The costs and amounts shown in this tool are for guidance only and should not be relied upon as the actual costs for specific vision care administration services. The estimated costs may be higher or lower as they are calculated based on average cost and frequency data with an understanding of provider networks. These costs are not intended to reflect your exact costs for services and are subject to change based on your coverage, benefits, and authorization for services. The information presented does not indicate medical advice, actual costs, guarantee of payment, prior approval for services, or judgement of a claim.
