

Set up your CVS Virtual Care[®] account in 5 minutes

1 Create your account

Visit **CVS.com/virtual-care** and click **Get Virtual care >** to get started.

2 Choose the care you need

We make it easy to get care. Tell us what you need and get matched up with trusted, in-network providers. Then, schedule a virtual visit for you and your family in minutes.

3 Get a summary of your visit

You can take your visit summary back to your primary care provider or other doctors to **keep your care connected**.

Your Aetna[®] health plan includes access to CVS Virtual Care. That means you can use it to keep your health on track from anywhere:

Mental health care

Care for cold and flu, UTIs, skin conditions and other unexpected issues

One-time medication refills*

And more

Scan the QR code or go to **CVS.com/virtual-care** to get started.

Aetna is a proud CVS Health[®] company.

Helping you find the care you need is one of the ways that **healthier happens together[®]**.

Your provider is your choice. CVS Virtual Care is one of your many options for care.

*Controlled substances not prescribed.

Aetna[®] is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna).
