Dental Rewards®

This dental plan includes a valuable feature that allows qualifying plan members to carryover part of their unused annual maximum. A member earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	\$750	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Dental Rewards amount is added to the following year's maximum
Maximum Carryover	\$1,000	Maximum possible accumulation for Dental Rewards

Orthodontia - Initial Insureds and New Enrollees

Ameritas will provide coverage on current orthodontic treatment programs and pay up to Ameritas' orthodontic maximum minus any benefits the member has received from the prior carrier.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on September 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

Dental Cost Estimator

Members can use our dental cost estimator at any time to find average procedure charges in their area. The estimates do not include network discounts or plan benefits. Find the dental cost estimator at ameritas.com/applications/group/estimator. After coverage begins, members can view average in-network charges in their secure member account. Members also may ask their dentist's office to submit a pretreatment estimate so they can see exactly how a proposed service would be covered and avoid any surprises. The pretreatment estimate is based on their plan benefits.

Worldwide Support

If a member has a dental emergency outside the U.S., AXA Assistance can help. AXA provides credible provider referrals and can even help with making the appointment. Providers referred by AXA are not members of the Ameritas network. AXA contact information is available in the secure member account.

Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.
