## Aetna Accident Plan

Life's little mishaps. One minute your teen is on the field — and the next they're in the ER. You're worried about your child. And how you're going to meet your deductible. Be better prepared for moments like these with an Aetna Accident Plan.

## We pay *you* cash benefits

### It's your money to spend

**Our accident plan pays you** lump-sum cash benefits for covered accidents and treatments. Use the money to help pay medical bills or everyday living expenses like groceries or rent. The choice is yours. You can also sign up for direct deposit to get your benefits faster.

### Our plan works with your health plan

We won't deny coverage based on your health. There are no doctor exams to take or medical questions to answer. And we pay you even if you have other insurance coverage. This means it pairs well with your major medical plan.

Accident insurance plans are offered and/or underwritten by Aetna Life Insurance Company (Aetna) at 151 Farmington Ave., Hartford, CT, 06156. Policy forms issued in Idaho include: GR-96842, AL HPOL-VOL Acc 01.

## An Aetna Simplified Claims Experience™

To file a claim, it takes about 90 seconds or less. If you've got Aetna® medical insurance, we'll grab your medical records as part of the process. That's less paperwork for you.

Don't have Aetna medical? No problem. Just upload a PDF or picture of your medical bill. If your claim is approved, we'll mail you a check or deposit your cash directly into your bank account.

### Manage your plans online

After you become a member, register at [MyAetnaSupplemental.com](https://MyAetnaSupplemental.com) or on the **My Aetna Supplemental** app. Or simply scan the QR code. Use your personal email address to keep accessing your account and getting important reminders — even if you leave your company.

### A broken leg didn't break the bank

*"The season just started when I got hurt.\* Luckily, we're members of the Aetna Accident Plan. Dad filed a claim and got cash sent right into my folks' checking account. Mom used some of the money to help cover our deductible. And the rest to buy me a new pair of cleats. Today, I'm back in the game."*
