# Section 125 Plans

## Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

### Here’s How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you’re already eligible – all you must do is enroll.

### Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer’s Section 125 Plan – that’s a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

- IRS specified changes in family status include:
- Change in legal married status
  - Change in number of dependents
  - Termination or commencement of employment
  - Dependent satisfies or ceases to satisfy dependent eligibility requirements
  - Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	\$2,000	\$2,000
Less Medical Deductions	-N/A	-\$250
Tax Gross Income	\$2,000	\$1,750
Less Taxes (Fed/State at 20%)	-\$400	-\$350
Less Estimated FICA (7.65%)	-\$153	-\$133
Less Medical Deductions	-\$250	-N/A
Take Home Pay	\$1,197	\$1,267

**You could save \$70 per month in taxes by paying for your benefits on a pre-tax basis!**

*\*The figures in the sample paycheck above are for illustrative purposes only.*

1.866.853.3539 P.O. Box 161968 | Altamonte Springs, FL 32716

## Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

**Your maximum contribution amount for 2025 is \$3,300.**

### Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

**NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.**

## Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

**You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.**

**If you are married and file a separate tax return, the limit is \$2,500.**

### Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

# Limited Purpose FSA

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) | 1.866.853.3539  
P.O. Box 161968 | Altamonte Springs, FL 32716

A Limited Purpose Flexible Spending Account (LPFSA) works together with a Health Savings Account (HSA) for you to further optimize your tax savings. By establishing an LPFSA, you can save money on taxes by using the account for eligible dental and vision expenses while preserving your HSA funds for other purposes, including simply saving those funds for the future.

**Your maximum contribution amount for 2025 is \$3,300.**

## Limited Purpose FSA Highlights

- Only certain dental and vision expense are eligible such as eye exams, contact lenses and eyeglasses.
- Funds can be accessed by submitting a claim or paying for expenses upfront with a benefits debit card.
- Purchases may need to be verified during the claims process, so be sure to save your receipts.
- If the carryover provision is elected by your employer, balances may be carried over to the following plan year.

# Health Savings Account

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) | 1.866.853.3539  
P.O. Box 161968 | Altamonte Springs, FL 32716

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

## Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

## Who Can Participate in an HSA?

- You must be enrolled in a qualified High Deductible Health Plan (HDHP).
- You cannot be enrolled in Tricare or Medicare or covered under your spouse’s traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only).
- You cannot participate if your spouse has a general purpose FSA or HRA at their place of employment.
- You cannot participate if you are being claimed as a dependent on another person’s tax return.

# Disability Insurance

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 800.654.8489

## Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

# Cancer Insurance

## Plan Options

American Fidelity | [www.americanfidelity.com](https://www.americanfidelity.com) | 800.654.8489

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It's impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the Employee Benefits Center and view policy for more details.

# Critical Illness Insurance

## Prepare For the Unexpected

If you've heard of heart attacks, strokes, organ transplants or paralysis, then you're familiar with critical illness. It's likely you or someone you know has experienced one of these life-altering events. Often times, a critical illness has a powerful impact on people's lives, affecting their livelihood and finances.

A critical illness plan can help with the treatment costs of covered illnesses. Benefits are paid directly to you, unless otherwise assigned, giving you the choice of how to spend the money. Plus, there are plans available to provide coverage for you, your spouse and dependent children.

Prepare now for the unexpected with a critical illness insurance plan. The plan helps you focus on getting well rather than worrying about finances. Visit the Employee Benefits Center and view policy for more details.

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 800.654.8489

An accident plan pays benefits directly to you so you can determine where to spend the money. It's comforting to know that an accident insurance policy can be there through all stages of your care, from initial treatment to follow-up care. Accident coverage is available to you through payroll deduction and may provide a benefit for costs associated with:

MASA | [www.masamts.com](http://www.masamts.com) | 954.334.8261

Americans today suffer from a false sense of security that their medical coverage will pay for all costs associated with emergency or critical care transport. The reality is that a majority of Americans are only partially covered for these high costs.

Most medical plans will only pay a portion of costs leaving you with the remainder of the bill. There is also the possibility of your medical provider denying your claim altogether, which means you would be responsible for paying the entire bill.

With medical transport protection, you will have zero out-of-pocket expenses for any emergent air or ground transport from anywhere in the United States, regardless of who transports you. You will receive medical emergency transportation solutions to help cover your out-of-pocket medical transport costs when your insurance falls short.

# 403(b) Retirement Plans

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) |  
800-523-8422, option 2 | [retirement@ffga.com](mailto:retirement@ffga.com)

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

## How a 403(b) Works

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee’s taxable income. Contributions grow tax-deferred until the time of retirement when withdrawals are taxed as ordinary income.

## Benefits

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer’s plan.
- Receive periodic account statements

Contribution Limits	
2025	2026
\$23,500	TBD
Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional \$7,500.	

*All investing involves risk. Past performance is not a guarantee of future returns.*

# 457(b) Retirement Plans

You will not have to pay taxes on what you contribute or your earnings made until you withdraw the money.

## Benefits

- Investment options: fixed annuities, variable annuities, or mutual funds
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan

# Hospital Indemnity Insurance

Aetna | [www.aetna.com](https://www.aetna.com) | 888.792.9682

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

# Long Term Care Insurance

Combined Life Insurance | [www.combinedlife.com](http://www.combinedlife.com) | 855.241.9891

To fully equip yourself for the future, consider adding a long term care plan to your insurance portfolio. Most health insurance plans will not cover long term care services such as skilled in-home care, nursing home facilities, assisted living centers or adult day care. If you had a long term care insurance plan in place, you would have peace of mind knowing that these costs are covered.

A long term care insurance plan is there for you whenever you need it as long as the premiums are paid and the policy is still in force. And while we usually think of senior citizens being the ones who need a long term care plan, the truth is that any person at any age can claim benefits when it's necessary.

A long term care plan allows your loved ones to be there for you as a family member, not a caretaker. Plus, it helps preserve your assets so you can continue building your nest egg. Benefits are paid through payroll deduction, and the plan may be converted to an individual policy if you leave your employer.

Sit down with your FFGA Account Manager to discuss your group long-term care plan and choose the coverage that works best for you and your family.

# Life & AD&D Insurance

MetLife | [www.metlife.com](https://www.metlife.com) | 800.275.4638

Life is precious. We take steps to insure our cars and homes but tend to fall short when it comes to insuring ourselves. A life insurance policy, combined with accidental death and dismemberment coverage, or AD&D, gives you comprehensive coverage so that you have peace of mind knowing your loved ones will be taken care of in the event of your death.

## Life & AD&D Highlights

- Offers protection in the event you should die due to either natural causes or an accident.
- Benefits will be paid to the beneficiaries declared on your application.
- Covers a specific term for a predetermined benefit amount.
- Coverage would cease should employment end. However, you may be able to convert your plan to an individual policy within a certain number of days within you leaving employment.

# COBRA

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) | 800-523-8422, option 4

Life is full of unexpected events that may impact your health insurance coverage. Under the Consolidated Omnibus Budget Reconciliation Act, better known as COBRA, you have the right to continue your group health coverage such as medical, dental, vision insurance and flexible spending accounts for a limited period of time.

## COBRA Highlights

- Temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work, divorce, death or a child no longer qualifying as a dependent. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.
- Either you or your family member are responsible for notifying your employer of a divorce, legal separation or child losing dependent status within 60 days of the event. In the case of termination, death or reduction in hours, your employer will be responsible for letting the provider know that you have the right to continue coverage under COBRA.
- Benefits will remain identical to what you had while employed. However, you will be responsible for paying the full premium, plus any applicable fees.

First Financial Administrators, Inc. provides COBRA administration services for the following plans:  
Dental, Vision, FSA
