

The Allen ISD Preferred Medical Plan

Allen ISD

High-Quality Health Benefits

Complete solution of health benefits designed to offer YOU the highest quality insurance and ancillary benefits.

Significant Savings

Our plans offer savings on premiums, prescription drug costs, and tele-medicine. These savings make health benefits more affordable to you and your family.

Your Alternative Option to TRS-ActiveCare

For many families and individuals, health insurance is one of the largest household expenses. It is not uncommon for health insurance premiums to equal or exceed 10 percent of income, and often there are significant additional out-of-pocket costs.

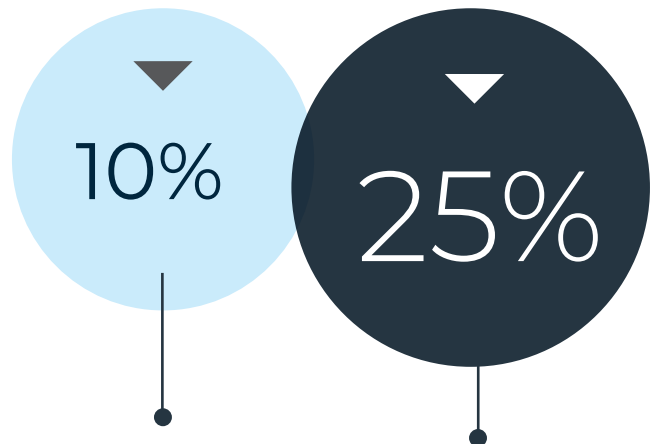

The Universal Benefits Consortium was formed to serve the education community by ESC - Region 12 to offer alternative medical plans and benefits. The result is a rich offering of affordable and effective health care solutions for you and your family.

Offered within the UBC are:

- Medical Insurance
 - High Deductible Plan
 - PPO Plan
- Cigna Open Access Plus Network (Cigna's largest national network)
- Pharmacy Benefits
- Free Tele-Medicine for Employees and Dependents

The UBC is designed to:

- Significantly Reduce Monthly Premiums
- Lower Prescriptions Costs
- Provide Affordable Access to Care
- No Referrals Required
- In- and Out-of-Network Benefits

Our solutions are saving participants around 10 percent on their premiums.

On average, participants are saving 25 percent on prescription costs.
