

## Aetna Prescription Plan

The City of Cedar Park offers a comprehensive prescription drug benefit, which covers prescription care needs at participating pharmacies and mail-order maintenance drugs. Aetna CVS Pharmacy is the carrier of service. Participants enrolled on the Medical PPO or HDHP are automatically enrolled in the Aetna prescription drug plan. Participants enrolled on the Medical HDHP are subject to a deductible and coinsurance for all medications filled through an Aetna retail and mail order facility.

PPO Prescription Drug Plan (In-Network)				
Access Options	Generic Drug	Preferred Drug	Non-Preferred Drug	Specialty Drug
<b>Retail Network Pharmacy:</b> Up to a 30-day supply. Refills allowed as prescribed. <i>(good option for new prescriptions)</i>	\$0 copay	\$45 copay	\$75 copay	\$250 copay
<b>Mail Delivery Pharmacy:</b> Up to a 90-day supply. Refills allowed as prescribed. <i>(best option for maintenance medication)</i>	\$20 copay	\$90 copay	\$150 copay	Specialty Prescriptions must be filled through Aetna Specialty Performance Pharmacy Network.

HDHP Prescription Drug Plan (In-Network)				
<b>Deductible</b>	\$3,200 Annual Medical Deductible			
Access Options	Generic Drug	Preferred Drug	Non-Preferred Drug	Specialty Drug
<b>Retail Network Pharmacy:</b> Up to a 30-day supply. Refills allowed as prescribed. <i>(good option for new prescriptions)</i>	20% after deductible	20% after deductible	20% after deductible	Specialty Prescriptions must be filled through Aetna Specialty Performance Pharmacy Network.
<b>Mail Delivery Pharmacy:</b> Up to a 90-day supply. Refills allowed as prescribed. <i>(best option for maintenance medication)</i>	20% after deductible	20% after deductible	20% after deductible	

If access to Out-of-Network prescription care is needed, please review the City's benefits guide for a complete list of copay and coinsurance structure anticipated for those visits.

The generic, preferred, or non-preferred list of covered drugs is reviewed periodically resulting in changes to the prescription drug list throughout the year. If you are taking a medication that is affected by one of these changes, Aetna will mail a letter to your address on file to alert you of the change in benefits. Please refer to the Aetna Drug Formulary [website](#) or call Aetna Customer Service ( **1-888-416-2277** ) for current information on specific medications.

## Scriptsourcing Prescription

Participants enrolled on the medical group plan have access to the Scriptsourcing prescription program. Scriptsourcing partners with Aetna to provide competitive pricing and access to name brand and expensive specialty medications.

The Scriptsourcing program allows employees and dependents to pay \$0 copay for eligible maintenance medications dispensed through mail order. Prescriptions are shipped directly to the participants home free of shipping costs. Participants are notified about the program after the medication is prescribed and filled through an Aetna network pharmacy.

This prescription drug program offers 450+ brand name medications at \$0 copay. The Scriptsourcing formulary includes these medications:

Humira	Biktarvy	Lialda	Wellbutrin
Tremfya	Descovy	Pristiq	Xarelto
Otezla	Genvoya	Ventolin	Onglyza
Ozypic	Palynziq	Crestor	Qv

For a complete list of eligible Scriptsourcing medications please visit [here](#).

To learn more or enroll in the Scriptsourcing program follow these steps:

1. Review the Scriptsourcing prescription [formulary](#) to identify any medications currently being dispensed to participants.
2. Complete the Member Enrollment Form found [here](#).
3. Scriptsourcing Member Advocate will reach out to share next steps.
