Strengthen Your Family's Financial Plan

Life insurance is an essential piece of a robust financial plan. While there is no replacement for losing a loved one, **Term Life Insurance** can help protect your family in your absence. It supplies short-term coverage at a competitive price. Term Life Insurance can help fill temporary needs for those on a limited budget.

61% of adults in the United States have no individual life insurance.¹

Life insurance provided by your employer is a significant benefit. However, it may not be enough protection to provide for your loved ones.

A term life policy can help supplement your existing coverage. Plus, you own this policy, meaning you can take it to a different job or retirement.

Why You Need Life Insurance

Consider the following expenses when choosing the right life insurance plan for you.

Final Expenses

Funeral Costs • Unpaid Medical Bills

Income Replacement

Mortgage/Rent • Other Loans

Nest Egg

Estate Planning • Retirement Goals

Term Life Insurance is a great option for your working and earning years when costs are usually at their highest.

Premiums will remain the same for the initial term period selected.³ The death benefit will not change for the life of the policy, and death benefits are generally paid tax free.

Three Easy Steps to Get Covered

1

Select a Term Period

Choose from a 10, 20, or 30 year term.

2

Answer Three Health Questions⁴

Only three health questions are required to issue coverage. You do not have to take part in any invasive medical exams.

3

Get Death Benefit Coverage Immediately⁵

Your death benefit coverage starts when you sign the application.

³Rates will be adjusted on each renewed term period. ⁴Issuance of the policy may depend on the answer to these questions. ⁵Interim coverage for death will be in force from the date your application is signed if, on such date, the proposed insured is insurable per our underwriting guidelines for the requested coverage per the terms of the policy. This interim coverage for death will remain in force until the earlier of 1) the date a policy becomes effective, 2) the date we decline the application, or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy, Children's Term Rider and Spouse Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, or Accelerated Benefit Rider for Long Term Illness. ⁶Example is based on a 20-year term, monthly, non-tobacco, base policy with no attached riders. See your American Fidelity account manager for specific ages, rates, term periods or face amounts. ⁷Premiums remain level for the initial term period selected. If you choose the 10 or 20-Year Term Life Plan, the renewal date will be every 10 or 20 years until the policy anniversary following age 70 or 60, respectively. Thereafter, premiums are renewable annually. The 30-Year Term Life Plan is renewable annually after the initial term period. All term plans expire on the policy anniversary following age 90. Rates will be adjusted on each renewed term period.

EMPLOYEE ISSUE AGES	SPOUSE ISSUE AGES AND MAXIMUMS

Enhance Your Plan

Waiver of Premium Rider

This rider waives the premium if the base insured becomes totally disabled, as defined in the rider, for at least six consecutive months. Premiums are waived for the base policy and any attached riders. The issue age is 17-60. The rider terminates at age 65.

Accidental Death and Dismemberment Rider

This rider provides coverage upon death, dismemberment, or paralysis of the base insured before age 70 if such death, dismemberment, or paralysis results from accidental causes, as defined in the rider. This rider also provides an additional 10% seat belt benefit if the police accident report certifies the base insured was wearing a properly fastened seat belt at the time of death. Benefits are payable once per covered accident.

Spouse Term Rider

This rider provides Term Life Insurance coverage for your spouse. The premiums for this rider are based on the spouse's age and tobacco usage. Coverage may be renewed for each additional renewal period up to the spouse's age of 90 while the base policy is active. Premiums are guaranteed to remain the same during the initial term period. ⁷Premiums adjust upon renewal. The face amount must be equal to or less than the base policy.

Children's Term Rider

This rider provides Term Life Insurance protection for all eligible children between the ages of one month through 19. Three benefit levels are available: \$10,000, \$20,000, and \$30,000. Your covered child may also convert this rider for up to five times the amount of coverage (subject to a \$100,000 limit) to any form of permanent insurance offered by American Fidelity. One premium covers all eligible children.

Accelerated Benefit Summary and Disclosure Notice

THIS DOCUMENT SERVES ONLY AS A SUMMARY AND A DISCLOSURE NOTICE. PLEASE REFER TO YOUR POLICY OR RIDER FOR ACTUAL CONTRACT PROVISIONS.

THE POLICY/RIDER PROVIDES AN ACCELERATED BENEFIT OPTION. YOU SHOULD CONSULT WITH A PERSONAL TAX ADVISOR IF YOU ARE CONSIDERING ELECTING PAYMENT UNDER AN ACCELERATED BENEFIT PROVISION. BENEFITS AS SPECIFIED IN THE POLICY/RIDER WILL BE REDUCED UPON RECEIPT OF AN ACCELERATED BENEFIT PAYMENT. RECEIPT OF ACCELERATED BENEFIT PAYMENTS: 1) MAY BE TAXABLE; 2) MAY AFFECT YOUR ELIGIBILITY FOR BENEFITS UNDER STATE OR FEDERAL LAW; AND, 3) DO NOT AND ARE NOT INTENDED TO QUALIFY AS LONG-TERM CARE INSURANCE.

The policy and/or rider you are applying for has an Accelerated Benefit provision. The provision allows a portion of the death benefits to be advanced if certain conditions are met. Please see policy/rider for conditions and definitions, as applicable.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The maximums vary by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- Only one Accelerated Benefit election will be made under the policy and/or each rider even if the Owner does not elect the full acceleration amount.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
 - 1) Accelerated Benefit for Long Term Illness, if this optional rider is attached to the policy; and
 - 2) Accelerated Benefit for Terminal Condition.
- Additional limitations and exclusions may apply, please read your policy/rider carefully.

Upon request to accelerate the policy/rider proceeds, and upon the payment of the accelerated benefit, the Owner and any irrevocable beneficiary shall be given a statement demonstrating the effect of the acceleration on the payment of policy proceeds, cash value, death benefit, premium, and policy loans, as applicable.

Accelerated Benefit for Terminal Condition

Prior to the payment of any Accelerated Benefit, the Insured/Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or \$100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the policy/rider will remain in force. Any premiums due to keep the policy/rider in force will be paid by us, and will be deducted from the policy proceeds upon death, unless you are currently exercising the Automatic Premium Loan option. If you are currently exercising the Automatic Premium Loan option, any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued.
- Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us on your behalf.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value

may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans.

- Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment.
- **This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.**

Accelerated Benefit for Long Term Illness (optional rider)

Prior to the payment of any Accelerated Benefit, the Insured must have a Long Term Illness, which means the Insured has been certified within the last 12 months by a Licensed Health Care Practitioner as permanently unable to perform, without Substantial Assistance from another individual, at least two out of five Activities of Daily Living for a period of at least 90 days due to a loss of functional capacity; or requiring Substantial Supervision due to permanent Severe Cognitive Impairment. The maximum payable is the lesser of 50% of the Eligible Proceeds available at the time of claim payable in two equal annual payments up to a maximum of 25% of the Eligible Proceeds per year for two consecutive years; or \$100,000 payable in two equal annual payments up to a maximum of \$50,000 per year for two consecutive years. Premium is required to keep this rider in force.

Payment of an Accelerated Benefit for Long Term Illness, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due.
- Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated.
- Any outstanding policy loan, including interest, will be proportionally reduced by the percent accelerated and will be deducted from the Accelerated Benefit payment.
- **The Accelerated Benefit will reduce the Benefit Amount and will be applied immediately upon acceleration.**
