## Aetna<sup>®</sup> Hospital Indemnity Plan

### Be prepared for what lies ahead

Maybe you're expecting to have a hospital stay — or maybe not. Either way, it's good to plan ahead. And to give yourself an extra financial cushion.

### What is the Aetna Hospital Indemnity Plan?

The plan pays benefits when you have a planned, or an unplanned hospital stay. It can be for an illness, injury, surgery or to deliver a baby. The Aetna Hospital Indemnity Plan pays a lump-sum benefit for admission and daily benefits for a covered hospital stay. You can use these benefits to help pay your part of medical costs or for ongoing bills.

### How is this different from a major medical plan?

Medical plans help pay **doctors and hospitals** for services and treatment. But they don't cover everything, including unexpected costs that might result from a hospital stay.

The Aetna Hospital Indemnity Plan pays benefits directly to **you**. So, you'll have extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

### How can you use the cash benefits?

It's completely up to you. You can put the money towards:

- Deductibles or co-pays
- Mortgage or rent
- Groceries or utility bills

And so much more! Use the benefits any way **you** choose.

### Easy to use

Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered hospital stay. We will pay benefits directly to you by check or direct deposit.

Insurance plans are offered and/or underwritten by Aetna Life Insurance Company (Aetna) at 151 Farmington Ave., Hartford, CT, 06156. Policy forms issued in Idaho include: GR-96172, AL VOL HPOL-Hosp 01

## Because it happens

**\$1.24 trillion** was spent on hospital services in 2020. **60%-65%** of all bankruptcies are related to medical expenses<sup>1</sup>.

### Ready ... or not

Carter\* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna® Hospital Indemnity Plan. He filed his claim online and, since he had signed up for direct deposit, his benefits went directly into his bank account.

He used the cash to help make up for the earnings he lost from the time he missed work while recovering and to help pay some of his deductible. Now, he can focus more on his health.

The coverage provided under your benefits plan or policy underwritten by Aetna Life Insurance Company is limited in nature and may not provide financial protection for significant costs that you could incur for the diagnosis or treatment of COVID-19 ("Corona virus") related illness.

If you do not have comprehensive major medical coverage, in addition to the plan or policy issued by our company, you may incur significant uninsured medical expenses associated with the diagnosis and treatment of illness caused by COVID-19.

Major medical plans offer robust consumer protections, and are required to waive all deductibles, co-pays and other cost sharing expenses for the diagnosis or treatment of COVID-19 related illness. Your policy or plan with us is not a major medical plan and does not provide such protections.

If you do not have major medical coverage, you may:

1. Contact a licensed insurance broker or agent to see about major medical coverage availability.
2. To see if you are eligible for a special enrollment period for major medical coverage through the New Mexico Health Insurance Exchange, contact beWellnm toll-free at **1-833-862-3935**.
3. To see if you are eligible for Medicaid coverage and to complete an application, please call the Human Services Department's Medicaid Expansion Hotline toll-free at **1-855-637-6574** or visit **<https://www.yes.state.nm.us/yesnm/home/index>**.
4. To see if you are eligible for high risk pool coverage, please contact the New Mexico Medical Insurance Pool (the "High Risk Pool") at **1-844-728-7896** or **<https://nmmip.org/>**. If you are uninsured and have a COVID-19 diagnosis, your condition qualifies you for Pool coverage.

The Centers for Disease Control and the New Mexico Department of Health each have websites with considerable information on COVID-19. Visit each website at **<https://www.cdc.gov/>** or **<http://cv.nmhealth.org/>**.
