# Benefit Eligibility & Coverage

## Employee Coverage

### Eligibility

Eligible employees must be actively at work on the plan effective date for new benefits to be effective.

### New Employees

You have 31 days from your actively-at-work date to make benefit elections.

### Existing Employees

When it's time to enroll in your benefits, your FFGA Account Representative will be available to assist you with making your elections. Your elections can be made anytime during annual enrollment online from your work or home computer. Before enrollment, take time to educate yourself on the available benefits and what options would work best for you and your family by visiting the Employee Benefits Center.

### Mid-year Benefit Changes

You may add or cancel coverage during the plan year if you have a change in family status. You must notify the benefits department within 31 days of the change.

### Qualifying Life Events Include:

- Changes in household, including marriage, divorce, legal separation, annulment, death of a spouse, birth, adoption, placement for adoption or death of a dependent child
- Loss of health coverage, attributable to your spouse's employment, losing existing health coverage including job-based, individual and student plans, losing eligibility for Medicare, Medicaid, or CHIP, turning 26 and losing coverage through a parent's plan

### Declining Coverage

If you are eligible for benefits, but wish to DECLINE coverage, please complete the online enrollment either on your work or home computer. Under each option, you will need to select "waive." **You must still complete the beneficiary information.**

# Who is Eligible

Eligible employees must be actively at work on the plan effective date for new benefits to be effective.

## Who's Eligible?

You, your legal spouse, and your children under age 26\* are eligible for the benefits outlined in this guide. To cover a dependent, you must elect coverage for yourself.\*\* No person may be covered as both an employee and a dependent, and no person may be covered as a dependent of more than one employee.\*\*\*

If your spouse experiences a qualifying life event during the plan year, such as the loss of employment that results in a loss of medical coverage, he/she can be added to your Willis ISD coverage. You must contact the WISD Benefits Office no later than 30 calendar days after the event date.

**Note:** Electing coverage for an ineligible person is not permitted. Doing so may cause you to pay premiums for someone who is not eligible for coverage. You could also be held liable for any claims paid for an ineligible dependent, and a claim could be denied if the insurance company determines the individual does not meet eligibility requirements. If your spouse's or child's eligibility status changes during the year for any reason other than age, you must promptly contact the WISD Benefits Office to remove the ineligible dependent.

## Dependent Eligibility Reviews

Dependent eligibility reviews may be conducted periodically to ensure covered dependents meet plan eligibility requirements. In the event of a review, notices requesting proof of eligibility will be mailed to plan participants. Not responding to a review request will result in termination of dependent coverage. If a dependent's eligibility status changes during the plan year, employees should contact the WISD Benefits Office immediately to request a change of election.

---

*\* A child includes your natural child, stepchild, legally adopted child, child under court order, and grandchild. For a grandchild to be considered your child, the child must be in your court-ordered custody and must live with you and be claimed as a tax dependent according to IRS guidelines. With proof of disability, a child who is unmarried, totally disabled, and primarily depends on you for support and maintenance prior to age 26 is eligible for continued coverage beyond the maximum age limit.*

**Note:** Eligible grandchildren are not eligible for American Fidelity term life insurance.

**\*\*** Disability insurance is not available for spouses and children.

**\*\*\*** You may purchase an individual permanent life insurance policy from Texas Life for your spouse and each of your minor children, including eligible grandchildren, without purchasing a policy for yourself.

# Section 125 Plans

## Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

The 125 status has already been determined by the district. Pre-tax products are medical, dental, vision, cancer, accident, hospital indemnity, FSA/HSA and retirement accounts.

### Here's How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

### Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck

**You could save \$70 per month in taxes by paying for your benefits on a pre-tax basis!**

# Flexible Spending Accounts

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com)  
1.866.853.3539 P.O. Box 161968 | Altamonte Springs, FL 32716

## Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

**Your maximum contribution amount for 2025 is \$3,300.**

### Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

**NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.**

## Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

**You may allocate up to \$7,500 per tax year for reimbursement of dependent care services.**

**If you are married and file a separate tax return, the limit is \$3,750.**

### Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

# Health Savings Account

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com)  
1.866.853.3539 P.O. Box 161968 | Altamonte Springs, FL 32716

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

## Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

## Who Can Participate in an HSA?

- You must be enrolled in a qualified High Deductible Health Plan (HDHP).
- You cannot be enrolled in Tricare or Medicare or covered under your spouse’s traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only).
- You cannot participate if your spouse has a general purpose FSA or HRA at their place of employment.
- You cannot participate if you are being claimed as a dependent on another person’s tax return.

# Medical Transport

MASA Medical Transport | <https://masaaccess.com> | 800.643.9023

Americans today suffer from a false sense of security that their medical coverage will pay for all costs associated with emergency or critical care transport. The reality is that a majority of Americans are only partially covered for these high costs.

Most medical plans will only pay a portion of costs leaving you with the remainder of the bill. There is also the possibility of your medical provider denying your claim altogether, which means you would be responsible for paying the entire bill.

With medical transport protection, you will have zero out-of-pocket expenses for any emergent air or ground transport from anywhere in the United States, regardless of who transports you. You will receive medical emergency transportation solutions to help cover your out-of-pocket medical transport costs when your insurance falls short.

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits. The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

# Disability Insurance

**NEW CARRIER THIS YEAR!**

The Standard | [www.standard.com](http://www.standard.com) | 1-800-628-8600

## Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

*Employees can select a monthly LTD benefit ranging from a minimum of \$200 to a maximum amount of \$8,000, depending on salary. Benefit waiting periods for Accident/Sickness include:  
0/7, 14/14, 30/30, 60/60, 90/90, 180/180*

# Cancer Insurance

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 1-800-662-1113

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It’s impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more. Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money.

*If you currently have an existing Cancer plan, you have the opportunity to keep it. We suggest doing so if you are currently in a claims process.*

### Employer-Paid Term Life & AD&D Insurance

Life insurance protects your loved ones. It pays a benefit so they can afford to pay for funeral expenses, pay off debt and maintain their current standard of living. It is one of the best ways to show you care. Your employer provides all FT IHB employees a \$35,000 policy and all FT Medical employees a \$10,000 policy. The cost of this policy is paid for 100% by your employer. This is a term life policy that is in effect while you are employed.

### Voluntary Term Life Insurance

Voluntary life insurance is term life coverage you can purchase in addition to the basic life plan provided by your employer. It will cover you for a specific period of time while you are employed. Plan amounts are offered in tiers so you can choose the amount of coverage that works best for you and your family. Because it's a group plan, premiums are typically lower, so it's more affordable to gain the peace of mind that life insurance provides. Limitations apply, please see policy for details.

**Enrolling for employee or spouse supplemental term life will require Evidence of Insurability (EOI) and underwriting approval— except as a new hire or if a qualified family status change occurs, at which time guaranteed issue(GI) coverage is available.**

## 403(b) Retirement Plan

Research shows that Americans are living well past retirement years. Are you saving enough to be able to enjoy those years? A 403(b) plan can help you get there.

It’s an IRS-approved retirement plan that allows you to set aside money on a pre-tax basis for your retirement. Contributions are conveniently made through payroll deduction, so money is moved from your paycheck into the account automatically. Plus, you employer may even match your contributions based on how much you put into the plan. Now is the time to take full advantage of this opportunity to maximize your retirement savings!

## 457(b) Retirement Plan

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred or ROTH basis. One significant way the 457(b) differs from the 403(b) is that distributions are never subject to the 10 percent tax for early withdrawal.

Contribution Limits	
2025	2026
\$23,500	TBD
Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional \$7,500.
