

Rio Vista ISD 457(b) Plan

BEGINNING SEPTEMBER 1, 2025 AND MOVING FORWARD

**Join us in securing your financial future, with the introduction of the
FFInvest Plan, now available to Rio Vista ISD employees.**

A 457(b) plan is a type of retirement savings plan available to employees of governmental and certain non-profit organizations, such as school districts. Employees contribute a portion of their salary to the plan, which will help supplement their pension and provide additional financial security in retirement.

Why Should I Contribute?

Your pension is valuable, but it may not be enough to maintain your lifestyle in retirement. Saving through the FFIInvest Plan ensures you have extra financial security when you leave the workforce.

Starting September 1, 2025, we'll automatically enroll you in the plan at 1% of your salary. Don't worry, you can always opt out if you choose.

There is no commitment to the 457(b) program & you may stop at any time.
