- Complete the New User Registration form

Using online services helps to minimize your risk of identity theft, protect your privacy and get your benefit information faster than through the mail.

### Sign up to receive your explanation of benefits (EOB) statements online.

To receive email EOB's instead of paper statements, select:

Compared to paper, online statements are:

- more secure 
- more detailed 
- better for the environment 
- convenient 
- faster 

### You have 24/7 access to your:

- personalized ID card; print it or save it to your smartphone
- claim status and a breakdown of how benefits were calculated and payments were processed
- plan details including maximum benefit and deductible amounts, and your used verses remaining benefits
