

SUPPLEMENTAL HEALTH CLAIMS MADE EASIER.

The Hartford's Supplemental Health¹ claims experience is created with your employee's convenience in mind. Efficiency and ease of use are at the center of the portal, taking the guesswork out of submitting and managing Accident, Critical Illness and Hospital Indemnity Insurance claims. Here's an outline of the key features.

→ STREAMLINED EXPERIENCE TO SIMPLIFY THE CLAIMS PROCESS

Enhanced navigation and accessibility. Your employees will enjoy quick access to the portal and their claims details by visiting <https://myhealthhub.app/thehartford>.

Meets your employees where they are. Submit and manage a claim from multiple places. Web, mobile and app access available based on preferences.

Consistent branded experience. Aligned to The Hartford's core claims experience.

→ EASY FILING AND CLAIMS MANAGEMENT

Ability to start and stop claim submissions at the employee's convenience. Claims will be saved in draft status and can be completed later.

Claim tracking at the employee's fingertips. From submission through completion, employees can track their claim on the portal.

Easily access and upload documents. Required forms are available directly in the portal and employees can use their phone's camera roll to upload completed documents quickly and easily.

Convenient access to support. Employees can get help through the portal's live chat feature or call to speak to a representative.
