IF THIS PATIENT WAS A MASA MEMBER...

This air medical provider is one of MASA’s participating providers.

When a provider is enrolled in MASA’s participating provider program, MASA guarantees **ZERO out-of-pocket costs for its members for any emergent transport conducted by the participating provider**, as MASA and the provider have a pre-negotiated fee schedule. Simply put, this patient/member would have owed **ZERO out-of-pocket fees versus the \$34,862 the patient faced owing in the example above.**

Additionally, transports by participating providers are generally settled quickly, as no negotiating needs to take place. If provider was not a participating provider, MASA works as an advocate for the members when an emergency transport is conducted by an out-of-network provider, with the goal of getting the claim settled with where there is zero balance to patient. In 2018, MASA was able to get all closed claims settled, where patients/members owed **ZERO costs out-of-pocket!**
