Worldwide Support

When our members travel abroad, they'll have peace of mind knowing that should a dental or vision need arise, help is just a phone call away. Through AXA Assistance, Ameritas offers its dental and vision plan members 24-hour access to dental or vision provider referrals when traveling outside the U.S.

Immediately after a call is made to AXA, an assistance coordinator assesses the situation, provides credible provider referrals and can even assist with making the appointment. Within 48 hours following the appointment, the coordinator calls the member to find out if additional assistance is needed. If all is well, the case is closed. Then, the plan member may submit a claim to Ameritas for reimbursement consideration based on applicable plan benefits. Contact AXA Assistance USA toll free by calling 866-662-2731, or call collect from anywhere in the world by dialing 1-312-935-3727.
