the Insured Person qualifies for waiver of premium under this Policy's Extension of Death Benefit provision, if included.

CONDITIONS. If the Claimant exercises the Conversion Privilege after an Accelerated Death Benefit is paid, the amount of the conversion policy will not exceed the amount of his or her Remaining Life Insurance. If the Claimant has Accidental Death and Dismemberment benefits under this Policy, the Principal Sum will not be affected by the payment of an Accelerated Death Benefit.

EFFECT ON DEATH BENEFIT. When the Claimant dies after an Accelerated Death Benefit is paid, the amount of Remaining Life Insurance in force on the date of death will be paid as a Death Benefit. The Insured Person's Death Benefit will be paid in accord with the Beneficiary section of this Policy. If the Claimant dies after application for an Accelerated Death Benefit has been made, but before the Company has made payment; then the request will be void and no Accelerated Death Benefit will be paid. The amount of Life Insurance in force on the date of death will be paid in accord with Policy provisions.

EFFECT ON TAXES AND GOVERNMENT BENEFITS. Any Accelerated Death Benefit amount withdrawn may be taxable income to the Insured Person. Receipt of the Accelerated Death Benefit may also affect the Claimant's eligibility for Medicaid, Supplemental Security Income and other government benefits. The Claimant should consult his or her own tax and legal advisor before applying for an Accelerated Death Benefit. The Company is not responsible for any tax owed or government benefit denied, as a result of the Accelerated Death Benefit payment.

ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS
(Continued)

LIMITATIONS. No Accelerated Death Benefit will be paid:

- (1) if any required premium is due and unpaid;
- (2) on any conversion policy purchased in accord with the Conversion Privilege;
- (3) without the written consent of the beneficiary, if the Insured Person has named an irrevocable beneficiary;
- (4) without the written consent of the assignee, if the Insured Person has assigned his or her rights under this Policy;
- (5) if any part of the Life Insurance must be paid to the Insured Person's child, spouse or former spouse; pursuant to a legal separation agreement, divorce decree, child support order or other court order;
- (6) if the Claimant has been insured under this Policy less than two years and is Terminal due to a suicide attempt, while sane or insane; or due to an intentionally self-inflicted injury;
- (7) if a government agency requires the Insured Person or the Claimant to use the Accelerated Death Benefit to apply for, receive or continue a government benefit or entitlement; or
- (8) if an Accelerated Death Benefit has been previously paid for the Claimant under this Policy.

CONVERSION PRIVILEGE - CONVERSION BENEFITS

GENERAL BENEFIT. An individual life policy, known as a conversion policy, may be purchased from the Company without evidence of insurability if all or part of anyone's life insurance, provided by this Policy, terminates for any reason except:

- (1) termination or amendment of the Policy; or
- (2) the Insured Person's request for:
 - (a) termination of insurance; or
 - (b) cancellation of payroll deduction.

To purchase a conversion policy, application and payment of the first premium must be made within 31 days after the life insurance is terminated.

Any policy issued under the General Conversion Benefit will:

- (1) be for an amount not to exceed the amount of the life insurance which was terminated;
- (2) be on any form (except term) then issued by the Company at the age and amount for which application is made;
- (3) be issued at the Insured Person's age at nearest birthday;
- (4) be issued without disability or other supplemental benefits; and
- (5) require premiums based on the class of risk to which the person then belongs.

CONVERSION BENEFIT-POLICY TERMINATION OR AMENDMENT. A conversion policy also may be purchased from the Company if:

- (1) all or a part of anyone's insurance terminates due to amendment or termination of this Policy; and
- (2) that person has been covered continuously under this Policy for at least five years.

Any conversion policy issued due to Policy termination or amendment will be subject to the same conditions as a policy issued under the General Conversion Benefit except its amount may not exceed the lesser of:

- (1) \$10,000; or
- (2) the Amount of Life Insurance which terminates; less the amount of any group life insurance for which the Insured Person becomes eligible within 31 days after the termination.

PROVISIONS APPLICABLE TO ALL CONVERSION POLICIES

EFFECTIVE DATES. The coverage provided by a conversion policy issued under this Section will be effective on the later of:

- (1) its date of issue; or
- (2) 31 days after the date on which the person's life insurance terminated.

DEATH DURING CONVERSION PERIOD. The Company will pay a death benefit under this Policy equal to the amount of the life insurance which could have been converted, if the person:

- (1) was entitled to purchase a conversion policy; and
- (2) dies within the 31 day conversion period.

This death benefit will be paid even if no one applied for the conversion policy. If the first premium was paid for the conversion policy, the amount of the premium will be refunded and the conversion policy will be void.

NOTICE OF CONVERSION PRIVILEGES-INSURED PERSONS. When an Insured Person's Personal Insurance terminates, written notice of the right to convert will be:

- (1) given personally to the Insured Person;
- (2) mailed by the Group Policyholder to the Insured Person at his last known address; or
- (3) mailed by the Company to the Insured Person at his last known address as furnished by the Group Policyholder.

An additional period in which to convert will be granted if this written notice is not given to the Insured Person at least 15 days before the end of the 31 day conversion period. Any such extension of the conversion period will expire on the earliest of:

- (1) 15 days after the Insured Person is given the written notice; or
- (2) 60 days after the end of the 31 day conversion period even if the Insured Person is never given such notice.

No death benefit will be payable under this Policy after the 31 day conversion period has expired even though the right to convert may be extended.

- (1) as soon as reasonably possible; and
- (2) in no event more than one year after it was required.

These time limits will not apply while the claimant lacks legal capacity.

EXAM OR AUTOPSY. At anytime while a claim is pending, the Company may have the Insured Person examined:

- (1) the reason for the denial, under the terms of this Policy and any internal guidelines;
- (2) how the claimant may request a review of the Company's decision; and
- (3) whether more information is needed to support the claim.

The Company will send this notice within 15 days after resolving the claim. If reasonably possible, the Company will send it within:

- (1) by the 15th day after receiving the first proof of claim; and
- (2) every 30 days after that, until the claim is resolved.

The notice will explain the special circumstances which require the delay, and when a decision can be expected.

In any event, the Company must send written notice of its decision within:

- (1) 180 days after receiving the first proof of a death or dismemberment claim; or
- (2) 105 days after receiving the first proof of a claim for any Extension of Death Benefit, Living Benefit or Accelerated Death Benefit available under this Policy.

If the Company fails to do so; then there is a right to an immediate review, as if the claim was denied.

Exception: If the Company needs more information from the claimant to process a claim; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

REVIEW PROCEDURE. The claimant may request a claim review, within:

Notice of Decision. The Company will review the claim and send the claimant a written notice of its decision. The notice will explain the reasons for the Company's decision, under the terms of this Policy and any internal guidelines. Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under this Policy, the claimant must first seek two administrative reviews of the adverse claim decision, in accord with this section. If an ERISA claimant brings legal action under Section 502(a) of ERISA after the required reviews; then the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any claim; then full reimbursement to the Company is required within 60 days. If reimbursement is not made; then the Company has the right to:

- (1) reduce future benefits until full reimbursement is made; and
- (2) recover such overpayments from the Insured Person, or from his or her Beneficiary or estate.

Such reimbursement is required whether the overpayment is due to fraud, the Company's error in processing a claim, or any other reason.

LEGAL ACTIONS. No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

Accident, accident and health, or health insurance (including HMOs):

- Up to \$500,000 for health benefit plans, with some exceptions.
- Up to \$300,000 for disability income benefits.
- Up to \$300,000 for long-term care insurance benefits.
- Up to \$200,000 for all other types of health insurance.

Life insurance:

- Up to \$100,000 in net cash surrender or withdrawal value.
- Up to \$300,000 in death benefits.

Individual annuities: Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

Other policy types: Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.

Individual aggregate limit: Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.

Parts of some policies might not be protected: For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.

ISSUED TO: Duncanville Independent School District

The Policy is amended by the addition of the following provisions.

**PRIOR INSURANCE CREDIT UPON TRANSFER OF
LIFE INSURANCE CARRIERS**

This provision prevents loss of life insurance coverage for an Insured Person, which could otherwise occur solely because of a transfer of insurance carriers. This Policy will provide the following Prior Insurance Credit, when it replaces a prior plan.

"Prior Plan" means a prior carrier's group life insurance policy, which this Policy replaced within 1 day of the prior plan's termination date.

FAILURE TO SATISFY ACTIVE WORK RULE. Subject to payment of premiums, this Policy will provide life coverage for a Person who:

- (1) was insured under the prior plan on its termination date;
- (2) was otherwise eligible under this Policy; but was not Actively-At-Work due to Injury or Sickness on its Effective Date;
- (3) is not entitled to any extension of life insurance under the prior plan; and
- (4) is not Totally Disabled (as defined in the Extension of Death Benefit section of this Policy) on the date this Policy takes effect.

AMOUNT OF LIFE INSURANCE. Until the Person satisfies this Policy's Active Work rule, the amount of his or her group life insurance under this Policy will not exceed the amount for which the Person was insured under the prior plan on its termination date.

This Amendment takes effect on the effective date of coverage under this Policy. In all other respects, this Policy remains the same.
