Aetna Hospital Indemnity Plan

Be prepared for what lies ahead

Maybe you're expecting to have a hospital stay — or maybe not. Either way, you can plan ahead to give yourself an extra financial cushion.

What is the Hospital Indemnity Plan?

The plan pays benefits when you have a planned, or unplanned hospital stay for an illness, injury, surgery or having a baby. The plan pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But, they don't cover unexpected costs that might come with a stay in the hospital.

The Aetna Hospital Indemnity Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

How can you use the cash benefits?

It's completely up to you. You can use the money any way you want, like:

- deductibles or copays
- mortgage or rent
- groceries or utility bills

...or for anything else you choose.

Rest assured

Enrollment is guaranteed. We don't ask you any questions about your health. And, you get benefits paid directly to you by check or direct deposit.

Because it happens

More than 35 million
Americans were hospitalized in 2016¹.

The average hospital stay in the U.S.
costs **\$10,700²**.

Ready...or not

Carter* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna Hospital Indemnity Plan. He submitted his claim and the benefits were deposited right into his bank account.

That money helped make up for the time he missed work to recover and to pay some of his deductible. Now, he can focus more on his health.

Handy online tools for you

Here's how the plan works:

Unless otherwise indicated, all benefits and limitations are per covered person.

The Aetna Hospital Indemnity Plan is a hospital confinement indemnity plan with other fixed indemnity benefits. THESE PLANS DO NOT COUNT AS MINIMUM ESSENTIAL COVERAGE UNDER THE AFFORDABLE CARE ACT. THESE PLANS ARE A SUPPLEMENT TO HEALTH INSURANCE AND ARE NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. LACK OF MAJOR MEDICAL COVERAGE (OR OTHER MINIMUM ESSENTIAL COVERAGE) MAY RESULT IN AN ADDITIONAL PAYMENT WITH YOUR TAXES. These plans provide limited benefits. They pay fixed dollar benefits for covered services without regard to the health care provider's actual charges. These benefit payments are not intended to cover the full cost of medical care. You are responsible for making sure the provider's bills get paid. These benefits are paid in addition to any other health coverage you may have.

THIS IS NOT A MEDICARE SUPPLEMENT (MEDIGAP) PLAN. If you are or will become eligible for Medicare, review the free Guide to Health Insurance for People with Medicare available at www.medicare.gov.
